SUBJECT: Escaped Italian Prisoner of War enlisted in Foreign Legion

TO : Chief of Staff, French Ground Forces
Chemin du Telemly, Algiers

1. On directions from the Chief of Staff, AFHQ, it is requested that the escaped Italian Prisoner of War Munzi, Amedeo, 81-I-357077 at present serving in the Foreign Legion at Sidi-bel-Abbes be released and returned to American custody.

2. The following is a brief outline of the case: Munzi escaped from American Prisoner of War camp No. 134 at Chanzy on 12 April 1944. After being recaptured and escaping again from French custody, a letter sent by Munzi to a friend in American Prisoner of War camp No. 131 shows that he (Munzi) had enlisted in the French Foreign Legion at Sidi-bel-Abbes.

3. A request from local American authorities for the release of Munzi from the Legion was refused with the statement from Foreign Legion officials that the Legion is considered as a refuge and therefore it was preferred not to release Munzi. Munzi is still with the Foreign Legion.

4. It is therefore requested that Munzi be released from the Legion and returned to American custody. Further, it is requested that enlistment in the Legion of further Italian prisoners of war under American supervision be refused, as clearly this will have an adverse effect within the Prisoner of War camps where a wave of desertions might result in consequence.

C O P Y

To His Excellency

the Bishop of Bergamo

Bergamo 28/11/45

The undersigned Lanza Giulia, resident in Bergamo, Via 20 Settembre 31, mother of PW Lanza Mario son of Antonio, both on her own behalf and on behalf of the mothers and wives of 50 PWs from Bergamo who are detained in the International POW Camp of Miramare of Rimini, states as follows.

The a/m PWs were arrested by the Police of Bergamo and Province in the first days after the liberation of Northern Italy, because they belonged to the ex-fascist republican army.

After some months detention, partly in the Seriate Barracks (Investigation Centre of this town) and partly in the Prison of S.Agata, they have been submitted to a first and second interrogation, from which nothing has been proved against them.

The Questura being no longer competent in the matter, the a/m soldiers were sent to the Allied Concentration Camp of Bergamo (Rep. Grumello del Piano).

After a months stay in that Camp, they were transferred to the Concentration Camp of Coltano, but their stay there was short, because, since that Camp was in course of disbandment the Command of the above Camp sent them on again to Grumello del Piano.

The PWs and their families were naturally of the opinion that, as had happened in the Camp of Coltano, the prisoners of Grumellina would be similarly dealt with.

On the contrary, after about other 20 days'stay in this Camp, they were sent to the International Camp of Miramare, where about 250 other Italian PWs are detained with some thousands of all nationalities.

Since we think that these PWs of ours have been forgotten and after 6 months'stay in the Concentration Camps, have paid for the crime of donning the grey green of the ex Fascist Republican army, we are of the opinion that the time has come to release them in order that they may come back to their families who are worried, especially with regard to the yaung soldiers, who, mixed with old soldiers belonging to all nationalities, and living in idleness, may have the feelings of morality and religion which have been instilled in them since infancy, greatly imparied.

Declassified E.O. 12356 Section 3.3/NND No. 785020

Therefore we apply to your Excellency in order that you approach the Holy See in order that, in turn, in may press the Italian Commission examining the PWs, to decide, that at least before Christmas, the PWs be granted their release, also in view of the worsening of the weather.

Trusting, like the other mothers and wives, that this appeal will result in our having the joy of seeing our long awaited loved ones returning to their families next month, I am,

Respectfully

Lanza Giulia

Memorandum regarding the standard of living of the PWs concentrated in the Camp of Rimini.

Camp RNT no.3, situated in Rimini Airport and controlled by British Authorities, there are a few groups of Italian ex-soldiers (totalling about 300) literally submerged among many thousands of PWs of at least 35 nationalities, and some ex-soldiers from Trentino and Venezia Giulia (other 200).

