1. The strength of the 19th Coy now amounts to 7 Officers and 157 O.R's and until a further 100 O.R's are received it will be impossible to move the Coy forward for employment on Railway rehabilitation.
2. Our screening Officer at Trani has reported that he has had 120 suitable men ready to join the unit since 17 Apr 45 and it is strongly urged that you agree to the use of these men to complete the formation of the 19th Coy which has already been delayed unduly.
3. If it is not possible to complete the formation soon it may be necessary to use the personnel now held as reinforcements for the existing Coys where they will be usefully employed rather than retain them as/unemployable part-formed unit in Rome.
