Subject:- Lieut LONGO-Italian Army-O.C., MILAN D.I.D.-
(III Magazz. Viveri) - Confidential Report.

1. This HQ has received a very favourable report on the capabilities and efficiency of the a/n officer from 3 B.L.U., stating that it is considered that he is well qualified for and deserving of promotion to the rank of Captain.

2. It appears that Lieut. LONGO is most anxious to obtain a Regular commission. It is not known to this HQ whether he is eligible under such regulations governing the grant of Regular commissions at the present time, but, if it should be possible for him to be considered for such a commission, this HQ is prepared to recommend him very strongly.

3. We have been informed that, in spite of some disappointment on the part of this officer at his lack of success to date in being considered for a Regular commission and at not being promoted above his present rank in spite of efficient service, he has not allowed this in any way to interfere with the quality of his work - a very sound and praiseworthy attitude indeed.

Dear Sir,

I have been approached both by Major Ge' and Major Pacifico in the interest of Lieut LONGO.

As you know, Lieut Longo is the OC of the Milan D.I.D. (III Magazz. Viveri) and the fact that this D.I.D. is a "show place" praised by every visiting officer, is entirely due to the painstaking work and enthusiasm of Longo. Let me remain a Lieutenant. Major's Ge' and Pacifico consider this to be wrong to the point of gross injustice and have earnestly requested my assistance in obtaining his promotion to Captain. Personally I couldn't agree with them more, and feel that I would be failing in my duty if I did not give them whatever assistance that is within my power.

It appears that, apart from his work in Milan, Longo has an excellent war record and was first recommended for promotion to captain in the regular army as long ago as April 1941; this was for outstanding service. But due to the peculiar terms of his service (he is not a regular but desires to be) his promotion was not granted. The same thing happened recently when Lieut Longo's name along with others was put before what I can only describe as a "selection board".

Ge', Pacifico and myself feel he is such an outstanding officer, that it would be in the interest of the Army to suspend whatever routine impediments there are against his promotion, and grant him a regular captaincy on the grounds of very exceptional merit.

Major Ge' has explored all the local channels plus the war office, and I myself, had a chat with the Chief of Staff about Longo. We found much sympathy but little action. The popular opinion is that nothing can be achieved from local levels.

I therefore beg to enquire Sir, whether or not you could take Longo's case up at the highest level. Ge' says nothing lower than the cabinet could help Longo, but personally I think Ge' was feeling despondent when he said that.

Incidentally, Longo himself is feeling pretty low at the moment, set back to his ambition. He has not however, allowed this to interfere in the slightest way with the quality of his work.

Trusting that you and your family continue well, I have the honour

1. We have been asked by GHQ, CMF to approach your Ministry for the provision of an Italian Officer for the appointment of interpreter with 32 Military Prison & Detention Barracks (War Criminals Wing), ROME. It was suggested that an officer might be made available from one of the distanding BLUs.
2. The name of Lt. FRANCHINI Marcello, from 7 BLU is put forward for your approval and sanction as this officer can also speak German, which is essential for this appointment, and he has now finished his normal duties with 7 BLU, also, being at FLORENCE, he could come to ROME at short notice.
3. As it is most essential for a suitable officer to be found to fill this appointment urgently, it is hoped that you will see your way to agreeing to this request. If so, would you please issue the necessary orders and inform this HQ, so that we can inform GHQ.

Reference is made to your G-5:960.3 of 14 January 1947, subject as above.

1. Colonel SARTORI reached the age in grade for compulsory retirement by operation of law on 5 October 1946. PBS at that time asked that he be retained. LFSC has consistently urged the Ministry of War to apply retirement laws and regulation rigidly in order effectively to reduce the overlarge officer strength. It was therefore most reluctant to ask that exception be made. Nevertheless request was made that Col. SARTORI be retained for a period of 60 days. The War Ministry, after pointing out the adverse effect this would have on other officers of the same category, reluctantly acceded.
2. On the expiration of the 60 days the Ministry of War asked LFSC for authority to release Col. SARTORI stating that his retention beyond the age limit had given rise to unfavorable comment and allegations of discrimination and favoritism and had caused embarrassment to the Ministry.
3. LFSC replied that it would not make any further request for his retention and that the War Ministry therefore was free to make such disposition as it desired.
4. While LFSC has appreciated the position of PBS in the matter it does not feel justified in the circumstances in advising the War Ministry on the one hand to apply retirement procedures strictly and without favor and on the other hand to make exceptions for its convenience unless the Supreme Allied Commander considers this case of sufficient importance to warrant such action.