Above soldiers arrived at the Camp having been consigned to the British by Italian Authorities, after having been questioned by Italian Legal Authorities, who acquitted them.

The only reason for which they are detained in the Camp is the fact that they belonged to the disbanded republican army.

They are for the most part old soldiers who reported voluntarily to the Italian Authorities when insurrection broke out; persons, who because of their age and family obligations are completely alien to political activity; in short, persons who could go back immediately to their families and resume their activities without giving the slightest trouble to public order.

All the s/m were handed over to the British Military Authorities last August; considering their past behaviour and the subsequent screening made by the s/m Authorities, they should have been released practically immediately, at least, so said the British HQ, up till then.

On the contrary, the opposite occurred. Soldiers of all categories, volunteers in the black brigades etc, have been liberated in tens of thousands from the Camp of Coltano and from other Camps, while in the Rimini Camp, these more than innocuous soldiers of the disbanded army continue to be detained and are there continuing to suffer unspeakable harm without the slightest guilt being attached to them.

Their living conditions are morally and physically disastrous. Living under canvas , wearing poor summer clothing, with no heating and only 2 blankets per man, with no straw, they suffer the rough weather, the wind, the ice, the rain, and the snow, that continually fall on their miserable encampment.

They feel abandoned, and despair for the Motherland that seems to have forgotten them, and for their families that have been for so many months without their help.

2028

...../2

Declassified E.O. 12356 Section 3.3/NND No. 785020

They ask themselves discouragedly what crimes they must be paying for to suffer these interminable tortures. We do not mention their moral conditions. By strenuous efforts his Excellency the Bishop of Rimini, after laborious negotiations has succeeded in giving them the comfort of the sunday Mess, but the remainder is barely appreciable.

The Camp is nominally controlled by the British. Actually it is guarded by Polish Units, internally by a Corp of Police composed practically entirely of Balkanians and Russians. The Internal Commandant is Arabian. All the services are in the hands of Slavs of all nations, who like to show at all times that they are really the governors.

And this is actually happening in Italy.....!

Perhaps the British understand this absurdity, but anyhow the italians are a small minority and the fact that they are prisoners in their own Motherland does not appear to be a reason for special treatment.

However, even if the above facts can be ignored by the British Authorities, it is not lawful that they are ignored by the italian authorities.

The State has the duty of protecting its own dignity and the dignity of its citizens, at least within certain limits; any uncalled for debasement may result in serious consequences due to the discouraging certitude in the hearts of those who have waited in vain for many months that justice is of two kinds and is always against those least guilty because they are in the minority and insignificant and on this account have nobody to defend them.

The promise made directly by the British Officers of the Camp to the italian PWs, that they would be sent back to their families by Christmastime could not be kept because an italian Commission did not arrive.

Now the winter is inexorably raging on these poor PWs that have nobody's help, while their families, in distress and anxious for thier health, can do nothing but go hungry and appeal desperately for the return of their loved ones.

How many tears could be dried by an act of mercy, and how much gratitude would be felt by hundreds of suffering italians that feel that they should not be considered as criminals merely because events, residence, employment and perhaps the fear of reprisals and misery, made them follow an ideal that they have only served modesly, without turning against their fellows but always endeavening to do right, and to help those who needed it, in one word to preserve their conscience as good italians, through the terrible storm which buffeted, and is still buffeting them in the grip of a, perhaps, numerited suffering,

A Sua Eccellenza il VESCOVO

di B E R G A M O

Io sottoscritta LANZA Giulia di Bergamo Via XX Settembre, 31 madre del prigioniero di guerra LANZA Mario di Antonio, nell'interesse anche delle madri e delle spose di una cinquantina di bergamaschi che si trovano internati nel Campo Iternazionale Prigionieri di Guerra di Miramare di Rimini, espongo quanto segue:

Detti prigionieri sono stati fermati dalla polizia di Bergamo e Provincia sin dei primi giorni dopo la liberazione dell'Italia del Nord, perchè già appartenenti all'ex Forze Armate Fasciste Repubblicane.

