n.º 2615/Co. di prot.

Levico, 6 giugno 1946

Oggetto : richiesta cinturono e spallacci.

AL COMANDO MILITARE TERRITORIALE - Uff. Servizi - BOLZANO

Con riferimento al fono n.º 04/7915/Serv. del 24

scorso maggio si precisa :

- che la richiesta di cavigliere, cinturonì e spallacci é stata motivata dal fatto che, esauritesi le scorte esistenti presso il magazzino vestiario-equipaggiamento divisionale, sarà impossibile a questo comando dotare di tali oggetti le reclute di imminente afflusso dal C.A.R.;

- che gli enti dipendenti da cui le reclute saranno assunte in forza, potranno in minima parte distribuire lo-ro dettati oggetti potendo avvalersi soltanto di quel poco materiale, non fuori uso, che verrà recuperato dai congedandi;

che tale deficienza trova la sua giustificazione nel fatto che l'unica assegnazione di cavigliere, cinturonì e spallacci fatta a questa divisione rimonta al periodo precedente alle operazioni di guerra, e che pertanto il rapido naturale logorio subito dal materiale durante il ciclo operativo non é stato compensato da ulteriori necessarie assegnazioni per la rinnovazione e sostituzione;

che ai quantitativi logoratisi per fatti di guerra vanno aggiunti quelli perduti dai reparti perché trafugati dai numerosi assenti arbitrari.

In considerazione di quanto sopra esposto, tenuto conto della recente assegnazione di n.º 1300 cavigliere disposte dal Ministero della Guerra col dispaccio 15475/VC del 23 scorso maggio, nel fare presente che i quantitativi richiesti riflettono il minimo indispensabile fabbisogno, si prega codesto comando voler rendersi interpete presso il IV B.L.U. Bolzano delle necessità di questa divisione, rinnovando la richiesta dei 1300 cinturonì e 1300 spallacci.

1. The following are required for swimming training at the
Physical Training School:-

Life Belts Inflatable - Sec AA Pt 5177, Quantity 20

2. For various Gymnastic purposes a quantity of tubular scaffolding 2-in is required. This can be used for a great many purposes, and would be dismantled and rebuilt as required. It is therefore difficult to give exact requirements. However, 1,000 ft divided in the normal bulk order proportions should meet all possible requirements. This is as follows:

Tube Lengths	No:	Fittings	No.

2. A.D.O.S., 2 District has therefore instructed me to pass these Returns to you for consolidation, and report as requested in ORD/5048, dated 23 Mar, '46.

- 1.) On 25/26 March I visited Distwo and 2 C.E.M. Dump Verona to enquire about the M.T. stores which will shortly be handed over to the Italian authorities.
- 2.) D.D.O.S. office Distwo informed me that the Italian Army could draw stores of Italian origin before the stores were handed over to A.R.A.R. HQ 2 District will inform 3 B.L.U. when the stores are to be handed over, but as the depot is in 4 Territorial Command, 4 B.L.U. will assist 4 Territorial Command to take over the stores.
- 3.) It is suggested that 4 Territorial Command be instructed to form a depot with these stores, and that the important items such as tyres and tubes be issued only on a release note from War Ministry. An alternative suggestion is that the stores be taken over by this Territorial Command and passed to the Base Repair W/shops at Bologna.
- 4.) Will you please inform me which of these suggestions meets with your approval or forward other instructions

Ord

1. On taking over duties of O.W.O. at this B.L.U. I find that the list of stores in possession of Folgore Division is barely started, no translation having been done and not all the Units returns are yet received.
2. As M.M.I.A. laid down that each B.L.U. would be responsible for preparing the a/m lists for the Division to which it was originally attached, ORD 4 B.L.U. completed the Legnano Division, whilst ORD 3 B.L.U. completed the Friuli Division, therefore it is the responsibility of ORD your B.L.U. to complete the lists for the Folgore Division, especially as Folgore are still in your area, and therefore can easily be contacted in the case of difficulties.
3. It is clearly understood that the fact that the a/m lists are not completed is due to no fault of yours, but having spent two months completing the lists for Legnano Division I am not prepared to take the responsibility for now completing the Folgore Division with whom I have never been in contact.
4. All lists of stores for Folgore are therefore forwarded to you herewith for action as you consider necessary.
