SUBJECT:- D.O.V. of WO and N.C.O. Clerks

Distribution 'R' British

1. With reference to W.O's and NCO clerks employed at Formation HQ's and senior clerks in RASC Units.

2. The following message has been received from GHQ CMF:-

"It is obvious that numbers of reinforcement clerks sufficient to maintain even a reasonable standard of efficiency will not be made available ex UK in future. All are therefore warned that present holders of WO and NCO clerk appointments cannot be replaced from resources other than their own if allowed to proceed on release or PYTHON.

Although existing training facilities will continue to produce clerks of low grade, only in exceptional circumstances can it be expected to find material suitable to assume supervisory appointments. GHQ are reluctantly compelled to accept necessity for immediate D.O.V. action in respect of WO clerks and NCO clerks in key appointments. Nevertheless these WO's and NCO's will only be D.O.V. in cases where replacements are impossible to find and always on an individual basis."

3. Applications for the DOV the above will be submitted to G-1 (Br) this HQ on Appendix 'A' to Release Instructions 1945.

SUBJECT: Provision of RASC Clerks GD.

TO : List 'B' (Br)

1. The deficiency of RASC Clerks is becoming acute and by the end of September the deficiency will amount to some 1100, the loss for July alone totalling 527.

2. The only means of making good the above mentioned loss is via the medium of the RASC Training Unit GRAZ. The loss has to be made good from within the theatre.

3. It is, however, realized that units have difficulty in sparing men to fill vacancies on these courses but if it is not done, a very serious breakdown will be felt by all units. Consequently it has been found necessary to allot vacancies which will be filled. Where candidates of the calibre previously demanded cannot be found then the most suitable will be selected. Where these have been selected in good faith as genuinely the best available, the RASC Training Unit will persevere with them.

4. Candidates must be in A/S Group 48 or above or be regular soldiers or deferred volunteers and have at least 6 months to serve in the theatre. They must be non tradesmen of any arm and not above the rank of corporal.

5. Every unit will earmark one man and selection will be made by this Headquarters when the assembly date and number of vacancies allotted are known.

6. Units who have suitable material will help considerably by forwarding names voluntarily.

Sir:

May I please be granted 28 days RENLEAVE in Palestine commencing as soon as practical w.e.f. this date.

I re-engaged to complete 21 years with the colours as from 8.2.46 and therefore am entitled to RENLEAVE.

The reasons why I wish to spend my leave in Palestine is that my wife and child, who I have not seen for three years, are there.

I do not wish to combine RENLEAVE with SEWLROM or any other form of leave to which I may be entitled, and I realise that under these circumstances I am not entitled to any free travel facilities in connection with RENLEAVE.

I remain

Yours obediently,

W. Lyon S/Cdr RAOC 7586877.

Sir:

May I please be granted 28 days RENLEAVE in Palestine commencing as soon as practical w.e.f. this date.

I re-engaged to complete 21 years with the colours as from 8.2.46 and therefore am entitled to RENLEAVE.

The reasons why I wish to spend my leave in Palestine is that my wife and child, who I have not seen for three years, are there.

I do not wish to combine RENLEAVE with SEWLROM or any other form of leave to which I may be entitled, and I realize that under these circumstances I am not entitled to any free travel facilities in connection with RENLEAVE.

I remain

Yours obediently,

W. Lyon S/Cdr RAOC 7586877.

1. Ref M.M.I.A. letter A 360 of 13 Feb and CHQ reply 1546/A-1 of 23 Feb 46. The shortage of efficient personnel (clerks, adm. NCOs, and drivers) in this Mission is still acute and is now further agravated by commitments which B.L.Us. are accepting consequent on the closing of British HQs and installations in certain parts of Italy.

2. TURIN is a case in point where the OC BLU has been asked by 59 Area to act as OC troops and "outport commander" during the withdrawal period. While the Mission is trying to help in every way possible in those places, where its officers are in a position to do so, it is very difficult to act effectually without detriment to normal duties, unless we have adequate personnel etc.

3. This question of the efficiency of BLUs is also affected by the administrative plan outlined in AFHQ letter G.5 370-4 of 16 Feb to Allied Commission, to which the AC reply 8273/21/EC of 9 Mar gives certain information and needs regarding Land Forces Sub-Commission (M.M.I.A.).

