Subject 2Lt.PACE ROTHSCHILD Gaspare son of Giuseppe.

Urgent enquiries have been made to this ministry in order to find out what has become of the a/n officer who has not been heard of since 20/6/44.

According to his family, 2Lt.PACE should have reported between the I6 and 20/6/44 to the Allied Military HQ at Camilluccia with whom he should have made a contract to take part in the war of liberation.

Due to this contract he should have at once left for the North and there carried out the duties of parachutist and radio operator for the Allies.

Being a particularly pitiful case, we would be grateful to you if you would order every possible enquiry to be made or carry out investigations in order to discover what has become of the officer communicating with this ministry as soon as possible.

Capt.MARCUCCI belonging to the Secret Police Military HQ in Via Messina - Rome, appears to know some details concerning this.

Sono state rivolte a questo Ministero vive premure per conoscere la sorte toccata all'ufficiale nominato in oggetto che dal 20/6/944 non ha dato più notizie di sè.

Secondo versione dei familiari, il sottotenente PACE si sarebbe presentato fra il 16 e 20/6/944 al Comando Militare Alleato della Camilluccia col quale avrebbe stipulato regolare contratto per la partecipazione alla guerra di liberazione.

Per effetto di tale contratto egli sarebbe subito partito per il Nord e là avrebbe disimpegnato le funzioni di marconista e paracadutista al servizio degli Alleati. 4424

Stante il caso particolarmente pietoso, si sarà grati a codesto Ufficio se vorrà disporre ogni possibile ricerca dell'ufficiale o esperire indagini per conoscere la sorte a lui toccata dandone comunicazione a questo Ministero con cortese urgenza.

Il capitano MARCUCCI del Comando Militare della polizia segreta alleata di Via Messina - Roma, sembra conosca qualche particolare in proposito.-

2. For your information these men became surplus to British Army requirements in June 1945 and their discharge instructions, laid down by GHQ, CMF, specifically stated that they had no repatriation rights whatsoever and were to be discharged in the country of their enlistment, i.e. French territories in North Africa. Accordingly it is pointed out that the return of these Spanish Nationals to Italy is purely a matter for the Italian Authorities and that the cost of the journey North Africa-Italy will not be borne by the British Authorities nor may these men be regarded as British Service personnel, although they are now ex-British Army personnel. Similar information has been conveyed to the British Military Authorities and British Consuls in North Africa.

1. Reference your A/216 dated 28 Dec 45, received in this office 7 Jan 46.

2. Attached hereto is a list of the addresses of the personnel enumerated by you. Will you please note that the list forwarded by you did not include letters (g), (j) and (k)?

3. The Spanish Nationals in question were enlisted into the British Army in Tunisia, Algeria and French Morocco and became surplus to British Army requirements in June 1945. The War Office authorised their immediate discharge from His Majesty's Forces under Release Regulations 1945 para 327. Discharge instructions issued by War Office and G.H.Q., C.M.F. specifically stated that these men had no repatriation rights whatsoever and that they were to be discharged in the country of their enlistment, i.e. French territories in North Africa. It will be observed from the attached list that all these men, with the exception of one deserter and one man who cannot be identified from the particulars quoted, have now been so discharged and that they are now residing in North Africa.

4. The Italian authorities should clearly understand that the return of these Spanish Nationals to Italy is purely a matter to be arranged between themselves and that cost of journey North Africa-Italy will not be borne by the British authorities, nor may these men be regarded as British Service personnel although they are now ex-British Army personnel.

5. Albert Nadales-Dencas (listed by you at (a) as Albert Madales) deserted from HM Forces in order to avoid compulsory troop movement to Algeria for discharge from the British Army. It is considered probable that the Italian authorities could contact this British Army deserter through the Cardinal of Naples.

SUBJECT: Reconstruction of the happenings at Cefalonia in September 1943.End of the commander of the "Acqui" Division.

The family of General Antonio GANDIN,commander of the "Acqui" Division,asks to be informed of the exact fate which befell the said General in September 1943 in Cefalonia.

This Ministry,not having been able to entrust this task to the known military mission which should have gone to Cefalonia,can only turn to M.M.I.A. to comply with the justified request of the above mentioned family.

The reasons which have led this Ministry to approach the kindness of your Mission,are as follows :

General Gandin was attached to the Supreme Command from June 1940 to May 1943.

Because of these duties of his he was well known to the highest personages forming part of the German High Command and,in particular : Field Marshal Göring,Field Marshal Keitel, General von Jodl,General von Brauchitsch,General von Rintelen (former German military attaché at Rome).

