T/Capt. D.D.S. - Letter on FA 3 A/ 3, 7

1. The above mentioned officer is due to report to Assembly Centre for Poland on or about 15 May 45. This officer is at present held on the strength of No. 1 R.A.U. Rimini. It is understood that difficulty may arise in finding a replacement for this officer. The work of this R.A.U. with the U.N.R.R.A. is of great importance, since a considerable number of displaced persons are located in the area. In addition extra are widely scattered making the key problem somewhat complicated.

May I please be informed whether :-

(a) The existing shortage of RAF officers is of a temporary nature and that a replacement may be expected in the near future. If so what is such a replacement likely to be available?

(b) If it be impossible to find an officer replacement is it possible to post a WAAF officer instead?

2. An early reply is requested as the matter is of some urgency.

Ref Progress Report No 10 para III G.

1. Capt R.D.P. WILKINSON is for release with A/S Gp 27 due to report to Assembly Centre by 16 May 46.

2. I understand from Capt WILKINSON, that during his recent visit to Rome he was informed by DAAG that there was no replacement RASC Officer available.

3. May I please be informed whether :-

(i) It is not possible to fill this vacancy in establishment at the moment because of the general shortage of RASC officers, but that the vacancy will eventually be filled.

or (ii) That it will not be possible to fill the vacancy and that in effect the appointment of an RASC officer to this BLU will lapse.

If the first alternative is the case may I be given an estimate of when an RASC officer is likely to be posted.

If the second alternative is the case is it possible to have an RASC WO posted in lieu.

4. If there is no RASC rep on the staff of this BLU, the work will have to be undertaken by the DAA & QMGs of No 1 & 2 BLUs respectively. This will be very unsatisfactory except as a temporary measure and the supervision of units and depots will suffer considerably.

HQ 2 District

It has come to notice that in 4 B.L.U. out of an establishment of seven officers only one is now at duty with the unit, namely Lt Col DOUGLAS GSO I. of the remainder, two are on LIAP; one is on DOMCOL; two are on release leave and one vacancy for camp comd has not been filled. In these circumstances it is not possible for 4 B.L.U. to function effectively. Lt Col DOUGLAS now finds much of his time taken up with the administration of the 15 other ranks on his establishment to the prejudice of his normal liaison duties.

It is not known why three officers were permitted to proceed on leave at the same time, it was done without my knowledge or consent and before Lt Col DOUGLAS arrived to command the BLU. In my opinion it is essential that two officers should be posted to 4 BLU immediately, preferably a GSO II and a Camp Comdt.

(sgd) A.J.L. FURVIS
Colonel,
Commander.

2. Capt A.W. Denyer deferred his release for one month on a "Gentleman's Agreement" in order to complete the soalings and clear up outstanding matters of the Folgore Division, at the request of this BLU.

3. Arrangements for his discharge are in hand and by the time he reached 56 Area he would have to commence his journey back to Assembly Centre, MILAN. Also soalings etc for Folgore Div - a matter of urgency according to HQ 2 District would be unavoidably delayed for weeks to come.

1. Whilst the urgency of your need for Capt SEWELL is fully appreciated his presence with this HQ is extremely important at the present time as an entire It div has to be "marched out" of all ord stores sup from Brit sources.

2. As the above involves compilation of complete lists of Brit stocks held to be handed over to It War Ministry and as Capt SEWELL is the only offr in this HQ qualified to do the work, considerable confusion would arise from his immediate posting.

3. By speeding up the outstanding work as much as possible it is estimated that it would be completed by 25 Jan by which date Capt SEWELL should arrive in NAPLES.

4. Though it is realised that, once posted, an offr may not be held indefinitely by his original unit it would greatly assist the work of this BLU if your consent to retain Capt SEWELL here until 23 Jan were granted.

5. Please reply by sig whether you allow or refuse this request.

RECEIVED 7/1/46 A

A/66/462

1. I have just returned from LIAT and find that my B.L.U. team has been sadly reduced in my absence - in fact as proposed at the present time not only reduced but disintegrated.

In view of our present role it seems to me of utmost importance that the team work of the BLU's which have been working with Combat Groups in the past should be retained.

