Reference MMIA Admin Instruction No. 29 of 14 Nov 45.

1. Herewith for your information the stock state of 711 Adm Regt Clothing Depot, together with a demand for an immediate release of 375 pairs of boots.
2. It appears that 711 Adm Regt, when taking over the Depot from 227 Div, was not informed of the procedure for maintaining stocks as outlined in your Instruction, and therefore this demand is urgent.
3. In future monthly demands will be put in, but it will be seen from the attached stock state that the Depot holds quantities of certain articles considerably in excess of the needs of the 770 troops u/c 711 Adm Regt. Your consideration is requested of the proposals for closing the Depot forwarded in this office letter 54/11 of 9 Feb 46.

2. 9 Terr. HQ proposes that the a/m clothing depot be closed down and that responsibility for clothing these BR-ITI units be taken over by the Territorial Commissariat. In view of the economy of manpower and administration this would effect, the suggestion seems reasonable.

Headquarters, 514th Guard Battalion

Report concerning the opening of parcels of clothing and equipment of Allied origin, drawn at the Sub-Depot of the 227th Division - Rear H.Q., by the 514th Guard Battalion.

In the year 1945, on this 29th day of September, in Barletta, at the sub-depot of the Command Platoon of the 514th Guard Battalion at Barletta,

Know ye all by these presents that in compliance with an order from Capt. Leoro Trevisani, interim commander of the 514th Guard Battalion, the undersigned board met for the purpose of opening the parcels of clothing and equipment of Allied origin, drawn by the Battalion H.Q. Platoon from the Sub-Depot of the 227th Division - Rear H.Q., for the purpose of ascertaining the actual amounts of clothing items, ^{11/20/45} after having found that the packages were

(2)
original and bore no trace of tampering.

That only in the case of some parcels the contents corresponded with those listed on the outside, while in others the following shortages were ascertained:

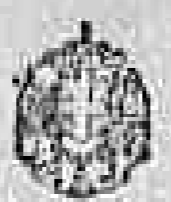

- a) cotton towels: 1 parcel with 41 towels found missing
- b) OD trousers, cloth: 1 parcel with 8 trousers missing
- c) socks: 1 parcel with 8 pairs of socks missing

That the board, having completed its work, recognized that the shortages ascertained, i.e. 41 towels, 8 OD trousers and 8 pairs of socks, existed before the packages were sealed, and therefore clears the H.Q. Platoon of the 514th Quarrel Battalion of responsibility therefor; said H.Q. Platoon will, accordingly, take the above-mentioned shortages off charge on its bookkeeping records.

Drawn up, read and signed on the date and at the place mentioned above. 4806

It has been found that in the bulk issue of ED from Br. Ord. a certain number of boxes were incorrectly marked and instead of containing ED bushirts or slacks, actually contained battle dress and other grade III clothing. A deficiency in ED thus arises. In order that it may in total be corrected, please signal to me your individual deficiencies through this cause.

TO: Land Forces Sub Comm. A.C. (MMIA) - Rome

Ref. your Q/OS/5 of 10/4/45 ^{logged} subject 230 Div requirements.

1. Facilities do exist here in Bari for the manufacture of spoon, however there is the question of raw materials; The Commissariato can obtain metal for the stamping of approximately 90,000 spoons but do not have the raw tin with which to plate the spoons after stamping.
2. The Ministry of war has made a limited quantity of tin available to the local Commissariato for the tining of cooking pots, etc; but not sufficient for their requirements. The Commissariato recently requested 300 kg. of tin and were released only 50 kg.
3. The Commisaariato states that 4 grams of tin are required to plate one spoon, and approximately 50 grams to plate one cooking pot.
4. Can we be informed as to the possibilities of obtaining additional quantities of raw materials.