Dopo una permanenza di vari mesi parte nella Caserma Seriate (Centro Investigativo di questà Città) e parte nelle carceri di S.Agata, sono stati sottoposti ad un primo e un secondo interrogatorio dai quali nulla è risultato a loro carico.

Non essendo più competenza della Questura, detti fermati furono consegnati al Campo di Concentramento Alleato di Bergamo (Rep. Grumello del Piano).

Dopo un mese di permanenza a detto Campo, furono trasferiti nel Campo di Concentramento di Coltano, ma la loro sosta in detto Campo fu breve, perchè essendo detto Campo in via di scioglimento il Comando del Campo di cui sopra li mandò ancora a Grumello del Piano.

Sia i prigionieri che le famiglie degli stessi erano naturalmente convinti che, anche per quanto avveniva per il Campo di Coltano, i prigionieri della Grumellina seguissero la stessa sorte.

Invece dopo circa altri 20 giorni di permanenza in detto Campo, furono portati al Campo Internazionale di Miramare, nel cui Campo sono internati altri duecentocinquanta circa prigionieri di guerra italiani con alcune migliaia di tutte le nazionalità.

Siccome si ritiene che questi nostri prigionieri siano stati dimenticati e dopo sei mesi di permanenza nei Campi di Concentramento, abbiano ormai scontato la loro pena per la colpa di aver indossato il grigio verde dell'ex esercito fascista Repubblicano, riteniamo sia venuta l'ora di lasciarli liberi e ritornare alle loro famiglie preoccupate, specie per quanto riguarda i giovani, che confusi con anziani e di tutte le nazionalità, vivendo nell'ozio, possono maggiormente essere incrinati in quei sentimenti di moralità e di religione che sin dalla infanzia gli sono stati inculcati.

Facciamo pertanto appello a Vs.Eccellenza affinchè interponga i di Lei buoni uffici presso la S.Sede, perchè la stessa a sua volta faccia pressioni sulla Commissione Italiana esaminatrice dei prigionieri di Guerra che venga deciso almeno: prima delle Feste del Santo Natale, in considerazione anche del peggioramento del clima, la loro messa in libertà.

Fiduciosa e cosi pure le altre madri e spose, che il presente esposto ci dia la gioia di rivedere nel prossimo mese ritornare in famiglia i loro cari, tanto desiderati ed attesi, con rispettosa osservanza.

PROMEMORIA RELATIVO ALLE CONDIZIONI DEI PRIGIONIERI DI GUERRA CONCENTRATI NEL CAMPO DI RIMINI.

****

Nel campo RNT n. 3 Aeroporto di Rimini sotto il controllo delle Autorità Britanniche vi sono sparuti gruppi di ex militari italiani (in tutto circa 300) letteralmente sommersi da diverse migliaia di prigionieri appartenenti a ben 35 nazionalità e di ex militari trentini e giuliani (altri 200).

Detti militari vennero al campo perchè consegnati agli inglesi dalle Autorità italiane, dopo aver subìto istruttoria da parte della giustizia italiana, ed essere stati prosciolti dalla medesima.

La loro condizione di appartenenti al disciolto esercito repubblicano, è solo quella è la causa della loro detenzione nel campo di concentramento.

Per la grande maggioranza trattasi di militari anziani presentatisi volontariamente alle Autorità italiane all'epoca dell'insurrezione; persone tutte aliene per età, per famiglia a carico, per carriera dalla politica attiva; in breve persone che potrebbero rientrare immediatamente in famiglia e riprendere la loro attività, senza menomamente turbare l'ordine costituito.

Tutti costoro vennero consegnati alle Autorità militari inglesi nell'agosto scorso; e dati i loro precedenti, e la successiva discriminazione fatta dalle anzidette autorità; avrebbero dovuto essere liberati quasi subito almeno così era stato detto fin d'allora dal Comando inglese.