4. It is requested that consideration again be given to these matters with view to:-

(a) The provision of personnel immediately

(b) An assurance of future administrative arrangements to enable this Mission (incl its BLUs) to function properly. A statement of our personnel needs is attached; these are already known to G2E.

Reference your A360 dated 15 Apr 46.

1. The deficiencies of ORs in HQ MEIA and ELUs as at 1 Apr 46 are noted.

2. In most cases the rfts required are not available in the theatre, but efforts are being made to make up a proportion of the deficiencies. It is understood that a certain number of rfts have recently been posted to 10 ELU.

3. Should further rfts of the categories required become available, steps will be taken to ensure that a fair proportion is allotted to HQ MEIA and ELUs.

4. To prevent HQ MEIA and the ELUs falling below the essential working minimum, you should, if necessary, initiate applications for DOV, as stated in this HQ 1546/A-1 dated 23 Feb 46.

1. Ref M.M.I.A. letter A 360 of 15 Feb and GHQ reply 1546/A-1 of 23 Feb 46. The shortage of efficient personnel (clerks, adm. NCOs, and drivers) in this Mission is still acute and is now further agravated by commitments which B.L.Us. are accepting consequent on the closing of British HQs and installations in certain parts of Italy.

2. TURIN is a case in point where the CC BLU has been asked by 59 Area to act as CC troops and "outport commander" during the withdrawal period. While the Mission is trying to help in every way possible in those places, where its officers are in a position to do so, it is very difficult to act effectually without detriment in normal duties, unless we have adequate personnel etc.

3. This question of the efficiency of BLUs is also affected by the administrative plan outlined in AFHQ letter G.5 370-4 of 16 Feb to Allied Commission, to which the AC reply 8273/21/EC of 9 Mar gives certain information and needs regarding Land Forces Sub-Commission (M.M.I.A.).

4. It is requested that consideration again be given to these matters with view to:-

(a) the provision of personnel immediately

(b) an assurance of future administrative arrangements to enable this Mission (incl its BLUs) to function properly. A statement of our personnel needs is attached; these are already known to G2.

Re:- 14258277 Gnr. Bannister. R.
H.A. 26, Young Street, Preston, Lancs:

The wife of the above named man is suffering from persistent headaches which are directly caused by her worrying about her husband. The Doctor has therefore advised her to apply for a compassionate posting for him. I enclose a Doctor's certificate.

The position at home is this - Mrs. Bannister has 5 children aged 2, 4, 7, 9 and 12 years and when she is ill she has to rely on her neighbours helping her as none of her relatives can. Mrs.Bannister has no parents and her two sisters have large families of their own. Gnr.Bannister's parents both go out to work and he has no sisters. His mother does, however, stop off work quite often to go to the Infirmary with Mrs.Bannister but she cannot do more. Consequently, when Mrs. Bannister is forced to go to bed, her eldest daughter aged 12 has to carry on looking after the rest of the family.

Bannister's release group is 35 and he went overseas in November 1943.

(Sgd) Pamela F. Mathes.

Mrs. Bannister of 26 Young St., suffers from persistent occipital headaches. From history, and after examination, I think the cause of the condition is worry over absence of her husband. She has 5 children and finds it difficult to do the necessary housework because of the pain.

In my opinion her condition would improve appreciably if her husband could be posted back in England, when he could see her more often.

2 Apr. '46.

To : All M.T. Personnel of M.M.I.A.

1. I want to emphasize again the importance of careful driving, so as to avoid casualties to personnel and vehicles, both of which are difficult to replace. If we sustain losses to either we shall probably have to do without them for sometime.

2. The increasing amount of petrol becoming available and the increasing number of Italian vehicles on the road, most of them mechanically unsound and many of their drivers (by our standards) mentally unsound make driving for British personnel a very dangerous task unless undertaken with extreme care.

3. On the other hand it generally takes two parties to make an accident, so that if you are careful - more careful than you would have to be if competing only with English drivers, you should be safe; but it does mean that you must take no risks and always be on the alert, assuming that someone is always going to come round a blind corner perhaps on the wrong side, or shoot across your road without warning.

4. It may be comforting after an accident to be told that you were not to blame, but it is not good enough; it does not replace your vehicle or repair the injuries to yourself or your passengers.

