Dear

Ajax

1. Here are your specimens for 31 Aug. I have slightly amended the "requirements" because the mid-Aug return was missed.

2. Demand for Winter clothing other than that already sent will reach you shortly. Meanwhile it is confirmed that 10,000 more BD will be required.

3. I am also sending you two copies of the receipts/issues return. Do you still want it?
(See my 230/12 of 6 Aug.)

Yours Victor

Major A.M. NEWTON

H.Q. LMIA

*P.S. I enjoyed C men very much,
many Thanks.*

Subject: Clothing Returns.

Your ref:

- 1) Here with: a) Stock state (in triplicate)
b) Semi monthly issues-receipts State.
(It will be noticed that this shows issues for whole of July and thus overleaps return send mid July.)
- 2) Will you please say if (b) above is still required by you. It is merely an extract of their "carico e scarico" ledger and would seem to be unnecessarily detailed for your purposes.

IL CAPITANO COLONNELLO
(Ufficio di Comando)

Letter (L/4 Florence) of 13 June 1945
 { per phone request from Capt. THROPP 1945

785020

SUBJECT: Stock State 230 Div Sub Depot

MMIA IO
c/o FLORENCE Command
CAF

Tel: 1712

To: Land Forces Sub Commission AC,
(MMIA)
ROME

Reference your signal Q/OS/257 of 11 Jun 45.

1. Herewith stock state as at 12 Jun (on 31 May there was nothing in stock).
2. Owing to lack of space (231 Div Sub Depot is still occupying most of the space) the depot has not been able to function properly yet, and an accurate count of the articles has not been possible. The figures therefore are a bit "round".
3. Please note also:-
 - (a) One waggon is still expected from BARI. Its contents is not known sufficiently accurately to put in the "Dues in" column, but it is thought to contain mainly boots.
 - (b) The "anticipated requirements" are mere guesses as the Div is taking over new units from whom no indents have been received. This column should not be taken too seriously.

13 Jun 45

3. Please note also:-
 - (a) One wagon is still expected from BARI. Its contents is not known. sufficiently accurately to put in the "Dues in" column, but it is thought to contain mainly boots.
 - (b) The "anticipated requirements" are mere guesses as the Div is taking over new units from whom no indents have been received. This column should not be taken too seriously.
