1. Considerable numbers of field strength returns, casualties and documents relevant to minor details in the administration of ex-cooperators are still being received at this HQ.
2. With a view to preventing this in the future it is requested that a GRO on the following lines be published:-

20 July 1945

To : Minister for War

1. To my surprise, I have just been confronted with a request that the ex-cooperators at CESANO who have now become Italian soldiers should be granted leave forthwith.

2. (a) The whole matter of cooperators was discussed at A.F.B.Q. at the request of the Italian Government who wished to change what it considered to be the anomalous status of those personnel in ITALY.

(b) The Allies agreed to meet the Italian Government's wishes provided Allied interests were not prejudiced, and the whole discussion and result was on that basis.

(c) Nothing was ever brought up during the discussion as regards leave as above.

3. (a) If the CESANO ex-cooperators are given leave forthwith, all such personnel elsewhere will demand it. This will mean that whole units working on important work for the Allies will disappear for a time, to the grave detriment of Allied interests and hindrance of the Allied redeployment measures for war against JAPAN. Moreover, the sudden movement of 30,000 or so ex-cooperators on leave would impose a serious strain on the already strained transportation facilities in ITALY.

(b) Apart from the above, I cannot see that, in equity, this demand for leave is just. These ex-cooperators have been in ITALY for months, living and working in safety under excellent conditions, which were in fact better than those of the official Italian Army.

4. (a) I cannot therefore agree to this request which would harm Allied interests and is contrary to the whole spirit of the agreement.

(b) These men must take their ordinary ^{25 1/2} hrs the 15% basis) in getting leave as ordinary Italian soldiers.

5. Please take such action as you consider necessary to ensure the above. I feel sure that if properly explained to the personnel concerned, they will realize the necessity of

Ref. your O2E/IT/A/186 para 5, dated 16th. June. 1945.
Application is hereby made for the retention of the u/m.
Italian Co-operators after 30th. June. 1945, for the following reasons.
This unit is at present standing by to move to a new
site where it is proposed to establish a semi-static plant to be run
eventually by civilian labour. In these circumstances it is necessary
for the u/m personnel to be retained in order that they may be able to
instruct the Italian civilians in their duties. It is also believed
that they will shortly be required to form the nucleus of an entirely
Italian Laundry Unit which it is proposed to form.

stated above.

Answer to letter I5/3/45.

Subject : Sgt. CORDONA Armando.

1. Before Sgt. CORDONA Armando may draw the pay due to him , he must be screened.
2. He will therefore report to the nearest Italian Mil HQ which will address him to the screening Unit.
3. As soon as the military position of a/m N.C.O. is defined he will be taken on the strength of an Italian H.Q. that will pay him his credits and wages.
4. Consequently he would like to know where 572 Army Field Coy R.E. is located in order to determine the nearest Italian unit that will administrate this N.C.O.
5. Concerning promotion we inform you that according to actual instructions, N.C.Os can be promoted to the rank of 2/Lt. only for war merit, following a feat of arms, and on specified proposals made by authorities concerned. This N.C.O. is not in such a position.