5. Most accidents can be prevented by taking more time; it is worth it. Start earlier in the day and, if necessary, take longer on your journey. It is better to be ten minutes late in this world than 20 years too soon in the next.

6. I am responsible to General BROWNING for the personnel and vehicles of M.M.I.A. and I ask you always to make sure that your vehicle is mechanically sound and to do your best to keep it so, and not overstrain it; that you keep yourself fit and wide-awake at all times. Having come safely through a war you don't want to endanger your life unnecessarily on the road. Be careful and be prepared.

1. Sjt POWELL is due for release with Age & Service Gp 28 in approx three weeks time and the provision of a suitable replacement is a matter of urgency.

2. I would point out that this NCOs job is a particularly difficult one in view of the closing down of nearly all other units in TURIN and the fact that No 1 BLU is now virtually TURIN Garrison.

3. For example we have to ration besides our own personnel various military and civil small units such as 292 Wks Sec RE, British Consul, British Council etc.

4. I have no ration L/Cpl, the cook is acting in this capacity, and no MT NCO (L/Cpl Dvr Mech).

5. It will be seen therefore that the duties carried out by Sjt POWELL are such that a good man, above the average of ~~Sjt~~ CQMS standard is required as replacement.

6. Further in view of the difficulties of the work, I consider it essential that the NCO sent as replacement should, in fairness both to himself and all concerned, arrive well before Sjt POWELL is due to leave.

7. The minimum period he should have under instruction with Sjt POWELL should be one week but 10-14 days would be far more beneficial.

8. May this be taken up with G2E as a matter of urgency please.

1. Attached is the authorized W.E. (No. CM/1112/2)of this HQ. on which is shown to what extent this has been implemented.

2. It will be seen that three learner clerks have been posted. Whilst these three men do their best, they have had no previous experience as clerks and this naturally throws a great deal of work on the clerical Sgt.

3. The real seriousness of the matter is however that 10549835 Sgt. BARKER.A. RAOC is in release group 28 and will probably leave for UK some time in the middle of April.
The same applies to 6406083 L/C PAGE R. SUSSEX the Driver-Mech. at this HQ.

4. It will be readily appreciated that in a small HQ. such as this is, these two CRs are absolutely "Key" men and without suitable replacements we should find it extremely difficult if not impossible to function efficiently.

5. You are requested therefore to post suitable replacements for Sgt. BARKER and L/C PAGE well in advance of the date that these two men leave for release.

I wonder if you can help us. My General has just come back from a visit to Gen. If this should be correct, would you let me know the names and particulars of any surplus clerks in Group 33 and upwards who could be transferred to MMIA. I am corresponding with GHQ on this difficult subject now and think that if I can give some likely starters that D.A.F. might be induced to post some to us.

I hope to be up your way on tour again about ~~26~~ 23 March (with wife) and that we shall both see you again. We might get out to Como again.

Dear

As you know, better than anyone, the clerk situation is frantic. I have noted all your S.O.S. and GHQ is doing its best, but we must all help ourselves.

If you know of any local HQ or units disbanding who have clerks to turn in, and can get their names etc, let me know. I will try and arrange for O.2.E. to post them to us, when naturally those who discover them will have first priority.

We can't guarantee any results by this method but there is no harm in trying it - only be sure and get your facts right before reporting them.

The above suggestion applies also to officers if known to you, and provided we have vacancies.

Yours ever

W. Pidsley.

Gdm. PINK has been separated now from his fiance for seven months and has had a chance to discuss the whole matter with his parents. Everything that can be done to dissuade Gdm. PINK from marrying has been done and now the time has arrived when the application can no longer be ignored. Gdm. PINK has five years service and a clean conduct sheet and it is considered that if further obstacles are put in his way, his up to-date exemplary record may become broken by his becoming disgruntled and indisciplined. 1. Attached is an application received from the above mentioned Guardsman in connection with his desire to marry a Greek lady, and also documents forwarded to this Headquarters when Gdsmn. Pink was posted here on 6 February 1946.