These personages today appear to be, for the most part, in the hands of the Allies and therefore, enquiries made of them may perhaps permit of knowing what is so earnestly sought for by the family of General Gandin.

We would add, moreover, that absolutely certain and detailed information could be given - if alive and traceable - by Colonel Barge, commander of the german garrison of Cefalonia when the fighting on the island commenced.

La famiglia del generale Antonio GANDIN, comandante della divisione "Acqui", chiede di conoscere l'esatta sorte toccata al generale stesso nel settembre 1943 in Cefalonia.-

Questo Ministero, venuta meno la possibilità di affidare tale incarico alla nota missione militare che avrebbe dovuto raggiungere Cefalonia, non può che rivolgersi a codesta M.M.I.A. per aderire alle giustificate richieste della famiglia anzidetta.

Le ragioni che consigliano questo Ministero a interessare la cortesia di codesta M.M.I.A. sono le seguenti :

Il Generale Gandin fu addetto al Comando Supremo dal giugno 1940 al maggio 1943.

Per tale sua carica era ben conosciuto dalle personalità più elevate facenti parte dell'alto comando germanico e particolarmente : maresciallo Goëring, maresciallo Keitel, generale v. Jodl, generale v.Brauchitsch, generale v. Rintelen (già addetto militare tedesco a Roma).

The Minister of the Royal Household

Rome, 11 December 1945

My dear Admiral,

Mr. Giovanni Tariciotti, residing at San Vito Romano, asked for the intervention of H.R.H. the Lieutenatnt General of the Kingdom to get news from his son, Pfc Guido Tariciotti, class 1915, of whom he hasn't heard for a long time; he was doing service with the 69th Autotruck Infantry Regiment - 3rd Company (VIII Army Corps), which, according to the informations given by the Greek Legation in Rome, was transferred from Arta to Prevesa at the end of November 1944. It seems that at that time Tariciotti was ill, and that there were already allied troops at Prevesa; the said troops were repatriating Italian soldiers.

According to the intention of His Royal Highness, I bring the request of the poor father to your attention, for he is very anxious about the fate of his son. Whatever you will deem it fit to do will be greatly appreciated.

Thanking you in advance, and asking you to let me have an answer for the information of His Royal Highness, I remain, my dear Admiral,

Sincerely yours,

s. Lucifero

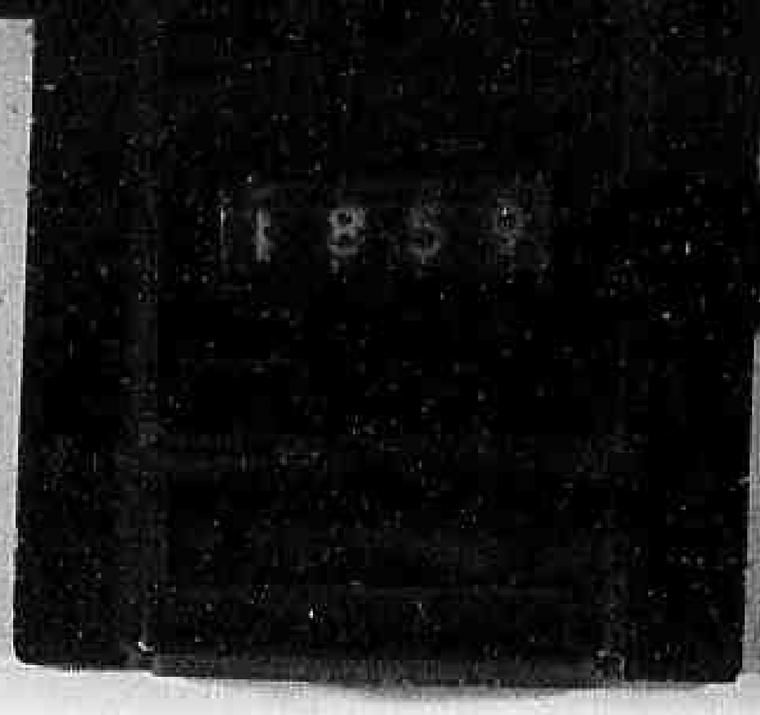
Subject : Interrogation Report No.I on MARAS Giuseppe.

Personal History.

Aliases : None.
Born : I8 MAR I922, at SILBA near ZARA.
Father : SIMON, nationalised Italian (I924), ship's steward on the "Conte di Savoia", and as such has been in SHANGHAI since I939. Was resident in TRIESTE as from I924.
Nationality : Born Yugoslav (Dalmatian); nationalised Italian, I924.
Languages : Croatian, Italian. No Slovene.
Occupation : Before the war was studying at the Collegio Littorio in ROME. Now in charge of administration of A.N.P.I. (Associazione Nazionale dei Partigiani d'Italia) in ROME.
Address : From I924 until I943 : TRIESTE, Scala Santa I24.
In I943 subject's mother abandoned her TRIESTE apartment and went to live with her family at SILBA.
Present address : ROME, Casa di Soggiorno dei Combattente, Via Guidobaldo dal Monte 24.

