Ref. conversation (Major Newton - Major Hepburn)

1. It is estimated that 3500 suits of Battledress (Green) complete, are required for Italian personnel of this Depot when the change-over from summer to winter clothing takes place. This figure is based on present strengths, and will be correct unless increased intakes are expected. *X See Slide Sk 12*

2. Personnel when discharged from the Italian Army at this Depot take with them :-

- 1 Blouse B.D. (Green)
- 1 Trousers B.D. (Green)
- 1 Shirt
- 1 Drawers
- 1 Vest
- 1 Socks, pair
- 1 Boots, pair
- 1 Cap
- 1 Handkerchiefs

This is the scale authorised by the Ministry of War.

Requests have frequently been made, particularly from personnel proceeding to Sardinia, to retain overcoats. It is felt, in view of the approach of colder weather, that this is not an unreasonable request. May we have your instructions please ?.

3. In connection with issues in para 2 above, stocks of Battledresses (Green) are running low, and it is estimated that

- 1100 Blouses B.D. (Green)
- 1000 Trousers B.D. (Green)

will be required very shortly to maintain issues to personnel due for discharge.

May this be put in hand urgently please ?.

In this connection the figures may appear somewhat high but have been increased in view of the possibility of further classes being demobilized before the stocks mentioned in para 1 arrive. The possibility of these further releases is mentioned in your A. 017 of 17th and 27th August 45.
