1. It has come to the attention of this HQ via a letter from the Directorate of Military Training, AFHQ, that three of the Italian Officers who have completed the subject course were destined to Regimental duties.
2. The War Ministry informs us that the reason is that one of the officers is to be tried by Court Martial, and that the other two officers are being investigated with a view to taking disciplinary action against them for some wrong doing.
3. The three officers in question are to be posted to the teaching staff of the Air. course starting 9 April.
4. It must be realized that considerable trouble is taken to train these officers for these specialized duties. It is not understood, therefore, why these three particular officers were selected in the first place, knowing that they were to be soon punished, and it was not intended to assign them to the Administrative course at RMC IOR.

17 Jan 45.

Dear Ireland,

I have had a request from HQ, RA Training Establishment, for information on Officer selection procedure for sending out to Major-General L. Browning, CB, CBE, MC, who is in charge of the training of the Italian Army and wants it for discussions on methods of selecting potential Italian Officers.

I am sending a copy of WOSB Pamphlet No 1 - the hand-out given to visiting Officers at WOSBs - to RACE for forwarding to the General and I have suggested that you should invite him to visit your Board to see an intake of candidates, because we do not know whether he has seen a WOSB working. General Browning's address is:-

Land Forces,
Sub-Commission, AG(131A),
Rome.

and if you will get in touch with him direct you can let him have all the information he wants.

We have recently had a similar request for information from the Polish Army and I am attaching a list of documents passed to them by No 25 WOSB. This is rather lengthy and I don't think General Browning will want to be burdened with all this paper, but it will help you to make a choice of the items which will be of interest to him.

I hope all goes well with No 52 WOSB and you have now settled down to your new job.

Kindest regards,