Narrative.

I7 MAR 4I : Subject volunteered for the Italian Army. Three months later he was promoted Sgt. and sent to a unit in ZARA.
OCT 4I : He was sent on an officer's course at POLA.
A month later he became seriously ill with some undefined fever he had contracted in ZARA, and after hospital treatment was granted 2 months' home leave in JAN 42, which was subsequently extended until JUNE 42. He was looked after by his mother at SILBA.
In JUNE 42 he returned to ZARA, where he was attached to his old military unit pending the beginning of the next officer's course at POLA in OCT.
In DEC 42 he left POLA with the rank of 2/Lt. (Infantry).
At the beginning of JAN 43 he was posted to the Battalione Bersaglieri ZARA at KNIN, with which unit he served up to the Italian capitulation, when he threw in his lot with the Yugoslav Partisans in order to avoid being sent to Germany.
He was eventually sent by the Partisans to their Garibaldi Bn., which was composed of former Italian soldiers, and soon became its commandant. He subsequently became commandant of the Italia Bde., which played an active part in the liberation of BELGRADE and fought its way up to ZAGREB with the Ist.Proletarian Div.



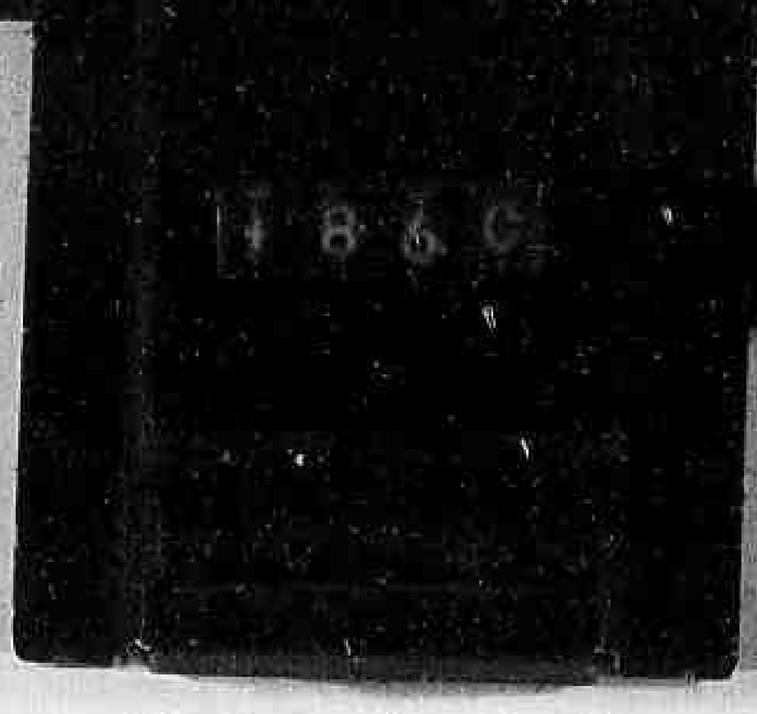
Declassified E.O. 12356 Section 3.3/NND No. 785020

The Italia Bde. reached UDINE on 2 JULY 45, and was henceforth designated the Italia Div. Subject was now granted the rank of Major.
On 2I JULY the Italia Div. was demobilised, and subject and the staff of the Div. went to ROME. Here they were directed by the Italian War Ministry to work with the A.N.P.I. Their duties consisted in reporting the dead and missing of the Italia Div., contacting the next of kin, making recommendations for honours, etc. They retained the status of Italian soldiers, but had no further connection with the Yugoslav Partisans, although they were requested by the Italian War Ministry to continue to wear their Yugoslav uniforms for a while so that the public might realise that Italian soldiers had been fighting with the Partisans in Yugoslavia.
On 5 OCT the staff of the Italia Div. was disbanded . Subject and his colleagues were granted 2 months' leave by the Italian War Ministry, after which they were to become civilians until such time as the War Ministry might require to recall them to the colours. It was however decided that one member of the staff should remain behind with A.M.P.I. to look after the interests of the disbanded Italia Div., and subject was chosen for the job. He expects to be employed there in a civilian capacity for about a year.

