Ord.

The attached demand for Tyres and Tubes necessary for the "Legnano" Inf. Div., as at 4 Feb. 1946, are forwarded for your information.

It is pointed out that such requests from Infantry Divisions are sent to Territorial Command, who persist in forwarding them to the B.L.U., in spite of instructions to the contrary. It is realized of course that Terr. Comds are in no position to supply these items, whilst, as you see by the demand, the number of vehs off the road is seriously increasing.

Your remarks on the situation would be appreciated.
