Subject: Sardinian military personnel to be discharged from the Army

MMIA has authorized the discharge from the army of classes 1918 and 1919 with effect from October 15th and November 1st respectively.

Hence the problem of aspeedy transport to Sardinia of the Sardinian military personnel belonging to a/m classes and who are on the strength of units located on the mainland.

These personnel can be transported to the island on the SS Abbazia and Campidoglio and on light War Navy craft as arranged by MMIA, but the number of places allotted is inferior to requirements.

It is necessary to transport ^{discharged personnel} to the island in the shortest possible time in order to safeguard the moral and material value of these measures and avoid critical and delicate disciplinary situations.

Therefore we beg MMIA kindly to put at the disposal of this Ministry the necessary transport means- as ~~PA~~ has already been done when 1916 and 1917 classes were discharged.

It would be advisable- in view of the difficulties to be met in telephone and telegraph communications and transport and in order to make full use of a/m means- to let us know at least 15 days in advance when these means will be available.

We wait for your ~~KXM~~ answer.

 LA SOTTOCOMMISSIONE PER LE FORZE TERRESTRI IN
 DELLA COMMISSIONE ALLEATA (M.M.I.A.-A.A.)

e, per conoscenza:

ALLO STATO MAGGIORE E.S. - Uff. Trasporti

TR	14.30
Dato	9/10
H.C.M.A.	1600
TUT	19/10

Codesta Sottocommissione ha in questi giorni autorizzato il congedamento delle classi 1948 e 1949, sotto la data - rispettivamente - del 15 ottobre e del 1° novembre p.v.-

Si rappresenta, quindi, nuovamente il problema del sollecito trasporto in Sardegna dei militari esati che appartengono alle classi prefette e che sono in forza a reparti dislocati in Continente.-

Il loro avviamento nell'Isola non potrà essere assicurato - salvo che in minima parte - con i posti assegnati da codesta Sottocommissione sui piroscafi "Abbaglia" e "Campioglio" e sui mezzi leggeri della Marina da guerra.-

Per contro è assolutamente necessario - se si vuole che il provvedimento ora concesso non perda il suo valore morale e materiale e se si intende evitare il verificarsi di situazioni disciplinari critiche e delicate - assicurare nel più breve tempo il trasloco totale, nell'Isola, dei militari congedandi.-

Si rappresenta, pertanto, la questione affinché codesta Sottocommissione voglia cortesemente disporre perché - come già è stato fatto in occasione del congedamento delle classi 1947 - venga messa a disposizione di questo Ministero - via straordinaria - i mezzi di trasporto necessari.-

3156

.../...

- 2 -

Sarebbe desiderabile - allo scopo di poter sfruttare sp-
piano tali mezzi, ed in considerazione anche delle difficoltà
che tuttora si incontrano nelle comunicazioni telegrafiche,
telefoniche e nei trasporti - che le date in cui i mezzi pre-
detti potranno essere disponibili vengano fatte conoscere a
questo Ministero con conveniente anticipo (almeno 15 giorni).

Si resta in attesa di cortese, urgente riscontro.-

In order to have moved to Sardinia more than 200 Sardinian military personnel on discharge stopped in Sicily and in order to avoid these people to be sent by rail to NAPLES where they could not be embarked on the S/Ss ABBAZIA and CAMPIDOGGIO, all the available places being already assigned, this office has made a request to MARINA-GABINETTO for allotment of a light vessel for one extraordinary voyage from PALERMO to CAGLIARI. We ask therefore MMIA if they would, please, give authority for allotment of the requested vessel.

For Information of M.M.I.A.

Further to and in completion of War Ministry (Cabinet) signal N.218600/II dated 8/7/45 dealing with travel regulations for Italian military personnel from and to Sardinia. Assignment and distribution of places on ships doing the service between the mainland and the island, as mentioned in the forsaidd dispatch, remain unchanged and in full effect. To facilitate the departure of military personnel going to Sardinia on leave of any type or for discharge or on duty (excluding repatriated p.o.w.'s discharged) special journeys will be carried out from Naples by light naval war unit. Territorial H.Q.'s and H.Q.'s to whom this letter is addressed will send to Naples military personnel under command in the quantity and on the date as mentioned hereafter: 24th August Naples Ter.H.Q.'s: 100; 29th August Rome Ter.H.Q.'s: 100; 4th September Palermo Ter.H.Q.'s: 100; 10th September Milano Ter.H.Q.'s: 100; 15th September Bologna Ter.H.Q.'s: 100; 22nd September Florence and Bari Ter.H.Q.'s: 50 each; 28th September Genoa and Bolzano Ter.H.Q.'s: 50 each; 4th October Torino and Udine Ter.H.Q.'s 50 each; 10th October S.C.A.A. and Finance G.H.Q.'s: 50 each. We allot to Sardinia H.Q.'s for each return journey 20 places for military personnel travelling from the island to the mainland. Further instructions concerning time of journeys for the month of October and following months both by civil steamers and war ships will be notified. Military personnel to whom authorisation mentioned in this letter has been granted must have on travel order or leave pass or on discharge certificate the regular stamp of the Ter.H.Q.'s concerned and the following "authorised to travel on ships of the war navy leaving from Naples..." dating it a day after the time fixed for reporting to A/M town. It is strictly forbidden to send to Naples military personnel exceeding the established number or on dates different from those fixed with letter N.218600/II of this M.O.F. and with this letter. Ter. H.Q.'s to whom this letter is addressed will arrange accordingly and take severe disciplinary action against units not complying with instructions. Naples Ter.H.Q.'s will report by signal any inconvenience eventually occurring and will at the same time order return to the parent units of those military who do not comply with A/M orders.