Viceversa è avvenuto il contrario. A diecine di migliaia sono stati liberati i militari di ogni appartenenza, i volontari delle Brigate nere, ecc. dal campo di Coltano e da altri campi, mentre nel campo di Rimini continuano ad essere trattenuti questi più che innocui rappresentanti del disciolto esercito, ed ivi continuano a soffrire disagi indicibili senza alcun loro carico risulti la benchè minima colpa. Le loro condizioni sono materialmente e moralmente disastrose. Accampati in tende, con scarso vestiario estivo, senza mezzi di riscaldamento con due sole coperte per uomo, senza un filo di paglia, soffrono per il clima crudo, per il vento, per il gelo, per la pioggia e la neve che si abbattono ad ogni momento sul loro miseri accampamenti.

Si sentono abbandonati e disperano per la Patria che sembra li abbia dimenticati, per le famiglie che da mesi e mesi sono senza il loro aiuto.

Si domandano scorati quali delitti debbono scontare per subire simili torture che fanno interminabili. Non si parli poi delle lo-

A fatica S.E. il Vescovo di Rimini dopo laboriose trattative è riuscito a portare loro il conforto della Messa domenicale, ma il resto è appena concepibile.

Il campo è nominalmente controllato dagli inglesi. In realtà esso è custodito all'esterno da reparti polacchi, all'interno da un corpo

./.

di polizia composto quasi totalmente di balcanici o di russi. Il comandante interno è un arabo. I servizi sono in mano a slavi di ogni nazione ai quali non sembra vero di dimostrare in ogni momento che sono loro i veri padroni.

E ciò proprio in Italia.·.·.....

Gli inglesi forse capiscono questo assurdo ma d'altra parte gli italiani sono un'esigua minoranza, e, il fatto di essere prigionieri in Patria non sembra costituire per essi ragione di speciale riguardo.

Ma ciò che le autorità inglesi possono anche ignorare, non è lecito sia ignorato dalle autorità italiane.

Lo stato ha il dovere di tutelare la dignità di se stesso e dei propri cittadini almeno entro certi limiti; ogni inutile avvilimento può avere conseguenze gravi dovute allo scoramento di chi attende invano da lunghi mesi che la giustizia non usi due pesi e due misure, e proprio in danno dei minori colpevoli, soltanto perchè sono pochi, insignificanti e non hanno chi li difenda proprio per questo.

La promessa di restituirli alle famiglie per Natale fatta dagli ufficiali inglesi del campo direttamente ai prigionieri italiani è mancata per il mancato arrivo di una Commissione Italiana. E l'inverno ora si abbatte implacabile su questi gruppetti di miseri che non trovano un cuore,che li ascolti,pietoso, mentre le loro famiglie in strettezza ed in ansia per la loro salute, non hanno di che sfamarsi ed invocano disperatamente il ritorno dei loro cari. Quante lagrime potrebbero essere asciugate con un solo atto di pietà, e quanta riconoscenza potrebbe penetrare in centinaia di animi angustiati di italiani che non si sentono di essere classificati tra i reprobi solo perchè le circostanze, la residenza, l'impiego e magari il timore di ritorsioni e la miseria li fece seguaci di un'idea che essi servirono modestamente, senza infierire sul prossimo, ma cercando sempre di far del bene, di aiutare chi ne aveva bisogno, in una parola di conservare intatta la loro coscienza di buoni italiani, attraverso la orrenda bufera implacabile che li travolse e che tutt'ora li trascina nel gorgo di una forse immeritata sofferenza di cui non vedono la fine.

in Patria non sembra costituire per essi ragione di speciale riguardo.

Ma ciò che le autorità inglesi possono anche ignorare, non è lecito sia ignorato dalle autorità italiane.

Lo stato ha il dovere di tutelare la dignità di se stesso e dei propri cittadini almeno entro certi limiti; ogni inutile avvilimento può avere conseguenze gravi dovute allo scoramento di chi attende invano Da lunghi mesi che la giustizia non usi due pesi e due misure, e proprio in danno dei minori colpevoli, soltanto perchè sono pochi, insignificanti e non hanno chi li difenda proprio per questo.