2. I have interviewed Gdsmn. Pink and am of the opinion that he is very firmly determined to marry this lady. He has now been separated from her for seven months and has apparently discussed his proposed marriage with his own parents whilst home on LIAP. I am of the opinion that everything possible has been done with regard to dissuading Gdsmn. Pink from marrying, and you will note that his former Commander, a Lieut. Graham, did not recommend the marriage. None the less, I do not think the application can be ignored. Gdsmn. Pink has five years service and a clean conduct sheet and I consider that there is a danger, if obstacles are continually put in his way, that he may become disgruntled and even undisciplined, although I must state frankly that his manner at present is most respectful and correct.

3. I fully concur with the general opinion on the grave disadvantages of such mixed marriages, though I am not prepared to agree with the statement contained in the documents made by Mr. C.A. Chamberlain, S.C.F., who signs himself Major Chamberlain, in which he chooses to use the word "Wife".

4. I respectfully suggest that this matter be given consideration at the highest possible level, as it would seem a great pity that a Regular soldier with a clean record should run the risk of becoming disgruntled.

My Dear Browning

Reference your A 380/104 dated 19 Feb 46 and Dep Mil Sec's reply, DO/83/MS of 21 Feb 46.

I very much appreciate your difficulties but we are up against great difficulties ourselves at this present moment. Until the future in this theatre is definitely settled, and I hope we shall make some advance towards that in the forthcoming ROME Conference, it is practically impossible to make any definite plans or allotment of manpower under the "A" aspect. Everybody is in an extremely tight situation as regards clerks and we have practically nothing in hand. We are doing our best to eke out the small dribble of personnel whom we are training as clerks and distribute them as fairly as possible among the various claimants.

I hope that after we are a little clearer as to the process by which this theatre is to run down we shall find that a certain amount of manpower may be thrown up for distribution among the permanent organisations such as yours which are to remain. For the moment however, I am afraid that you will have to just carry on on a hand-to-mouth basis similarly to everybody else.

I do not believe that you would get any benefit by coming directly under the War Office because I was told personally by the A.G. only a few days ago that there are literally no personnel available at home and the only way that they can make any adjustments or additions to manpower is by shuffling bodies about between the various theatres; and they will not do that as far as we are concerned until our final plan is hatched as to the closing down of C.M.F.

I am leaving your letter, and my reply, with Brigadier Mitchell who is taking over from me until Brigadier Napier returns from Liap, as I am moving on into the Chief of Staff's Chair forthwith.

Yours sincerely

1. While your difficulties over Clerks are fully appreciated at this GHQ, the almost total absence of trained replacements eliminate the possibility of any immediate and complete solution.

2. In order to help as far as is possible, O2E have been instructed (vide 1546/A-1 of 23 Feb) -

(a) To post four or five Clerks to you as soon as available from the present Learner Clerks Course.

(b) To put your Sub-Commission on the same priority, for reinforcement purposes, as all major HQs in the theatre.

3. It is hoped by this expedient to ensure that you do not fall below the minimum needed for effective working.

4. The withdrawal of ATS Clerks mentioned in para 4 of your letter was unavoidable in view of the existing position. The shortage of stenographers is such that when recently there was a requirement for a stenographer for a Ministerial Commission in VENEZIA GIULIA, no stenographer could be found from this GHQ. The run-down of ATS is so rapid that for all practical purposes the supply of ATS stenographers is now non-existent.

5. It is not felt that any useful purpose will be served by approaching the War Office to accord special treatment as their resources are known to be unequal to further commitments and previous requests affecting other Missions have been turned down.

My dear Hunt

1. (a) I have just seen your signal C.21349 of 9 Feb. and I do appreciate the very great difficulties you are up against and how much you have done for us.

(b) At the same time I have been in direct contact with C.A.O. and D.S.T. (my A 380/104 of 8 Feb refers) on the matter of the removal from MMIA of Lt. Colonel WILSON, my ADSI.

(c) Also I have written to G1 (Br) (my A 360 of 13 Feb refers) on the appalling prospect for MMIA as regards clerks.

2. I feel that all the above are part and parcel of the same problem as far as MMIA is concerned and so I write to you to propose that the whole matter be taken up with the War Office as a matter of high policy.