The following two cases are outstanding at the present moment - if existing intentions are carried through and these two officers are posted away I shall be the only 52 BLU officer left when we turn over to 4 BLU at BOLZANO and I cannot deprecate this too strongly: the case of Major Hope Johnstone will be taken up separately:-

45

(i) Capt.P.H.Nelson (REME) (vide your signal A1379 dated 19 Dec 45). 5 BLU (alias 52 BLU) is to take over from 4 BLU at BOLZANO. It seems reasonable therefore that those personnel at present with me in 5 BLU should proceed to BOLZANO, and that those personnel at present with the BLU in BOLZANO thereby made surplus should proceed with their own BLU to FLORENCE or elsewhere.

I am most anxious to retain the services of this officer: an inspection of the Legnano Workshops will provide sufficient evidence of his achievments: we work in complete harmony and I know what he is out to achieve with the result that I am probably able to give him more assistance in his enterprise than others would be who do not know him.

(ii) Capt.W.F.J.Smith (RAOC)

No ordnance officer is allowed for on the new establishment, but the necessity for the retention of one is made clear in your directive L.F.S.C.(MMIA) COS/11/1 dated 6 Dec 45., which lays down the duties of Ordnance Liaison. It appears to be the intention that I should retain an Ordnance Officer at BOLZANO as Capt Denyer is to remain there.

53

My Ordnance Officer Capt.W.F.J.Smith is under orders to proceed to 1 Armd Replacement Group Kitting and Stores Coy RAOC vide GHQ CMF letter No.14835/A9 dated 24 Dec 45, addressed to you.

It would actually suit me very much better to retain Capt Smith who has been with me for many months now and carried

It would actually suit me very much better to retain Capt Smith who has been with me for many months now and carried out his work most efficiently, and for Capt Denyer to proceed to 1 Armd Replacement Group instead of him.

2. It is worth mentioning at this juncture that I am entitled to an RASC Officer with an 'A' Type BLU and that such is most urgently required at BOLZANO. Capt.W.J.Beckett is no longer with this unit and Capt. I. Treleaven is at present employed at the D.I.D. at MESTRE and cannot be dispensed with (vide your signal A.1379 dated 19 Dec 45). 45

To : No 5 B.L.U.

1. Reference No 5 B.L.U. letter 31 December 1945.

2. It is pointed out that under authority of this HQ message SD/3093 dated 13 Dec. '45, No 5 B.L.U. became a 'B' Type B.L.U. wef 31 Dec. '45.

As a result of this the Establishment of 5 B.L.U. must drop from that of 'A' Type B.L.U. to a 'B' Type B.L.U.

3. Captain W.P.J. SMITH, RAOC has been surplus to Establishment for some weeks and in view of the new shortage of RAOC officers in CMF there was no possibility of retaining him.

4. Captain A.L. WHITE who has been Captain REME with No 4 B.L.U. since 15 Nov. '45 is remaining in that appointment and, as No 5 B.L.U. is affiliated to No 4, will be available to assist in any REME problems that may arise.

Captain P.H. NELSON will therefore report immediately to No 7 B.L.U. who are extremely short staffed at the critical moment when FOLGORE Division are moving into their area.

A.

Ref your A394 of 22 Dec 45 to GHQ CMF copy to us.

Our late 52, then 5, now to be 4 B.L.U. "team" has been sadly broken up of late.

Now a GHQ CMF posting letter 14855/A9 of 24 Dec has been received from GHQ posting away our Ord Officer - Capt W.R.J.Smith, making matters worse than ever.

I therefore most strongly submit that the proposed posting of Capt P.N.Nelson (RNVR) to 7 B.L.U. be reconsidered in view of the above and also in view of the following:-

(a) Capt Nelson has been with this BLU for a considerable time, during which time he has become an integral part of our "team" and has done a really first rate job of work - A tour of the Legazpi Div Workshops would demonstrate this far more clearly than anything I can write or say.

(b) Capt Nelson, who does not know 4 (to be 7 BLU) wishes to remain with this BLU which he does know.

(c) This BLU very much wishes to retain such an able officer as part of its "team" in view of its tasks ahead.

(d) I am certain that the CI wishes to retain him very much.