La promessa di restituirli alle famiglie per Natale fatta dagli ufficiali inglesi del campo direttamente ai prigionieri italiani è mancata per il mancato arrivo di una Commissione Italiana. E l'inverno ora si abbatte implacabile su questi gruppetti di miseri che non trovano un cuore, che li ascolti, pietoso, mentre le loro famiglie in strettezza ed in ansia per la loro salute, non hanno di che sfamarsi ed invocano disperatamente il ritorno dei loro cari. Quante lagrime potrebbero essere asciugate con un solo atto di pietà, e quanta riconoscenza potrebbe penetrare in centinaia di animi angustiati di italiani che non si sentono di essere classificati tra i reprobi solo perchè le circostanze, la residenza, l'impiego e magari il timore di ritorsioni e la miseria li fece seguaci di un'idea che essi servirono modestamente, senza infierire sul prossimo, ma cercando sempre di far del bene, di aiutare chi ne aveva bisogno, in una parola di conservare intatta la loro coscienza di buoni italiani, attraverso la orrenda bufera implacabile che li trascinò e che tutt'ora li trascina nel gorgo di una forse immeritata sofferenza di cui non vedono la fine.

Un gruppo di madri
e di spose

A 294.

On 22nd December 1945 the father of above P.O.W. was ran over and killed in a traffic accident in Rome leaving a family of three of whom he was the sole support.

As a British car was involved in the accident an enquiry has been set on and a British Court Martial will establish responsabilities.

Meanwhile it is respectfully submitted for consideration that above P.O.W. be given priority in repatriation so that he may take the place of his deceased father in the support of his family.

OGGETTO Militari ex repubblicani nel campo di Rimini

La Pontificia Commissione di Assistenza segnala il caso di 88 ex militari repubblicani fascisti i quali, assolti con formula ampia dall'Autorità giudiziaria italiana, sarebbero stati internati nel settembre c.a. nel campo di Grumello al Piano (Bergamo) e da qui il 22 ottobre trasferiti nel campo di concentramento di Rimini dove tuttora si trovano.-

Ai familiari degli internati le autorità alleate di Riccione avrebbero detto di essere in attesa dell'arrivo, già preannunziato, di una Commissione italiana che dovrebbe liberarli.-

Poichè nulla risulta a questo Ministero su questo argomento ed essendo il campo concentramento di Rimini sotto controllo delle Autorità Alleate, si sarebbe grati se si volessero fornire elementi per una risposta all'ufficio del Vaticano che ha segnalato il caso.-

The a/m Italian, born PATRAS 20.9.16, is held in GRUMO Military Hospital. His history is as follows:

Italian nationality, living in PATRAS, Greece. Interned by Greeks during Italo-Greek War; freed and made to join Italian Army on arrival of Italians. Returned to civilian life at time of capitulation (Sept 43). In June 45 was ordered back to Italy as an Italian under Allied repatriation Scheme. As he was suffering from tuberculosis, he was flown back in July and sent to GRUMO Military Hospital. His parents are resident in BARI.

It is requested that you issue the necessary authority to GRUMO Military Hospital for this man to be handed over to the Italian military authorities, as he does not seem tl be of POW category and his presence is not wated at GRUMO.

Subject : Sending of newspapers to Italian prisoners.

I

In view of the fact that Italian Prisoners of War in British hands will not be repatriated for some time, this Ministry has been asked whether it would not be possible to send at least two copies of each political newspaper to the various prisoner of war camps, for the purpose of illuminating the said prisoners on the subject of Italian politics.

We put this matter to MMIA, begging you kindly to inform us of your decisions regarding the matter.

Application.

