Confirming telephone conversation BRADLEY - DOBBS.

1. Lt/Col ROCHOWANSKY, SMRE, telephoned Major DOBBS on Saturday, 30 Sept, stating that it was not possible to make up the draft of 500 reinforcements due to leave RAVISCANIFA in the period 1 - 6 Oct for TUNIS via serial 13 of A 1290 of 20 September.
2. In order to help empty CESARO it was therefore decided to make up the draft from INTC, movement to take place by rail in the same period.
3. Lt/Col ROCHOWANSKY phoned Major DOBBS again on Monday 1 Oct, stating that it would be difficult to have the draft ready in the period 1 - 6 Oct owing to the short time left and difficulties of providing IT4-IT1 clothing. He was told that the rail transport already laid on could not be cancelled, and the draft should be prepared.
4. On Tuesday Oct 2, Maj DOBBS confirmed to Lt/Col ROCHOWANSKY that the rail transport would be arranged for Oct 5. The report then came through Movements channels that the British authorities at CESARO had agreed to postpone the move to the following week.

It proved to be absolutely impossible to cram all the reinforcements that were due to depart into this train, although approximately 110 soldiers were put into the Italian type wagons and approximately 90 into each of the large German type. 80 soldiers who could not be accommodated on the train had to be sent by vehicle to Rome, where a further 4 wagons were put on the train at the Stazione Toscolana.

It is suggested that further action be taken to ensure that sufficient