However, in view of the new duties which the P.B.S. Command has the intention of entrusting to the 6th Bn Group, we think it opportune to assign a new commandant to that unit. This is more than necessary as colonels are being released regardless of distinction as soon as they have reached the age limits and the retention of Col SARTORI, already on the Reserve, would give rise to inopportune comments.

Secondo il desiderio di codesta Missione fu temporaneamente disposto il trattenimento in servizio dell'ufficiale.

Ora però, in considerazione dei nuovi compiti che il Comando P.B.S. ha intendimento di affidare al personale del 6° Gruppo Battaglioni, si riterrebbe conveniente provvedere all'assegnazione del nuovo comandante a quel reparto. Ciò è tanto più necessario in quanto i colonnelli vengono senza distinzione alcuna collocati in congedo appena raggiunti dai limiti di età e il trattenere ancora in servizio il col. SUBJECT : Recommendation - Italian Officer.

I understand that Lt. CATALANO Pietro son of Francesco and Clara Vigna, born at TORINO in 1921, is applying for a regular commission in the Italian Army.

This officer was taken prisoner at MESSINA in Aug 1943 and released in October 1943 to collaborate with the Allies. I am informed by British Officers under whom he has served that he has shown himself to be very intelligent, able and co-operative at all times.

When considering his case I should be grateful if you would bear in mind this my recommendation that he be granted a regular commission with, if possible, the rank of Lieutenant.

Further to this HQ letter of even ref dated 4 Oct 46.

1. Ten. Zimich is due for one months' leave which he is desirous of completing before 31 Dec 46 as it will otherwise be forfeited. He further expects to be demobilized very early in 1947.
2. It would therefore be appreciated if you would hasten the matter of a replacement officer from the War Ministry Pool of LO's.
3. It is proposed that the time before Ten. Zimich's leave and the subsequent period before his release be employed in a thorough hand-over with his replacement.

This job has been ordered by the O.C. British Troops Malta.

It is necessary that a responsible man be available to guide the troops, because the Mountain has many dangers for novices.

Troops are coming on leave from the Mediterranean and Africa, and the R.A.F. C.A.F. believes this to be important to give all the facilitations to the soldiers on leave.

The most important sports here are climbing and the skiing when the snow is in good condition, and the only fellows able to organize such sports are 2/Lt.POLARCO and his Adjutant.

Subject: Italian soldiers on duty on the top of Etna.

To : 11 B.L.U.

Last winter this H.Q. of S.I. Regt. "Sabauda" at Catania arranged a Ski-School on the top of the Vulcan Etna, appointing some It. soldiers as follows:

2nd Lt. Polacco Avito;  
Serg.Magg. Signorelli Domenico  
Pte Berta Floringo.

Meantime there was, at the disposal of the R.A.P. one officer, one NCO, and a corporal of It.Alpini.

When the Alpini left the site the R.A.P. Officer - who was still directing the Rest Camp of the Etna Hotel, asked the three Italian soldiers to remain at his disposition as guides.

2/Lt. Polacco agreed at once to the proposal and informed his Regt. O.C. who afterwards considered the fact as a normal example of duty and gave his approval.

Now, it is necessary that these soldiers who have been from their Unit 6 months, should return to their Regt. if possible, as officers and NCOs are needed in the Italian Units, owing to many being sent to the Training Camp of Cesano (Rome).

We then beg S.Com. to request the responsible allied H.Q. in order to obtain the return of the soldiers to their Units.

1. The Italian Air Ministry have requested that the a/n officer, who is at present employed as Liaison Officer with the R.A.F. at BARI Airport, be replaced by an Italian Air Force Officer as they consider that it would be more satisfactory that an Air Force Officer should hold this appointment.
2. If you agree, could you please arrange for Capt LATTAZZI to vacate his present appointment, when he will of course be at your disposal.

CAPTAIN LATTANZI - ITALIAN ARMY

A request has been received from the Italian Air Ministry for the return of the above-mentioned Captain, now serving with the R.A.F. at Bari Airport, to the Italian Army due to misbehaviour on the part of this Officer.

Capt. LATTANZI is employed as Liaison Officer at Bari, and the fact that he is an Army Captain who supervises an Italian Air Force Company is considered unsatisfactory. It would therefore be appreciated if your office would facilitate his transfer.

Capt. Lattanzi would be replaced by an Italian Air Force Officer.
