Ref your A 014 dated 11 Oct 45.

1. I observe in para 3 of your letter a proposal to allot 400 reinforcements to CREMONA Div during the next three weeks.
2. Although you state that the schedule in your letter is for planning purposes, I am writing to ask you to make sure that these 400 men are not sent to CREMONA Div. The 1600 reinforcements already supplied are the maximum that we can cope with for the time being. Even the acceptance of these 1600 was intended to be conditional on the provision of additional officers, whereas in fact, the men have been despatched and we have no notification of any officer reinforcements.
3. Will you kindly do all in your power to send CREMONA Div officer reinforcements.