Meanwhile subject's mother had returned to TRIESTE from SILBA at the beginning of AUG 45. She accompanied her son to ROME, where she remained with him until the beginning of NOV. She then expressed a desire to return to SILBA and live with her people until her husband should return from the Far East, when the family hopes to take up residence again in TRIESTE, since her son's salary is small and the cost of living in Italy is high. Subject decided to accompany his mother home, since he had many personal possessions at SILBA , especially clothing, which would be useful to him in ROME.

IO NOV : Subject and mother left TRIESTE for FIUME.
I6 NOV : They left FIUME for ZARA.
I9 NOV : They left ZARA for SILBA.
24 NOV : Subject left home in SILBA for ZARA, alone.
26 NOV : He left ZARA for BAKAR.
27 NOV : He left BAKAR for FIUME, and thence travelled 4186 TRIESTE the same day.

When in TRIESTE subject always stays with friends, a family called SCARPA, at Via Tor St. Piero, 6/II. He intended to return to ROME on 2 DEC, but was arrested on I DEC.



Declassified E.O. 12356 Section 3.3/NND No. 785020

Asked why he thought he had been arrested, subject put forward the following three reasons :-

I) On his return from Yugoslavia on 27 NOV he was questioned in a suspicious manner by a British officer at the railway halt at SESANA. This officer accused him of having entered YUGOSLAVIA only a week previously, on the grounds that he distinctly remembered having spoken to him in Slovene. This subject strongly denies; he had crossed to Yugoslavia more than two weeks previously, and had not been stopped by any British authorities, only by the Partisans, who wished to examine his papers.

2) The British officer in question took the number of his A.M.G. identity document, and subject was told by the N.C.O. who arrested him that when this number was checked against the records of the issuing authority no trace of it was found.
Subject states that he personally presented himself for this document before he left TRIESTE for Yugoslavia, and thinks there must have been a mistake or omission in registration. There were difficulties because his mother temporarily gave up residence in TRIESTE in order to join her family in SILBA during the war, and although they were eventually surmounted the issuing clerk was rather unpleasant about it.

3) A revolver was discovered in subject's possession. He declares that he did not know it was forbidden to possess arms in TRIESTE. As an Italian officer he considers that he has the right at least to keep a revolver at home.

Referees who, subject declares, will vouch for his bona fides :-

In ROME :- General GRITTI, Italian War Minister.
Capt. LASTRICATI, assistant to the Under-Secretary of War, and the Under Secretary himself, Avvocato COLAIANI.

In TRIESTE : PETITO, Salita Gretta 21.
SUPINI, Via Ugo Foscolo 25. (NOT 25 BUT 35).
GASPIĆ, Cassa di Risparmio, I.

CONCLUSION : Subject is a charming individual with a straightforward manner. He is not at all the usual Partisan type, and in view of his excellent referees in ROME it is not impossible that he has been the innocent victim of a mistake.

To Command,

I undersigned Miss PIRRAFRANCA Tombolesi, resident in JESI (Ancona) Via Costalombarda 5, apply to your Command to submit the following:-

Mr. Mario Bruno CINOTTI, son of Giuseppe, born at Puos D'Alpago (Belluno) was arrested on 21 Oct 44 in Jesi. He was retained for three months to the Camp of Collescipoli. The reason of the confinement must have been, I believe, motivated by the fact that he while at Jesi before the liberation by germans, where he was obliged to work in S.Marco battalion. And just for the reason of not intending to serve the enemy, he escaped riscing to be treated as a desertor by his military Detachment, and took refuge in the fiancées' house, namely myself.

After the liberation, now that so many soldiers who had to serve fascist Republic have returned to their houses without further trouble and free citizens, I undersigned earnestly beg you to reconsider the position of the above-named soldier and after the necessary inquiries, now that all Italy has been liberated, he may be freed and returned to free citizenship.

I should add that having soldier CINOTTI left the republican detachment he rendered and act worth of prise and not reprochebal and even if during this long period he has been injustly punished with confinement, now the time has come that justice be completly rendered and that he send to free life as any other free citizen who has served the Country.

I undersigned hope that this my supplication be favorably considered as it is the truth what I have explained above. 4140

re: FRIOLO ANGELO

We have been asked by Friolo Vincenzo to assist him in obtaining some information about his son.
Friolo Angelo was a P.O.W. and his last known address was:
P.O.W. 06693 Information Bureau Office of the Provost Marshal General-Washington D.C.
He seems to have joined the I.S.U. and to have been sent first to Great Britain and later to Germany.
A man just repatriated from Germany told the family that Angelo Friolo was killed in an accident. As he is unable to give more details about him and it is doubtful whether the accident occured in the Wuerzburg area or in the Trier area the family is of course much concerned about him and very anxious to obtain some more definite information.
In accordance with the statement made by that boy, Angelo Friolo was serving with the 8029 QM Co(ISU)
Your assistance in obtaining some tangible information on this case would be much appreciated.

