4. In the case of the US-ITIS in the Ancona area, MMIA cable Number 5482 to this Headquarters, dated 1 February 1945, advises that these US-ITI can be serviced on both U.S. and Italian ration components from MMIA Ortona dump. Quartermaster, AFGD Number 7, should contact Ortona dump for arrangement of ration cycle. It is understood there are sufficient ration components on hand in this US-ITI unit for February consumption.

5. Request presentation of the above figures to MMIA by 10 February in order that sufficient quantities will be made available in MMIA dumps as specified above.