The state of affairs, as I see, it, is this:

3. (a) C.A.C. informs me that it is clear that AFHQ and GHQ, CMF, are going to disappear in the near future, and that all their responsibilities have got to be devolved on other HQ, which are in a position to carry them. You thus have, with continual releases, a big problem in fitting people in so as to enable the "other HQ" to close down CMF - presumably in the not too distant future.

(b) (i) On the other hand I have a direct charter or directive from the CCS to produce a new, efficient Italian Army in the shortest possible time. Obviously, both from the international and Italian national point of view, this is a necessity, which is proved by the interest that both the UK and USA Government are taking in the matter.

(ii) MMIA requires continuity. We all reckon from long experience here that it takes a full 3 months in MMIA before a chap really starts to pull his weight. Our W.E. has been, inevitably, cut to the bone. Therefore it is all the more necessary that we have the bodies to fill our alternated establishment. To depend on a precarious supply of officers and O.Rs., who may continually change, is likely to make it quite impossible for me to do my job and carry out CCS orders. Of course if you could post to MMIA replacements who have still some time to serve, the problem could be solved. But I gather that this is not possible. So it seems that the War Office are the only people who can do so.

(iii) Sooner or later, and probably sooner than later, the Allied Forces will fade out here, leaving only the Service Missions. When that time comes we will have to be dependent on Home for our officers and O.Rs. So why not have this arrangement established now, particularly as one

You thus have, with continual releases, a big problem in fitting people in so as to enable the "other HQ" to close down CMF - presumably in the not too distant future.

(b) (i) On the other hand I have a direct charter or directive from the CCS to produce a new, efficient Italian Army in the shortest possible time. Obviously, both from the international and Italian national point of view, this is a necessity, which is proved by the interest that both the UK and USA Government are taking in the matter.

(ii) MMIA requires continuity. We all reckon from long experience here that it takes a full 3 months in MMIA before a chap really starts to pull his weight. Our W.E. has been, inevitably, cut to the bone. Therefore it is all the more necessary that we have the bodies to fill our ~~alternated~~ establishment. To depend on a precarious supply of officers and O.Rs., who may continually change, is likely to make it quite impossible for me to do my job and carry out CCS orders. Of course if you could post to MMIA replacements who have still some time to serve, the problem could be solved. But I gather that this is not possible. So it seems that the War Office are the only people who can do so.

alternated

(iii) Sooner or later, and probably sooner than later, the Allied Forces will fade out here, leaving only the Service Missions. When that time comes we will have to be dependent on Home for our officers and O.Rs. So why not have this arrangement now, particularly as one knows that there are heaps of officers and O.Rs. out of jobs at Home now?

established

4. You appreciate of course that not only are we reorganising the Army on a Peace basis, but we also now have the responsibility for reorganising the whole of the CC.NE. and for dealing with the repatriation of a further ½ million Prisoners of War. It is, to say the least, a formidable task. We can and will achieve results, but only if we are given the proper tools to do the job.

5. Believe me, I am not trying to "bellyache." I know and am most grateful for all you have done and are doing. But I am alarmed at the prospect of not being able to carry out my specific orders for the CCS just because, for tech-

-nical reasons, the requisite staff may not be available to me. I therefore feel that I must record my views and urge, as I say, that this whole matter be taken up now with the War Office with a view to :-

(a) MS and AC matters over supply of personnel for MMIA coming direct under the War Office.

(b) MMIA wants being thus adequately provided, with security of tenure and replacement.

6. Perhaps you would discuss all this with the appropriate authorities in GHQ and let me know what their reactions are to it.

Yours

1. Ref. your G2E/82303/MP/3 dated 20 Jan. 46, it is regretted that correct action was not taken regarding the return of the a/n O.R., to B.R.D.

2. Regarding his suitability as a clerical-trainee, and the training he received here. This O.R. was given every assistance and chance to learn clerical-duties during the month he was with this Unit, but just had no idea and was incapable of keeping anything in his head, for more than thirty-seconds. He was shown both general clerical duties and also the duties of Rations and "Q" clerk.

3. It will be appreciated, that in a Unit of this size it is very much more difficult to exist, with a "passenger", than it is, in a large Headquarters, and I would make this appeal, that a suitable clerk (preferably a Cpl.) who has already received general training in clerical-duties, be posted to this Unit as soon as may be possible in consequence with the shortage of man-power, in this theatre, in order to complete the W.E. of this Unit.

