1. The att documents were received at this HQ without covering letter and the purpose of sending them is not quite clear.
2. The A.F.H.1157 can be used to calculate the holdings of these personnel if they were Co-operators on 1 Jul 45 when all Co-operators were released from P.W. status and transferred to the Italian Army. MMIA will charge such clothing to the Italian Government on receipt of further information from you.
3. The purpose of the A.F.G.1033's is not known as the items in question certainly were not issued to H.Q. MMIA.
