=====

The above named Civilian has been employed as a Clerk by the British Army since 19th May 44 and from that date he has uninterruptedly served several Units of the Allied Forces.

Approximately one month after he began his employment, he was ordered to rejoin the Depot 47 Regiment Infantry of Lecce. However the Officer Commanding the Unit, with which the a/m was then employed, ordered him not to leave the employment and in the meanwhile applied for his exemption to the higher British Authority (C.R.A.S.C. 11 L of Tpt Coln R.A.S.C. C.M.F.), issuing also to the a/n Civilian a copy of the application for exemption, which, by the a/n and through the Reali Carabinieri, was forwarded to H.Q., Depot 47 Regiment Infantry of Lecce.

The Offices in which the Civilian was employed, have subsequently issued several certificates certifying his uninterrupted employment and indispensability. The certificates have always been regularly forwarded to the H.Q., 47 Regiment Infantry of Lecce by the A/m.

Now this H.Q., with which at present the a/n Civilian is employed as Adm. Junior Assistant, has been informed that he has been reported for desertion on 21st Nov 45 to the Military Attorney General c/o the Military Territorial Court of War of Taranto.

This report has certainly arisen from a misunderstanding or a mislaying of correspondence between the British Units and the Italian Offices concerned. However, no responsibility can fall upon Daniele, who has only conformed to the orders received by the British Military Authorities.

It is emphasised that his continued employment in this Office is still considered indispensable and essential.

An acknowledgement regarding this matter would be greatly appreciated.

Il suddetto Civile fu assunto in qualita' di Clerk dall'Esercito Inglese in data 19 Maggio 1944, e dalla data suddetta fino ad oggi egli ha ininterrottamente prestato servizio presso i vari Uffici alle dipendenze delle Forze Armate Alleate.

Dopo circa un mese dalla data di assunzione ebbe ordine di raggiungere il Deposito 47 Reggimento Fanteria in Lecce. Ma il Comandante Inglese dell'Ufficio dal quale allora il Daniele dipendeva, gli ordino' di non abbandonare il posto occupato e nello stesso tempo chiese il di lui esonero alla superiore Autorita' Inglese (C.R.A.S.C. 11 L of Tpt Coln R.A.S.C. C.M.F.), rilasciando anche al suddetto Civile copia della richiesta di esonero inviata, che, a cura dell'interessato ed a mezzo dei RR. CC., fu inoltrata al Comando Deposito 47 Reggimento Fanteria in Lecce.

Ora questo Comando, presso il quale il Daniele presta tuttora servizio in qualita' di Assistente Amministrativo, e' venuto a conoscenza che lo stesso e' stato denunciato per diserzione il giorno 21 Novembre 1945 al Procuratore Militare del Regno presso il Tribunale Militare Territoriale di Guerra di Taranto.

Tale denuncia e' evidentemente frutto di un errore o di un disguido di pratica avvenuto tra gli Uffici Inglese ed i competenti Uffici Italiani. Comunque nessuna responsabilita' deve attribuirsi al Daniele, il quale si e' solo uniformato agli ordini che ha ricevuto dalle Autorita' Militari Inglese.

Si fa rilevare infine che la continuita' del suo impiego in questo Ufficio e' tuttora considerata indispensabile ed essenziale.

Si prega dare assicurazioni in merito a quanto sopra.

From further enquiries carried out, the information given in memo of the same number dated 13/8/45 regarding the erroneous sending of the a/n soldier on an indefinite period of leave by the Varese district has been confirmed, and therefore no action can be taken against this soldier.

This considered, and bearing in mind as well that Rossetti belongs to a class that has been discharged for some time, we do not think it necessary to call him up again now.

Your A 265 dated 3 Oct 45 is not understood. You state in this letter that the instructions that leave would only be granted S of the River PO were sent out by your HQ on 4 May 45. It is clear, both from the covering letter from HQ LEGNANO Sez/Pers Sec 04/9818 dated 24 Sep 45, and the statement of Artilleryman Slavez Antonio that the leave was granted on 6 May 45. It does not appear to be appreciated that correspondence takes more than two days to reach here from ROME.