TO : G.H.Q.,
C.M.F.

1. The shortage of O.R. clerks, which is well known to be serious throughout this Theatre, is going to become critical in this Mission towards the middle of March unless some special steps are taken to meet it.

2. The position, taking anticipated releases into account, will be as follows :-

MM. M.M.I.A.	WO I	WO II	S/Sjt	Sjt	Cpl	L/Cpl	Pte	TOTAL
Authorised Strength	1	2	3	7	13	13	27	66
Strength 15 Feb.	1	2	3	5	8	9	10	38
Estimated 31 Mar.	-	1	3	2	3	6	7	22
Deficiency 31 Mar.	1	1	-	5	10	7	20	44

Full particulars are made known to G2Z through routine channels.

3. I consider I can accept a 33⅓ deficiency and must do so to allow for leave etc., but a shortage of 66⅔, particularly in senior [illegible] positions, is more than I can stand, and is bound to affect working efficiency in a Mission with duties such as this and with its W.E. already cut to the bone.

4. A serious aspect of this is the withdrawal, on 26 Feb, without replacement, of the 4 ATS clerks (3 of whom comprise the only shorthand-typists here). Their retention or replacement by qualified stenographers is, I consider, essential.

5. Formal requests by letter to G2Z and conversations by telephone have resulted mainly in statements that very few replacements and those of a low standard, are likely to be available.

the middle of March unless some special steps are taken to meet it.

2. The position, taking anticipated releases into account, will be as follows :-

HQ, M.M.I.A.	WO I	WO II	S/Sjt	Sjt	Cpl	L/Cpl	Pte	TOTAL
Authorised Strength	1	2	3	7	13	13	27	66
Strength 15 Feb.	1	2	3	5	8	9	10	38
Estimated 31 Mar.	-	1	3	2	3	6	7	22
Deficiency 31 Mar.	1	1	-	5	10	7	20	44

Full particulars are made known to O2E through routine channels.

3. I consider I can accept a 33⅓% deficiency and must do so to allow for leave etc., but a shortage of 66⅔%, particularly in senior key positions, is more than I can stand, and is bound to affect working efficiency in a Mission with duties such as this and with its W.E. already cut to the bone.

4. A serious aspect of this is the withdrawal, on 26 Feb, without replacement, of the 4 ATS clerks (3 of whom comprise the only shorthand-typists here). Their retention or replacement by qualified stenographers is, I consider, essential.

5. Normal requests by letter to O2E and conversations by telephone have resulted mainly in statements that very few replacements and those of a low standard, are likely to be available.

6. In view of the special, and possibly long continued, nature of the work of this Mission and the fact that it will probably have to continue after other headquarters have left this country, it is earnestly requested that the question of the provision of clerks may be fully considered and a definite means taken to ensure a reasonable sufficiency.

7. It may well be that you consider it impossible to assure this from the future reinforcement machinery in this Theatre, in which case it is suggested that the War Office might be asked to accord special treatment for this Mission, as is believed to be accorded to Military Missions in certain foreign countries, whereby they deal direct with the War Office and are supplied with clerks either military or civilian from U.K.

8. In any case, I repeat, that the situation will very shortly become critical unless some special means are taken to meet it, and I therefore request your instructions as soon as possible.

1. The incidence of VD in this Command has shown a tendency to increase in recent weeks, and it is considered that soldiers are not using the PAC/PRO Stations, nor is sufficient attention being paid to this problem in units.

2. All Commanding Officers are requested to take immediate steps to reduce the present VD rate by means of propaganda notices, unit lectures etc.

3. In order to assist them in preparing lectures Major E L Carter FADH, will give lectures to all Commanding Officers or their representatives on Thurs 7 Feb 46 at 1000 hrs in the E A Volturno Cinema, Via Volturno, Rome.

1. GRO 1336 is being superseded by a new GRO now in publication.

2. The provisions of this new GRO are similar to those of GRO 1336 except as in para 3 below.

3. If, after full consideration, Commanding officers find it necessary in the interests of military efficiency, to promote individuals who do not come within the terms of para 4 of GRO 1336/45, they may promote up to and including the rank of sergeant without reference to GHQ 2nd Echelon. Normally promotion should not be given to individuals with less than 2 months to serve with their unit. 2. Whilst the overall position regarding availability of personnel is not known at this HQ, it is possible in a large HQ to carry on with deficiencies in W.E. In the case of 'A' and 'B' Type BLUs however, which are small units working on a W.E. already greatly reduced, any deficiencies in clerical personnel are a serious matter and necessitate officers who should be out on Liaison duties dealing with the clerical work in an office.

