SUBJECT : D.O.V. of WO and N.C.O. Clerks

Distribution 'R' British

1. With reference to W.O's and NCO clerks employed at Formation HQ's and senior clerks in RAOC Units.

2. The following message has been received from GHQ CTF:-

"It is obvious that numbers of reinforcement clerks sufficient to maintain even a reasonable standard of efficiency will not be made available ex UK in future. All are therefore warned that present holders of WO and NCO clerk appointments cannot be replaced from resources other than their own if allowed to proceed on release or Python.

Although existing training facilities will continue to produce clerks of low grade, only in exceptional circumstances can it be expected to find material suitable to assume supervisory appointments. GHQ are reluctantly compelled to accept necessity for immediate D.O.V. action in respect of WO clerks and NCO clerks in key appointments. Nevertheless these WO's and NCO's will only be D.O.V. in cases where replacements are impossible to find and always on an individual basis."

3. Applications for the DOV the above will be submitted to G-1 (Br) this HQ on Appendix 'A' to Release Instructions 1945.

Subject:- Ordnance Personnel on B.I.U.

To:- Col. " "

(a) Several verbal requests have been made by D.A.S.Cs. of B.I.U. to retain on the 'A' type B.I.U. an Ordnance Officer.

At present a W.O.1. is allowed, but it is felt that this arrangement is not satisfactory for the following reasons:

1. Both D.A.S.C. and R.S.M.E. are represented by a captain.
2. An R.A.S.C. Captain would be more in the picture and more readily accessible if living in the same Mess.
3. A Warrant Officer at his post can only act as an assistant to the D.A.S.C. thereby adding to the duties of this officer the full responsibilities of Ordnance.
4. The Italian Officers are more likely to accept advice given by an officer, and finally, all dealings with the Italian Army from a B.I.U. standpoint will be with officers.

(b) Regarding the type 'B' B.I.U. - No Ordnance personnel are catered for which strengthens the case for (a) above as the type 'B' are authorised to seek advice from the type 'A'.

(a) The language difficulty and absence of official Italian translations of vocabularies; Manuals; Parts lists; Equipment lists; Instructions etc.

(b) The administration and chain of command, services etc of RAC, ICF, are organised on Italian lines,

Ref. your Q/5/12 of 14 Mar/45.

Capt. JACKSON R.A.O.C. has been detailed for temporary duty to assist in the preparation of the Special Equipment Lists forwarded under cover of my letter Q/OS/20 of 9 March 1945.

In reply however to my letter to A.P.M.Q., Q/OS/20 of 25 March 1945, A.P.M.Q. states that they are not able to consider sending any additional Ordnance personnel as the preparation of the lists is the responsibility of the unit concerned and not of Ordnance, D.A.D.O.S. of the B.L.U. being available only to give advice as necessary.

TO : DOS, AFHQ.

1. AFHQ Q (AE) letters ref 6508/2 numbered 617 to 637 incl. dated 3 March 45 call for preparation of twenty-one proformas to form the basis of Special Equipment Lists for various sections of the Reinforcement Training Depot, Italian Combat Forces.

2. It will be appreciated that a considerable amount of work is involved if these proformas are to be accurately, fully and quickly completed. The DADOS and his Staff of the BLU attached to this Depot are fully occupied with their normal duties and unable to undertake this additional work. I am informed that, in response to a telephone request, an Ordnance Officer is being temporarily attached for one month for the purpose of collecting and assembling the necessary information. It is requested that in addition, a WO II or Senior NCO (Clerk) be similarly attached to assist the Ordnance Officer.
