To: Land Forces Sub Comm.

Depot, GRVITC
Ref. BI/15/139.
25 Aug. 45.

Personnel from US-ITI sources have arrived ~~here~~ on 20th. and 21st. Aug. at this Depot from Leghorn. They are stated to come from the companies shown on the attached Memorandum and the name of the Commanding Officer is given in each case. These personnel arrived without the normal "Bassa di Passagio" giving details of Pay and Clothing and administration is difficult until their previous records are known.

The Memorandum suggests that the Commanding Officers come to this Depot but this may not be necessary.

Could you take action in this respect please.
