LAND FORCES SUB COM. A.C.
(M.M.I.A.)27 A/161
March 45

TO : All Concerned.

1. The object of this letter is to detail the method by which personnel will be provided for the ER-ITI units on AFHQ's Priority List 8.

2. With the exceptions mentioned in para 3, the method will be the same as that employed for the provision of ordinary reinforcements, i.e. direct contact between the Italian Administrative Division and the appropriate Reinforcements Depot. It is requested that action be taken as follows:-

(a) Supervisory Authorities detailed in Column "H" of Priority List 8 are requested to inform all concerned of the location where units are to be assembled, and to instruct the Italian Administrative division in accordance with sub-para (b) below.

(b) Administrative Divisions responsible for assembling personnel will inform the depot from which they normally draw reinforcements (vide MMIA SD/42 of 14 February) of the personnel by arm of the service, ranks and trades required to form or complete units. As soon as the Administrative Division receives any personnel for a given unit it will begin to show that unit on its returns.

(c) Reinforcement Depots will despatch personnel in accordance with the above requests to the limit of their capacity. First priority however, will be given to bringing existing units up to W.E. strength. Drafts sent out for the formation of new units will be treated on returns in exactly the same way as ordinary reinforcements. When a Depot cannot supply the personnel requested it will inform the Italian War Ministry (S.A.R.E.), copy to the British