Dear H/Cmdr Penshaw

I apologise for having held on to the a/m Cpl for a longer period than that stipulated in your letter A 360 of 15 Dec 1945.

As you know this is a "B" type B.I.U. on the establishment of which there are two clerks only. Since I had had to send one of these clerks on L.I.A.P. or compassionate grounds I was loath to loose the other, Cpl Carrick, before a replacement for him had joined us.

I telephoned to your H.Q. on 30 Dec asking for assistance in this matter when I heard from my then affiliated "A" type B.L.U., No 2, Milan, that they could not keep a promise to replace Carrick before the end of the year. However your H.Q. were unable to help.

Now however we have received a replacement for him. He is being despatched on L.I.A.P. within a few days and will rejoin your H.Q. directly on return. Thank you for your help in arranging that he should be sent on leave direct from here.

Best wishes to you for 1946.

3. INCREMENTS OF PAY

An increment of 6d per day will be granted to all soldiers on the completion of five years reckonable service. A further increment of 6d per day will be granted on the completion of ten years reckonable service.

These increments will take the place of the existing increments for long service and good conduct which will no longer be given.

There will also be an increment of 6d per day after five years service in the rank of corporal; 6d per day after each period of 4 years as Sgt, S/Sgt or WO II, and 1/6 per day after each 4 years period as WO I.

4. ADDITIONAL PAY

Soldiers entering into regular engagements from civil life on or after 1st January 1946 and all soldiers who marry after 30th June 1946 will be required to accept new rates and conditions of marriage allowances, even if less favourable, with effect from 1st July 1946.

In the case of all other soldiers on regular engagements, and soldiers still serving on war time engagements, where total marriage allowance and qualifying allotment in issue to family on 30th June 1946 exceeds total payable under new code, total amount in issue under old code (subject to substitution new rate qualifying allotment for old rate) will be continued for so long as it remains more favourable to family and for so long as any children covered by allowance at the time remain eligible under the present rules. Amounts so continued in issue will not be subject to subsequent increase by provisions of old code except in respect any children for whom pre-natal allowance, (which will disappear under new code) may be admissible before 1st July 1946. Where higher qualifying allotment is payable under new code, the new rate will be deducted from the soldiers pay, and the amount in issue to family in excess new entitlement will not be increased on account of this, or future increase, in rate of qualifying allotment, or on account

Soldiers will, within certain limits, remain at liberty to make voluntary allotments, as before, in addition to the qualifying Allotment.

13. AGE LIMIT FOR MARRIAGE ALLOWANCES

The minimum age to become eligible for marriage allowance is 21 years.

Special arrangements for married men below 21 years will be announced later.

14. APPLICATION OF NEW CODE

Soldiers entering into regular engagements from civil life on or after 1st January 1946 and all soldiers who marry after 30th June 1946 will be required to accept new rates and conditions of marriage allowances, even if less favourable, with effect from 1st July 1946.

changes in the family's circumstances. In the event of casualties to the family, the excess in issue to the family will be proportionately reduced.

15. DEPENDANTS ALLOWANCE AND WAR SERVICE GRANTS

No new claims for dependants allowance or war service grants, by regular soldiers, will be admitted after 1st January 1946. Men serving on regular engagements on that date, and men entering into regular engagements from active service or from release leave, between 1st January and 1st July 1946, will be allowed provisionally to continue these allowances if already in issue on 1st January. But the necessity for continuing allowances after 1st July 1947 will be reviewed before that date.

New rates of qualifying allotment for marriage allowance will as from 1st July 1946, be applied to ordinary dependants allowance and the amount of state contribution to the allowance (which is inclusive of allotment) will be varied accordingly. New rates of marriage allowance and qualifying allotment will, as from first July 1946, be applied to special dependants allowance, and payment of rates in excess of new rate will be allowed under the same conditions as for marriage allowance (see 13)men serving on war time engagements will continue, provisionally, to be eligible for ordinary and special dependants allowances and for warservice grants. But the necessity for continuing allowances after 1st July 1947 will be reviewed before that date.

