55 Italian Transit Camp

1. MTA in their A 180/1 of 8 Aug 45 recommended the move of 55 Italian Transit Camp, of which one det. is at CAMPOCORSE and another in FORLI ~~VIA~~ to BOLOGNA.

2. This move would appear necessary as there are no Italian Transit facilities in BOLOGNA at present and a fair number of Italians passing through that town.

3. 217 Area's agreement to the move was only received today, too late for this H.Q. to order the move. The matter is therefore passed to you for finalisation.

1. It is understood from MMIA LO's that neither the detachment of 58 Transit Camp at Campocroce nor the one at FORLI is required any longer in its present location. On the other hand it is considered that a Transit Camp is required in BOLOGNA, or in that area, from where both 305 Transit Camp and a detachment of 58 Transit Camp are now being moved (vide AFHQ FX 30259 Cite FRGOT of 1 Aug.).

2. It is suggested, therefore that you should arrange with XIII Corps for the detachment of 58 Transit Camp now at Campocroce to move to the BOLOGNA area. The FORLI detachment could perhaps be placed at the disposal of 230 Div which has at present no Transit Camp.

Reference AFHQ G1(Br)1116/A1 (Ser 2420) dated 9 Jun 45.

1. The present need for an Italian Transit Camp at NAPLES is not very great and a detachment of the staff from 803 Italian BIR is adequate for the purpose.
2. On closing down of 803 BIR, however, the Transit Commitment at NAPLES will be greatly increased and the 807 Transit Camp will definitely be required.
3. As the Depot and Camp are therefore not actively required at the same time, it is requested that WB CM/599/1 for 807 Transit Camp is not implemented as far as the posting of personnel but that suitable personnel of 803 BIR are earmarked for posting when this Depot closes.

Translation.

From: M. of W.

To: MILA.

Ref: 1366 Ord/1.

23/5/45.

A18571

Subject: Gagliari Independent Reinforcement Coy.

As is known, in compliance with MILA instructions, when the reasons for which troops are placed on the "absent strength" cease to exist, they must be posted to the reinforcement Centres of:-

Cesano ; Those to be sent to the Combat Groups.
 Frusinone ; Those to be sent to the ITI-ITI Units.
 Orvieto ; Those to be sent to BR-ITI Units.
 Astroni ; Those to be sent to US-ITI units.
 Treni ; Those to be sent to Labour and Service Units.

(911)

Regarding the carrying out of the above orders, in respect of troops on "Absent strength" residing in Sardinia, we point out the following:-

1) The posting to the reception Centres will be carried out according to the availability of shipping space, and will necessitate a stay of varying duration on the island for troops being posted.

2) During their stay, it will be necessary that the troops are formed up, and looked after from a welfare point of view.

3) On completion of the "recall" now in course, for many reasons there will still be many of the "recalls" absent, who will in due course be recovered and sent to the mainland.

As it does not appear convenient to put the a/m military in an established unit of the "Calabria Div.," we suggest to the MILA that the Independent Reinforcement Coy of Gagliari be kept in being as four platoons, ~~as a detachment of~~ the reception Centres of Afragola, Astroni, Frusinone, and Cesano, (Food rations to be put on the charge of each single B&A Camp.
