Date: 8 July 1946

SUBJECT : Empty magazines for training purposes.

Ref conversation Lt.Col. OLIVETTI - Lt.Col. MEDLAM - Lt.Col. HEAD.

1. As it has been verbally stated, it would be very opportune, that each CAR may be in possession, for the initial training of the recruits, of empty magazines for rifles cal. 303 and empty magazines for Bren's.

2. It is pointed out that the Bren's should have been provided with their accessory boxes which contain also the spare magazines; however these boxes were not released together with the rifles allotted to CAR. As it has already previously been notified, CAR have not in many cases even received the tripods for the Bren's.

3. It is kindly requested to take into consideration the present request and authorised the issue of 1200 empty magazines for rifles cal. 303 (100 for each CAR, including 12 CAR Sardegna) and 144 empty magazines for Bren's (12 for each CAR.)

4. We make also present that the aforesaid magazines have to be assigned to CAR not later than 15-8-46.

1.- Come è già stato rappresentato verbalmente, sarebbe quanto mai opportuno che ciascun C.A.R. potesse disporre per il primo addestramento delle reclute di caricatori vuoti per fucili calibro 303 e per fucili mitragliatori Bren.-

2.- E' vero che i fucili mitragliatori Bren dovrebbero essere muniti delle cassette accessori in cui sono contenuti anche i caricatori di ricambio; purtroppo però le predette cassette non sono state cedute insieme alle armi destinate ai C.A.R. i quali, inoltre, come già rappresentato altra volta, non hanno, in gran parte, ricevuto nemmeno i bipiedi per i fucili mitragliatori Bren.-

3.- Si prega di voler prendere intanto in considerazione la presente richiesta e di voler autorizzare la cessione di 1200 caricatori vuoti per fucile cal.303 (100 per C.A.R. compreso l'istituendo 12° C.A.R. della Sardegna) e 144 caricatori vuoti per fucile mitragliatore Bren (12 per C.A.R.).-

1. Herewith copies of Equipment Lists of C.A.R.'s received from 9 and 7 B.L.U.'s.

2. Your letter OSD/28/1 dated 14 May 1946 has not been received at this H.Q., nor have any signals you sent to the B.L.U.'s requesting such information, been received here.

3. A copy of this H.Q. signal Trg/162 of 23 April was sent to 10 B.L.U.

1. Can you please take up with Signals the fact that the corporal they supplied for the collection of Signal Stores returned to Rome without my knowledge.

2. So far as I know all arrangements had been made to commence collection of these stores last Thursday. The Italian Lieutenant came in to-day stating that the corporal had left on the Thursday and the stores would not be ready for another week at least.

3. In view of the fact that these Italians had already been away from their unit for over a week without change of clothing I have given them permission to return to the school and await further orders.

4. I am unable to contact the B.O.D. by phone and no vehicle is available for 24 hours but will go down and see what the delay is on Wednesday and advise you of later collection date.

Have visited BOD return of Italians. Cancelled Stores ready for collection immediately.