16. INCOME TAX

At present family allowance is not taxable. Under the new code marriage of allowance, special dependants allowance, and excesses under Para 14 above will be included in the soldiers total emoluments for taxation purposes in the same way as civilian wages are taxable.

17. FAMILY ALLOWANCE ACT

Allowances will be payable under the family allowance act in respect of children of service men, in the ordinary way.

18. FUTURE REVISION

MISCELLANEOUS

19. INSURANCE UNDER THE NATIONAL HEALTH SCHEME

Subject to the necessary modifications a soldier and his family will be eligible for the full range of benefits of the national insurance scheme or broadly equivalent benefits (eg Medical attendance) under service arrangements. The present system of contributions will be adapted to suit the wider scope of the new scheme.

20. LENGTH OF ENGAGEMENT

The contemplated normal regular engagement will be, in future, for 5 years with the colours. But extensions to complete 13 years with the colours will be granted on a more liberal scale than before the war. Men so extended will have the right to re-engage to complete their pensionable engagement, which, subject to necessary legislation, will be 22 years. Continuance beyond 22 years will be permissible in certain cases. Reenlistment and re-engagement on these terms will not be permitted until this is authorised by further instructions.

21. FOREIGN SERVICE

It is hoped that the normal period of foreign service for a man on his first period of his engagement will be reduced to 3 and a half years at most, as compared with 6 to 7 years before war.

22. FURLOUGH ON DISCHARGE AND CIVILIAN CLOTHING

In future all regular soldiers will normally be granted, pending discharge or transfer to the reserve, on completion of the normal period of service with colours, 28 days paid leave. He will be provided with a suitable outfit of civilian clothing or cash grant in lieu. Those whose colour service ends during currency of the present release scheme will receive same benefits as non-regulars.

23. PENSIONS

There will be a completely revised service pension scale which will become immediately applicable to all soldiers at present serving on regular engagements as well as those enlisting in the future. Pensions will be given on discharge, after 22 or more years colour service, on an improved scale under which, for instance a private with 22 years service in all may receive pension 26/4d week and serjeant with 22 years service in all may receive pension at the age of 40 of about 34/- a week. Maximum rate pension for warrant officer class 1 of very long service will be five pounds a week. There is no provision being contemplated. For the future review these new pensions scales.

./.

Declassified E.O. 12065 Section 3-402/NNDC No. 785020

24. GRATUITIES ON TERMINATION OF SERVICE

Soldiers enlisting in the future on regular engagements and who do not serve on for pension, but leave with not less than 10 years service, will get gratuities ranging from 50 pounds to 200 pounds, according to length service. Soldiers already serving in regular engagements will qualify for these gratuities assessed on service given after date this announcement.

The above-named NCO has applied to me to have his Release Group revised, with a view to revision to Group 26 under GRO 1128 of 12 Oct 45.

He was born in 1919 and enlisted in Oct 1939, which would normally make him A/S Group 26. After return from Dunkirk in 1940 he was absent without leave in June 1940, for which he was punished with (forfeiture ~~of service~~) and 56 days detention.

Since then he has held the rank of W/S Cpl for 3 years and completed a period of 18 months without an adverse entry in his conduct sheet (Regs for Release from the Army 1945, P.129, Appx Q, Paras 1(b) and 1(c) refer).

Prior to joining 52 British Liaison Unit in Oct 44, he served with 1/6 E Surrey Regt in N Africa, was wounded and downgraded to B2.

During the time that he has been with this unit, he has proved himself a capable NCO and has again been at the front with an Italian Div, ie: LEGNANO Inf Div.

I strongly recommend this NCO's case to be considered in view of his subsequent good record. He is at present in A/S Group 28 and is desirous of being regrouped 26.

2. If you cannot supply a corporal clerk, I shall supply one of my own clerks who deserves promotion.

3. Any deficiencies of clerks either here or in 2 BLU will be notified to you, and civilians will be employed where vacancies cannot be filled by military personnel.

4. I assume that suitable personnel may be promoted by me where vacancies on the WE exist. Will you kindly confirm this.