It is not considered therefore that any useful purpose would be served by directing that strong disciplinary action be taken against the officer who granted the leave, as by the date in question he had received no orders to the contrary.

It is requested therefore that you reconsider your decision, and that you exonerate the unit concerned from blame: may this HQ please be notified accordingly.

The letter from LEGNANO GRUPPO makes mention of the return of two ITALIAN soldiers and from the soldiers' report it would appear that three soldiers are missing. Your covering letter does not clear up this point nor does it state exactly what action you require this HQ to take.

The Italian War Ministry has informed this HQ that the subject Italian soldier was granted leave on July 20 and has since failed to return to his unit.

It is stated that the reason is caused by the fact that the soldier has obtained employment with the 838th Engineer Aviation Battalion, APO 528.

It is requested that the subject soldier be relieved of his present unauthorized employment and be turned over to the local Carabinieri.

From enquiries carried out it appears that the s/n soldier, workman of the "SPAREC" firm for whom amongst others the Allied H.Q. asks exemption from callup, is a deserter by reason of not having reported to his Corp-VI Group Batt. H.Q.-after his discharge from the Mil. Hon. Rome.

Tomei, owing to the fact that he reported to the SPAREC firm without informing that he was already a soldier on duty is also guilty of stating a falsehood. ^{divisale} ~~divisale~~ ^{causal} ~~causal~~ Concerning the above we think it ~~sp~~ to ~~make~~ the Exemption ~~++++~~ and order TOMEL to report to his corp in order that he be charged ^{repa} the Mil. On the 23/3/45, the HQ of the 22nd Inf Regt notified the authorities to instigate proceedings for the arrest and return of Pte VALLETTA CIRO son of the late Giro, to his parent unit from which he has absented himself.

On the 18/6/45, the HQ CC RR of S ANASTASIA (NAPLES) communicates that Pte VALLETTA is exonerated by virtue of the fact that he is employed as workman to an English HQ of that city.

Seeing that Pte VALLETTA was charged with desertion on 21/3/45 it is obvious that he, having been sent on leave, found it easy and convenient to employ himself with an Allied HQ of the locality, thus finding a lucrative job besides being near his family.

In regard to the above, according to the dispositions issued by L F S C - A C (MMIA) dated 20/11/44 with the object of counteracting desertions, it is respectfully asked of this HQ to take steps to see that Pte VALLETTA is placed at the disposition of CC RR of S ANASTASIA for the eventual transfer to the nearest Military Court.

To:- The Officer Commanding,

G.M. POLICE.

Sir, I have to report that at ANCONA on the 22nd Feb 1945 about 0805 hrs I was on duty at the ANCONA Railway Station when I had occasion to stop Sargento MAIOLATESSE GUERRINO, 60th Company 93 Infantry Regt, Italian Army.

Upon being questioned it was found he had no authority to travel on Military Railways. I arrested him and conducted him to my Coy HQ, where, upon being questioned further, he was found to be absent from his Unit. He stated that on the 20th Sept 1944 he left his Unit with a Pass which expired on the 5th Oct 1944, whilst on leave he obtained work with a British Unit and an Officer told him that since he was working for the British Forces he need not return to his Unit.

He produced a work chit signed by Lt. H. SPENCER, ROYAL ENGINEERS, SEIRA S. QUIRICO.

I escorted him to the Carabinieri, VIA SAN MARTINO, ANCONA, where I handed him over to be detained.

H.Q. 803 Reinforcement Transit Camp. ①

Verbal Interrogation.

On the 16 June 45, has been brought before me, —
Sicut CARIA, Giovanni, officer-instructor at H.Q. 803 Reinforcement
Transit Camp, — Cpl SANHINO, Vincenzo, son of Pasquale
and Matilde Assunta, born at Naples 13 Jan. 23
and resident at No 7 Via Traccia Poggioreale.

