Ref your letter No: A.F.S.C./911/1/P.4, dated 12 Nov. 46
and attached correspondence.

1. This HQ is at a complete loss to understand upon what your presumption is based since the attached correspondence distinctly states not only that the personnel concerned are Italian Cooperators of RAF companies but even goes so far as to list the actual definite units (all Italian RAF Companies) to which the men belonged.

2. If you can furnish us with some definite details or particulars upon which we can work and which will give us some idea of the reasons for your presuming them to be Army personnel (especially in view of the fact that two of the men are given as AGI - which is not an Army rank) we will endeavour to pursue the matter.

Reference your telephone conversation of even date, re the recalling of the above Italian W.O. If this is brought into effect his going will seriously handicap the efficiency and smooth running of this Unit as I employ over 200 Italians and have to rely on them for practically everything.

Maresciallo Calderara is the best Italian soldier I have ever met, his efficiency, and extreme conscientious manner in which he carries out his duty is equalled to any British Sen N.C.O., his energy is boundless, and orders are obeyed with the utmost speed while his handling of the Italian workers is beyond the highest praise.

He is carrying out the duties of Chief Foreman and his help and hard work has contributed greatly to the success of this Unit.

I would greatly appreciate if pressure could be brought to bear that he stays with this Unit as his loss would be felt very seriously, especially as I lose my last Cpl. storeman on release in two weeks.

1. This case was brought to the notice of the S.C.S. this mission, (Brigadier A.W. Wynn DSO) whilst he was visiting units recently. To his enquiries, the Visa Dept of the British Embassy stated that application was made to the Egyptian Government on 14th October 45 but no reply has been received.

A further reminder has been sent.

2. It appears probable, therefore, that if a favourable reply is given to our A 221 of 3 July, copy to you, resulting in the release of Cap. Magg. COSTARELLI from Military Service, further difficulties to his visit to Egypt may arise from the Egyptian end.

3. It might therefore speed up the repatriation if a further application were made to the Egyptian Government from Egypt.