(e) The present BLE with 4 BLU (to be 7 BLU) could surely remain with that BLU whom he has always worked with and knows and Capt Nelson remain with this BLU ?

I submit most earnestly therefore that (e) above as a possible solution be considered by you in view of the above facors.

and also in view of the following:-

(a) Capt Nelson has been with this HLU for a considerable time, during which time he has become an integral part of our "team" and has done a really first rate job of work - A tour of the Legnano Div Workshops would demonstrate this far more clearly than anything I can write or say.

(b) Capt Nelson, who does not know 4 (to be 7 HLU) wishes to remain with this HLU which he does know.

(c) This HLU very much wishes to retain such an able officer as part of its "team" in view of its tasks ahead.

(d) I am certain that the GI wishes to retain him very much.

(e) The present HLU with 4 HLU (to be 7 HLU) could surely remain with that HLU whom he has always worked with and knows and Capt Nelson remain with this HLU ?

I submit most earnestly therefore that (e) above as a possible solution be considered by you in view of the above reasons.

1. I would be glad to learn what possibility there is of having a MMIA trained DAA & QMG to replace Major BOURNE who will shortly leave on Class "B" release.

2. Major BOURNE's knowledge of Territorial HQs, and his ability to speak Italian, have already proved useful.

3. HQ 7 AGRA have offered a major who will shortly be without employment. I have told them that you will probably wish to supply someone who has worked with Territorial HQs, and understands MMIA organisation. There is no staff trained and Italian speaking officer available from 7 AGRA.

Capt W.L. Beckett - R.A.S.C.

Capt Beckett was posted to 52 BLU by 2 District, (reference 2 District 4562/ST/# of the 17 Oct 45). He reported 27 Oct 45 as Capt RASC to 52 BLU.

The whereabouts of Capt Trelevan (shown as Capt S & T in MMIA Directive No 1 of the 30 Oct 45 in the provisional Staff list of 5 BLU), was not known until the 27 Nov 45. Accordingly G.1. wished to retain Capt Beckett as Capt S & T and informed Col Browne G.1. 2 District at the Milan Conference on 18 Nov 45.

Col Browne concurred. Refernce 2 District letter 2015 G/(B) of 20 Nov 45.

Capt Trelevan is now taking over ITI Depot at Mestre from Capt Craig, MMIA.

Accordingly Capt Beckett is now surplus to W.E. this Unit.

In view of the fact that G.1. is on LIAP and DAA & QMG has still not yet reported, I would like to retain Capt Beckett until the 10 Dec 45. He is invaluable at the moment.

W.e.f. 10 Dec 45, may he be posted away please: he wishes this. His record of Service is attached in brief.

During his stay with the BLU, he has done a first rate job of work and is an extremely able and hard working officer.

He wishes to return to Regimental Duty.

Under the circumstances, may Capt.GREPE be considered for this appointment. He is a member of the old 50 BLU, speaks Italian fairly well, and I consider he would be suitable in every way.

1. I have today received your signal A 461 dated 17 Nov stating that Capt STREATFEILD was not to be sent to BTA until authority is received from Dep Mil Sec GHQ.

2. STREATFEILD was despatched on 15 Nov following receipt of a DO letter from Col PIDSLEY stating that MMIA would make him available, and because he was called to BTA for interview with a view to immediate appointment.

3. The situation now is that BTA will apply to Dep Mil Sec to authorise the posting if they wish to appoint STREATFEILD to a vacancy on their WE. If not, he will remain at the disposal of MS.

4. I had no intention of despatching STREATFEILD without being sure that you were not reserving any rights to fit him into your organisation. Once I heard that MMIA would make him available it seemed logical to despatch him for interview, as no recommendation for his future appointment could be submitted to MS until this had taken place.

1. The above named officer was a Training Major in 'E' Training Increment, attached 56 BLU. He went on LIAP in August and while at home he was taken ill. He was not mentioned in this office letter 28G of 19 Oct 45, as at the time it was understood that he would not return to this theatre.

2. He has, however, recovered from his illness, and he reported here today on return from LIAP. He is now available for posting, and is being held here pending posting orders.

3. He is anxious to serve with the Italian Army until he is released. I strongly recommend him for this; he speaks good Italian, gets on well with Italians and commands their respect.
