5 Oct 45

SUBJECT:- Wagon No. 222725 containing 120 sacks of
barley sent from the Capua British Forage Depot
at the end of March 1945.

We beg to inform you that the distribution depot under our command has not received the convoy note or the AFG 1033 for the despatch of the above wagon.

Thus we have not been able to determine whether there were any deficiencies on the arrival of the wagon, since we do not know the amount sent off by the Allies.

We ask MILA to send us a duplicate copy of one of the two forms.