Replied:

On the day of the 8 June the American
Military Police made a search of the dwellings in the
district, ⁱⁿ which is situated my own home, ~~including my~~
house in Via Traccia a Poggioreale. A Browning pistol,
belonging to me, was found, loaded with 7 rounds.

4

Replied.

The said pistol was found by me during the
period of the Battle of Naples, in the ^{ground} where it had been
abandoned by a German soldier in his flight. I ~~had~~
~~was~~ ^{was} in Naples, at that time, because I had escaped
from a concentration camp at S. Giorgio (Piacenza)

P.T.O

where I had been a prisoner of the Germans, who wounded me in the leg, by firing ~~at~~ ^{at} me while I was sleeping. I always kept the weapon for my defense.

Replied:-

On the day of the 8th of June, I was at home because, having been posted from the 10th Artillery at Caserta to Raviscanina, on the 27th of May, I had gone to the neighborhood of Frosinone, believing the location to be there. Not having found the camp and being ill I had returned to my home.

Replied:-

After the visit of the M.P., I was arrested and taken to the Quastura of Naples, then to the Stellato section of the CERR, and from there was escorted to Raviscanina; ~~and~~ arriving the 12th June I was posted to 11 coy.

VERBALE D'INTERROGATORIO

Addì 16 giugno 1945, davanti a me, Tenente CARIA Giovanni, ufficiale istruttore del comando 303° Campo Affidanza, è comparso il CAPORALE SANRINO Vincenzo di Pasquale e del Distretto Asinara, nato a Napoli il 19/1/1923 e residente in via Traccia a Poggioreale N. 7:

- a.d.r. - Il giorno 8 giugno la polizia Americana fece una irruzione alle abitazioni del rione ove si trova la mia casa, e visito anche questa, in via Traccia a Poggioreale. Fu trovata una pistola automatica Browning di mia proprietà con 7 colpi.
- a.d.r. - Detta pistola la trovai durante il periodo delle 4 giornate a Napoli, per terra, ove era stata abbandonata da un soldato tedesco che fuggiva. Allora mi trovavo a Napoli perché scappato dal campo di concentramento di San Giorgio (Piacenza) ove ero prigioniero dei tedeschi, i quali mentre fuggivo, mi ferirono ad una gamba sparandomi addosso. Tenni sempre l'arma per mia difesa.
- a.d.r. - Il giorno 8 giugno mi trovavo a casa perché, trasferito il 7 maggio dal 1° art. di Casserta a Raviscanina, e credendo che tale località si trovasse verso Frosinone, mi ero recato in quest'ultima località, di dove, non avendo trovato il campo, ed essendomi annullato ritornai a casa.
- a.d.r. - Dopo la visita da parte della M.P. fui arrestato e condotto alla Questura di Napoli, poi alla Sezione C.G.R.R. di Stella e di lì accompagnato a Raviscanina, dove giunsi il 12 giugno e/a e fui assegnato alla 11° ep.

RAVISCANINA.

Sir,

At Naples on the 8th of June 1945 about 1545 hours accompanied by P.S. AGENT I had occasion to search the home of the above named soldier, at No.7 Via TRACCIA A POGGIOREALE where I found one BROWNING AUTOMATIC PISTOL CAL. 7.65 No.9771, loaded with seven rounds of ammunition.

In the drawer I saw another round of 7.65 Cal. ammunition, and seven rounds of .45 ammunition. I asked the above named soldier who was dressing in civilian clothes, whom the pistol belonged to. He replied that it was his, but he had no authority to be in possession of it. I confiscated the pistol and ammunition and informed him that he was under arrest. He then said that he was an Italian soldier. When I asked for his pass, he replied that he had been absent about 1 month from his Unit. I conducted him to the Italian Liaison Section, Central Questura, Naples, where I obtained his particulars verbally for report, verified same from his Identity Card, and handed him over to the N.C.O./c Section to be detained.