The undersigned, PAOLUCCI Gino, son of Angelo, resident at Torrita di Siena, veteran from Germany, states the following:-

Born in 1923 and on strength of IIIrd. Infantry Regiment of the Piemonte Division, in Greece on the date of the Armistice (8th.Sept.43), I was captured by the Germans and sent to IV B Concentration Camp in Germany and was given a p.o.w. number 254854. A few days after, they forced me to go to work in a government Iron Foundry where I stayed until the end of the war. On 5th. July, I returned home and after a few days, I reported to Siena District to be interrogated. During the interrogation I sincerely stated the above adding that, in Aug.44, I was compulsorily transferred from p.o.w. to civilian and for such statement, I was told that I had no right whatsoever to the POW Entitlements, while all the others who were in the same position as myself but who, during the interrogation, stated to have been always pows, were paid their entitlements. This is unjust. Is it because I told the truth that I am deprived of entitlements which were granted to whoever told lies? Hence, trusting that you will take the matter up so that such pow entitlements be paid also to me who suffered and risked just as much as the others did,

I remain, etc, etc,

Fabre.

I, the undersigned, Biagioli Alfonso, living at Sarnano, Macerata, father of Biagioli Giuseppe (1911) at present a soldier p.o.w. at the following address:

No. 87595 - P.W. Rural Employment - Control Centre S. 9 - S.A.T.L. of C. Area - Australia,

request that my son be returned home to work on the land owned by me (approx.15 acres). During the period of "mopping up" operations of Allied p.o.ws., done by Nazi-Fascists troops, I kept for 9 months in my house at Sarnano Frazione Poggio a British prisoner, sheltering him from the persecutions of said troops. Then at nights, I used to be visited by 8 or 9 British p.o.ws who were in the vicinity of my house, and who came to listen to the British broadcasts

For the reasons stated above, I beg you to consider my application pointing out that my other son, Biagioli Delio, is nearly always sick and cannot help to cultivate the land.

Respectfully,

Biagioli Alfonso

c. The property includes:

Semi-permanent buildings

d. It is planned that such property and equipment as can be furnished from Italian Army stocks be substituted for the US Army property, as soon as convenient, in order to reduce the amount of US Army property gradually. For instance, Italian Army telephones can replace US Army telephones. This will be a matter to be arranged mutually on the spot between the US Detachment and the Italian Camp Commander.

The undersigned Capt GRECO MARCELLO, judge on the Court Martial Centre of "LEONANO" Div reports as follows :

After 2 years of absence from home, due to the exigencies of military service with Allied units (called up on the 26th August 1943 I did not follow the Germans nor the Fascists after 8th of September) I found my house and chattels destroyed due to an Air Raid. But what was most painful to know was that my own son (18 yrs old) GIAMPIERO was a POW of the Allied troops in the POW cage N.P. 209 at AFRAGOLA (under the command of G 2 Allied Military HQ; CASERTA).

From several reports as well as from my wife, I learnt that my family was subject to retaliations by the Republican Government after the 8th September 1943, since they considered me as a traitor. My family lived at MILAN, 3 Via Mercadante. All their means of livelihood were taken away from them and my son, whose age group was 1926, was called up by the Republican Army. After suffering various hardships and in fear of further retaliations against the family and especially his brother ALBERTO (not yet 16 years old) who later on succeeded in escaping aided by Partisans), my son GIAMPIE joined the 10th MAS "BARBARIGO" Bn. He did not take part in any mopping up operations of Partisans but was sent into the Line, where he was later taken POW.

He is a young student, who had to discontinue his studies and who never, of course, took part in any Fascist politics.

The undersigned would like to request 52 BIU kindly to arrange:

(a) For me to receive letters from my son.

(b) That I be granted permission from G 2 Allied Military HQ CASERTA, to speak to my son,

(c) And if possible at all, to set my son free, whilst I go bail for him or render myself subject to all security measures and dispositions Allied HQ might decide to take.

1900

His military past as well as his present employment with a Combat Group give the undersigned the hope that my application will be granted.
