1. It is understood from our Liaison Officer that the horses concerned are redundant to the needs of the Army, and that they are to be handed over to local farmers.

2. In these circumstances, provision will presumably be made by the farmers themselves.

SUBJECT :- Supplimentary Rations for Animals.

It has been reported that 40 horses of the 236 Regt. S.I. Division "Calabria" are found suffering from malnutrition.

Acting on the advice of the inspector of the Remount and Veterinary Services, this Ministry intends to issue these animals in addition to normal rations, a daily supplement of 2 Kg hay and 500 Gr of oats, for a duration of 40 days.

We would be very grateful to know whether this meets with the approval of MMIA.

So as to be able to produce again Anti Infection Serum, five horses
have been allotted to the Milit?Bact? Vet. Lab. of Rome, as Serum
producers.

As it is absolutely necessary to keep these horses efficient, and
as they are periodically bled, would the MMIA be so kind as to
consider the possibility of giving these horses the heavy weight
working ration, which as you know is composed as follows:

Hay & Straw	Kg. 5,400
