1. Reference your AFHQ/9082/Q(AE) dated 9 Feb 45.
2. As far as items of medical supply are concerned, the Italians have sufficient stocks. Mosquito nets have never been an item of supply to the Italian Army and in consequence no stocks exist. There are quantities of such items as sprays and veils available and the War Ministry are investigating stocks.

2. The only mosquito nets issued to BR-ITIS last summer were those issued to the Nembo*Utile Divisions of C.I.L.
3. C.I.L. were then under command 5 Corps passing subsequently under command Polish Corps. It is suggested, therefore, that your enquiries might be addressed there, as it is certain that no mosquito nets have been withdrawn to BR-ITI Depots.
