1. 500 Guard Bn have, in the last few days, completed delivery by road of 3000 lbs of 315 re-inforcements assigned them by the War Ministry in a letter dated 26 May and 4 1945 dated 17 May 45.

2. The present strength of the Bn is now 775 all ranks.

2500/Ad
30 Jan

3. Of the 315 new re-inforcements an estimated 70% are eligible under a recently published War Ministry circular, for agricultural leave. 50% of the remainder of the Bn are also eligible. If this leave, to which it is presumed eligible persons are entitled, is granted, it will have a serious effect on the ability of the Bn to carry out its task.

2576

4. It is requested instructions regarding these men may be given.

5. In addition to the above there will remain in the Bn 150 persons but for discharge on grounds of age and 152 ex-GR eligible for 60 days leave. May, therefore, a further 300 re-inforcements be allocated to 500 Gd Bn as soon as possible.
