SUBJECT:- Additional food supplies month of June for 212 Division.

121

Further to letter No. 11109/S/1 dated 2/6/45 forwarded, for info, to MMIA, we inform that 212 Italian HQ has pointed out the following.

On the 17th May, Major Smith of the MMIA Naples drew the attention of the a/n HQ to the urgency of drawing, from the Special Foodstuffs Depot of the said city additional foodstuffs assigned for the month of June.

Since at that date the instructions were still unknown in respect of the drawing as above (contained in your letter ST/102/2/A of 14/5/45) the 212 Italian HQ, in agreement with the local Commissariat Directorate and with Southern Sector HQ PES LO who had confirmed that the request for additional foodstuffs had been forwarded in the past to the a/n HQ PES, had been fully accepted, proceeded to draw at Naples all foodstuffs, including the cigarette issue for troops stationed at Piombino and Leghorn as well as supplying the latter units.

It follows consequently that the 50 qls cigarettes assigned on the Lucca Factory have not been drawn by the said troops who have been supplied from Naples, while at Naples the 212 Italian HQ is finding difficulty in withdrawing the remaining requirements for the month, for their troops at Naples and Aversa because the local Commissariato Directorate had included the total quantities to be issued according to letter ST/102/2/A dated 14/5/45, also the cigarettes already sent to Piobino and Leghorn. We beg you to inform us of decisions concerning the matter.

OGGETTO: Rifornimento generi addizionali mese di giugno
per il Comando Italiano 212.

A seguito del dispaccio n.11109/S/1 in data 2 corr.mese,
inviato per conoscenza a codesta Sottocommissione, si comuni-
ca che il Comando Italiano 212 ha precisato quanto segue:

- il giorno 17 maggio u.s. il Maggiore Smith della M.M.I.A.
di Napoli fece presente al predetto Comando l'urgenza di ri-
tirare dal Deposito Speciale Viveri di detta città i generi
addizionali assegnati per il mese di giugno.
- poichè a tale data non erano ancora note le istruzioni
relative al ritiro di cui sopra, contenute nel foglio ST/102/2/A
del 14/5/45 di codesta Sottocommissione, il Comando Italiano
212, presi accordi con la locale Direzione di Commissariato e
con il Comando Settore Meridionale P.B.S.-L.O. dai quali eb-
be conferma che la richiesta di generi addizionali a suo tem-
po inoltrata al citato Comando P.B.S. era stata interamente
accolta, procedette al prelevamento a Napoli di tutti i gene-
ri, comprese le sigarette comuni per le truppe dislocate a
Piombino e a Livorno, nonchè alla spedizione a queste ultime
delle sigarette stesse.

Ne è conseguito pertanto che i noti q.li 50 di sigarette
assegnati sulle manifatture di Lucca non sono stati ritirati
da tali truppe, quali hanno ricevuto il rifornimento da
Napoli, mentre a Napoli il Comando Italiano 212 trova diffi-
coltà a prelevare il rimanente fabbisogno del mese per le
proprie truppe di Napoli ed Aversa in quanto la locale Dire-
zione di Commissariato ha conteggiato nel quantitativo glo-
bale da cedere secondo il foglio ST/102/2/A del 14/5/45 an-
che le sigarette inviate a Piombino e a Livorno.

Pregasi far conoscere le decisioni che saranno adottate
al riguardo.
