1. The vouchers quoted above, which were found to relate to BR-ITI Rations (FOOD), were receipted by Italian Military authority and returned to O.C. 46 B.S.D., in the usual manner.

2. It was not possible to return copies to you, as only two copies of each voucher were received here, one copy of each being retained by Italian Depot concerned, and the other forwarded to 46 B.S.D.;

3. It is not understood why these vouchers were classified under heading of Forage Vouchers, due presumably to a typing error.

From this office records it appears that:)

1. On 8 May 45 AMIC signal 082004B authorised release of 7 tons Tibben and 5 tons Grain to Italian Army Animal Centre, Lazio during period 11/20 May 45.
2. These commodities were despatched 18 May 45 in railcars as under:-
 - 252147 Grain as per IV 18/1.
 - 158873 Tibben as per IV 18/2.
 - 205016 Tibben as per IV 18/3.
3. Since the last two mentioned wagons were received by the consignee and the vouchers for same have apparently been cleared, the non-receipt of the Grain truck is not understood.
4. In any case the non-arrival of a railcar within a reasonable time of despatch, should be notified to consignor so that necessary action can be instigated by Movements. Three months have now elapsed and as the command of this unit has changed three times enquiries have failed to elicit any information regarding this particular consignment.
5. It is suggested that the enclosed voucher be cleared **116** if there was any error on the part of the consignee the grain would long since have been consumed. T. M. A.

SUBJECT:- Forage vouchers nos. IV/Dec/58 & IV/Dec/59.

The delay in sending back the above vouchers is due to the slowness of communications between this Ministry and CATANZARO Commissariato and the depot which has received the forage.

We ask you to have patience for a little longer.

We assure you that the above Commissariat has been asked by signal to expedite the return of the vouchers.

OGGETTO: Buoni foraggio. IV/Dic/58 e IV/Dic/59.-

Il ritardo nella restituzione dei buoni in oggetto è dovuta alla lentezza dei mezzi di comunicazione che collegano la Sezione Staccata di Commissariato di Catanzaro ed il Magazzino che ha ricevuto i foraggi con questo Ministero.

Si prega pertanto di voler pazientare ancora un poco.

Intanto si assicura che la predetta Sezione è stata, via breve, nuovamente sollecitata.

Subject Voucher IV/18-I-

We point out that the Remount Depot of Lazio has still not received the forage sent from the Forage Depot of Capua by means of railway goods wagon N. 252147 on 18/5/45 and for which at the time, was issued the shipping voucher N. IV/18-I.

Now, since the investigations carried out by dependent H. of W. have still not brought forth results, we beg you to kindly supply- whenever it be in possession- any information which may be of use in tracing the a/n railway goods wagon. Awaiting your kind acknowledgement.

Herewith issue vouchers and discrepancy reports in respect of consignments of forage items railed to Italian Ministry of War Bari during February and March 1945.

It will be observed that in all cases trucks were sealed with 5 mm wire and some seals before despatch, but that all discrepancy reports bear on reverse a statement that trucks were received without seals, and that the sacks were in many cases half empty.

As it is evident that these losses occurred through pilferage in transit, it is requested that loss action be taken by consignee in accordance with AFHQ Supply Instruction No 9 para 1(b).

May one copy of each DR therefore be returned endorsed accordingly, together with relevant AF's G 1033, please.

It would be appreciated if this matter could have your early attention, as it has been outstanding for a very considerable time.

Reference your No. Det/16/21 dated 20 June 45.

1. Receipt of your letter of even number dated 15 Apr 45, cannot be traced in this Hq.
2. It is assumed that you require action to be taken on deficiencies recorded on IVs attached thereto, but as the Italian Government is debited with the amounts of forage consigned by issuing depot and not with the quantities actually received, no action in this case is being taken. It is considered therefore, that these vouchers are sufficient to enable you to clear your March and April 45 P.S. Accounts.
3. IVs Nos. 15/2, 21/8, 30/1, 5/2-3 (Apr 45), 10/3-4-5, and 5/2 (Mar 45) are returned herewith.
