Proposals to have these dealt with by Italian Naval Authorities were put up to AFHQ by the Naval S/C (folio 91) at the instigation of the Ministry of Marine Marine and a negative reply was received (folio 98). The War Ministry were informed accordingly (folio 113), but have again raised the question (folio 117). Naval S/C (Lt. Comdr. SUBJECT: Exemption from Military Service

TO : Land Forces Sub Commission MMIA
HQ Allied Commission CMF

BOICI Giuseppe (30.1.45) and SEGNALE Nello (26.1.45)

1. The above named civilians commenced to be employed by the Italian firm of RADIAR on the dates shown against their names. This firm is engaged 100% on the production of Telecom equipment, under contracts issued by DADOS CP & P. The equipment is urgently required by British WD. It is anticipated that the work will be completed by the end of Mar 46.

2. The men are both in Class 23 and are therefore liable to be called up for military service with the Italian Armed Forces. Owing to an error, their exemption from service was not applied for by the unit until after the date upon which they should have reported for military duty. Consequently the Comando Militare Territoriale di Roma regard them as deserters and disagree to exemption.

3. Para 4d of AFHQ Adm Memo No 10, dated 20 Feb 45 reads as follows:

"Should the Italian Authorities take exception to an exemption authorised by an Allied Exempting Authority, they will return the Certificate of Exemption, with their comments but without Seal or Countersign, to the Exempting Authority, through MMIA for review. Final determination in each case will rest with the Exempting Authority, but full consideration will be given to the views of the Italian Authorities and MMIA.

4. As the men concerned are skilled workers, difficult to replace, this HQ, as exempting authority, is prepared to grant the exemption until 31 Mar 46, but in view of the Adm Memo quoted above, your comments and recommendations will be appreciated before any action is taken.

Subject : Exemptions from Military Service for personnel of the Italian Navy on Duty with the Allies.

In reply to your A/219 dtd 4 Dec 45.

This Ministry has not *been informed* of the Naval Sub-Commission's decision not to make any change in the existing instructions concerning the issuing of certificates of exemption for personnel of the Italian Armed Forces.

The Ministry of Marine's request (upon which the ruling of the MMIA has been urged), concerns the approval of exemption certificates, which, at present is given by the Military Territorial HQ's, even for personnel of the Italian Navy; the M of Marine however, requests that approval for these latter should devolve upon the Directorate of the CREL.

Therefore, in view of the above, we should be pleased to know whether the matter could be reconsidered, or whether the communication that existing regulations must remain unchanged must be considered as final and binding.

Viene fatto presente che l'attuazione di quanto è stabilito dalle istruzioni contenute nel foglio a cui si fa riferimento, non è sempre possibile dato che nei documenti inviati ai Comandi Militari Territoriali, non risulta quasi mai a quale forza armata appartengono i militari proposti per l'esonero.-

Ad ovviare tale inconveniente si prega codesta Commissione di emanare apposite istruzioni ai dipendenti Comandi, affinché sui documenti di esonero sia sempre indicata la forza armata a cui appartengono gli esonerandi.-