OGGETTO Richiesta di notizie.-

Da notizie raccolte, questo Ufficio è venuto a conoscenza che il giorno 2 Maggio 1944, in località Psakma(Grecia) a circa 20 Km. da Kalkis, sono deceduti il serg.magg. CANALE-PAROLA Mario ed il Cap.Magg. DI ANGELANTONIO OTELIO, il primo trucidato da un greco, il secondo dai tedeschi. Sembra, inoltre, che la famiglia greca VALMA' (Via Neofiton, 47-Calcide) si sia interessata della relativa inumazione delle salme e conosca i particolari della morte di entrambi i militari.

Poichè attualmente in Grecia non vi sono rappresentanze italiane, e dovendo, d'altra parte definire la posizione dei due nominativi di cui trattasi, pregasi codesto Ufficio voler cortesemente esperire quelle indagini atte a convalidare le notizie raccolte.

The Respectable Allied Command, Trieste.

I the undersigned, Mario Tuzzi, born in Alexandria in the year 1890, and at present residing in Via Petronio N°.9, Trieste respectfully solicit the favour of, and beg for assistance from the Allied Command, in the search formy son; about whom, I place before you the full facts.

I had a son, Mario Tuzzi born in Trieste on 26.12.1921. He was called into the army of the now defunct Italian Goverment it the Year 1941 passing through a school for potential officers and emerging with the rank of sergeant. On the 8 September 1943 he fought in an action against the Germans at Home, and during this action was made prisoner but escaped from the prison camp in Italy and returned home here to Trieste where he recommenced work as a Geometrist and never collaborated with the Germans.

In 1945 he was summoned by the German Command of Trieste to present himself to the S.S. to be aggregated in that arm, but knowing the Germans too well, instead of presenting himself he went into hiding for a period of one month.

During this time the Germans made periodical searches for him at my home without meeting with any success, eventually they took away my wife and imprisoned her on two separate occasions releading her only when they were convinced that she did not know the whereabouts of our son.

During this epoc I was not resident in Trieste or they would have taken me also. My son learned of the arrest of his mother and in order to avoid a repetition of the incident, oresented himself to the army of the Italian Command, where he was placed in the National Republican Guard, with his rank of sergeant, this happened about 20 th March 1945.

On the morning of 7 April he was commanded together with a lieutenant a sergeant major and other soldiers, in all 14 persons, to take [illegible] closed truck to San Daniele del Carso, which is situaded about 25 kilometers from Trieste. On the return journey they were attacked by about 200 partisans, between San Daniele del Carso and Capriva the partisans belonging to the Kranika or the Kossovela Brigades, the Italians did not fire a single

4107

Declassified E.O. 12356 Section 3.3/NND No. 785020

The truck was burned by the partisans, the wounded and dead were left by the roadside, afterwards being brought to Triest by a passing truck, and the four prisoners were marched away by the partisans.
One of the prisoners was my son, safe and sound.
All this I know through having interrogated the wounded in a military hospital in Trieste, and they all agreed that my son was taken prisoner and that they saw him being marched away. I beg you to note that my son carried in his pocket the documents referring to his calling into the army by the Germans, this he did in order that if he ever was taken prisoner he would be in a position to prove to his captors that his services for the cause of Fascism were being given by force and not voluntarily.
Whether or not the documents served their purpose I do not know; I only know that from that day I have never received any news concerning my son.
I have spoken to innumerable partisans but no one has been able to offer me any information. I have enquired at a number of Slovenian concentration camps and have learned nothing, on the contrary I have almost been imprisned my self after being accused the father of a fascist soldier.
From what I have learned of the methods of the Slovenian partisans I do not expect my son to be among the living, because a few day before the advance they eliminated the majority of prisoners in a manner of which I have learned.
It is of no use me repeating my journey to the Italian Red Cross, or the Slovenian Red Cross, because I have already been there a number of times and it seem they are afraid to make enquiries owing to the presence Marschal Tito. I do not know to whom I should turn for help. My wife becomes more grief sticken every day and I believe that she cannot go on living indefinitely in such suspense. Jugoslawie is quite near to Trieste, is not in Canada or Australia it seems impossible that there is not some one who can obtain information from these people. I would be quite satisfied just to know whether my son is alive or dead.
I offer my sincerest apologies to you for my troble one letter, and beg of you to understand the anxiety and expectation trough which my wife and I are living, more so seeing that he was our only son and we hold little hope of seeing him alive again.
