The O.C. 510 It. Cd. Bn. is being continually pressed and instructed by Vice H.Q. 227 Div. and Territorial H.Q., Bari, to detail Officers and OR's for courses and to transfer Offns and NCO's.

As this Unit is still under op. cmd. I have informed the O.C. that Officers and men cannot be spared to attend courses. I have no objection to the transfer of Officers and NCO's but unless these are surplus to W.E. they must be replaced prior to their withdrawal.

In view of the fact that the O.C. 510 Bn. has been so instructed by me in order that he may carry out his operational role will you please notify his superior authority accordingly as the latter are taking umbrage at his attitude.

n.Oi/1915 di prot.

P.M. 179,11 8 giugno 1945

OGGETTO: complementi per 6° reggimento Guardie.=

ALLO STATO MAGGIORE R.E.
Ufficio Ord. e Mob.

P.M. 3800

In data 26 scorso mese questo Comando, con fono n.Oi/1806 ha richiesto l'assegnazione di 300 complementi per il dipendente 6° Reggimento Guardie in sostituzione di altrettanti congedanti.-

Non è ancora pervenuta alcuna notizia in merito a detta assegnazione.

Prego codesto S.M. voler provvedere affinché detti complementi giungano al più presto presso questa Divisione poichè in questo periodo i servizi richiesti dal Comando 5° Armata al 6° Reggimento Guardie subiscono ogni giorno un aumento.- Quasi ovunque la M.P. Americana è stata sostituita da elementi di detto Reggimento, i quali pur prodigandosi nel servizio con uno zelo ed un entusiasmo superiori ad ogni elogio, hanno bisogno delle necessarie ore di riposo, che attualmente sono minime.

Inoltre prego codesto S.M. voler dare disposizioni affinché i complementi vengano avviati a questa Divisione con l'uniforme in ordine poichè nessuna possibilità ha questo Comando di provvedere successivamente.

Infine mi permetto ancora rappresentare che detti complementi saranno tenuti a disimpegnare servizi delicati e necessari che essi siano fisicamente ed intellettualmente scelti. E' il prestigio del nuovo esercito italiano che, diversamente, ne verrebbe compromesso.-

OGGETTO: Congedamenti, -

Nel trasmettere in copia il fogliogramma n. 01/3969/Ord. odierno del Comando 227° Divisione, che dispone il congedamento dei militari delle classi 1° quadrimestre 1914 e più anziane, previ accordi con Comandi Alleati, faccio noto che degli 855 militari del Battaglione, ben 551 hanno diritto al "congedo" mentre altri 250 debbono essere inviati in licenze di 30-45 o 60 giorni perchè reduci dalla prigionia.

Si prega pertanto voler cortesemente chiedere al Comando della 56° Area, la diminuzione dei servizi ad evitare che possa accadere quanto da me lamentato con foglio n. 845/Ris. del 17 corrente.

La richiesta ha carattere urgentissimo.

OSSERVATO: Congedamenti.

Prego far presente al Comando della 56° Area che, le disposizioni ministeriali concernenti l'invio in congedo dei militari appartenenti al 1° quadrimestre 1914 e alle classi più anziane, e più ancora le notizie oggi diffuse dalla radio e dai giornali sullo spostamento della linea di demarcazione sino a 25 Km. delle frontiere alpine, hanno inciso in modo deleterio sull'animo della truppa che fremo dall'angia di tornare alle proprie case, dopo tanti anni di assenza.

Sino ad oggi si è combattute queste sensazioni di nostalgia che abbatte i caratteri più forti e si è riusciti ad assicurarne i servizi richiesti mediante miracoli di buona volontà da parte degli Ufficiali tutti.

Ma passano i giorni; militari di innumerevoli altri Reparti vengono quotidianamente restituiti alla vita civile; circolari su circolari continuano ad essere emanate; le linee di demarcazione continuano a spostarsi verso il Nord, senza che questo Battaglione riesca a collocare in congedo neanche i militari dei distretti toscani.

La disciplina, l'attaccamento agli Ufficiali, un passato militare lodevole, non bastano ormai a tenere a freno una massa di 600 uomini delle classi 1905 - 1914 che sono ormai assillati dal desiderio di riabbracciare i propri cari.

Sembra pertanto inevitabile che da un momento all'altro la resistenza di questi uomini debba crollare, distruggendo il paziente lavoro di costruzione operato dagli Ufficiali.

E' bene dunque che il Comando della 56° Area sappia che questo Comando, potrà trovarsi da un momento all'altro nella

1. Frequent cases are now being reported of Italian Train Guards personnel deserting or being A.F.O.I.
2. On the 18/19 May 45, 510 It. Gd. Bn. lost 36 men at ROMA. Train Guards from BORI are also absconding themselves after handing over trains to POWIA static guard.
3. On the 15 May 45, No. 1 Coy 525 It. Gd. Bn. arrived BORDO with 60 men remaining out of their complement 152. None of these absconders has returned up to the present time. In consequence of this No. 4 Coy 510 It. Gd. Bn. could not hand over its commitments as instructed in my R/6/294 of 7 May 45.
4. Minor cases of men going absent in order to rejoin their families were reported earlier in the month by the 510 It. Gd. Bn. and application was made for replacements to allow for the opening of leave.
5. As the situation is likely to become critical, it is imperative that reinforcements should immediately be posted to enable train guard duties to be maintained.

1. GENERAL

Generale RICCA arrived this morning at lunchtime, having paid a visit to 503 Bn. Consequently, before his arrival, I was able to assemble all available data concerning deficiencies in personnel, arms and amn, clothing and eqpt; furthermore, I was able to calculate the exact requirements of this Regt on the basis of what had already been agreed. With one exception (*) my figures were accepted and it was agreed that, irrespective of previous demands, complete lists of requirements would be submitted immediately to 231 Div.

In all fairness to Regt and Div it must be added that all the Regt's deficiencies had already been requested to Div who in turn had made appropriate demands on MMIA.

* The only exception was that of the 42 "meno-atti" who were to be sent home. It was brought to light that only 20 of these are eligible to be discharged, by reason of their age-groups.

However, another 64 ORs and 1 Oftr, belonging to the category "limitatamente idonei" (sort of Cat. "B") will be sent home because they fall within old age-groups in addition to being of an inferior medical category. One or two of these have their homes in Northern Italy, but as they have been promised work in Allied Occupied Territory, the regulation permits their temporary discharge.

Authority has been granted for the 20 "meno-atti" to be sent home without delay and it is hoped that the same will be granted for the 64 "limitatamente idonei".

Ref visit of Brigadier MATTIOLI on 9 Apr 45.

1. Arms and ammunition

The attached copy of 231 (Italian) Division letter 742/conv. di prot. dated 13 March is forwarded for information, from which it will be seen that the requirements of 1 Guard Regt were demanded on that date.

The 200 rifles requested by Brigadier MATTIOLI to arm reinforcements became required after the date of the above letter.

It is assumed that the immediate issue of 48 rifles and 48 x 45 mm. mortars will be counted against the above demand.

2. Personnel

At a meeting held at HQ 231 Italian Division on 12 Apr 1945, it was explained that deficiencies in personnel of 1 Guard Regt were previously submitted by 231 Div, but when this formation changed from III-III to IIII establishment the deficiencies were omitted from the III-III Fortnightly return, and will now be included in the demand for IIII reinforcements.

The whole question is being re-examined by the Deputy Comd 231 Div on 13 April, with special reference to "Permanently unfit", and a consolidated return of deficiencies in personnel against establishment will be rendered as soon as possible.
