17 Feb 45TO : MMIA LO 52 AREA

1. Around 4000 more Italian soldiers from the BALKANS will shortly be arriving ST ANDREWS. There have been too many desertions from the camp by the former personnel and it is thought that the desertion rate can be considerably reduced.
2. It is desired that you personally instruct the Italian Camp Commander in the proper way, and what steps are necessary, to reduce the desertion rate.

Re: your letter 1/19/45 of 12 Jan 45.

1. It is regretted that no special accommodation arrangements can be made for the CARIBBEAN Div in the R.M.V. area. These personnel will be processed at ST. LEONARD'S Camp where every facility exists. As you know 23,000 personnel have already passed through this camp and the camp strength on 20 Jan was only 100.

2. As soon as it is known exactly when the Div will arrive, this HQ will communicate with ST. LEONARD'S with a view to special reception arrangements in order that the Div may receive a befitting welcome. Her Ministry will also be informed.

31 January 1945

SUBJECT: Repatriation from BALKANS and FRANCE

TO : President, Allied Commission, APO 394
For: Land Forces Sub Commission (NMIA)

1. Reference is made to your S/G/31/2 of 26 January 1945.

2. Under paragraph 1(b) of the above letter it is noted that a figure of 644 is shown as having deserted from ST ANDREWS CAMP. No indication has been given in previous returns of desertions from the Camp. It is requested that you state whether this figure is to be regarded as an accumulated total over the period 11 November 1944 to 24 January 1945, or if these desertions have arisen since the last return was made.

3. In view of the possibility of enemy agents attempting to use this repatriation scheme as a means of entering the country and to overcome the obvious loss to military manpower, it is requested that guard measures in the ST ANDREWS CAMP be stringently tightened to prevent further desertions.

By command of Field Marshal ALEXANDER:

R. H. Frese
R. H. FRESE,

Ref your letter 49191/ of 12 Jan 45.

1. It is regretted that no special accommodation arrangements can be made for the GARABALDI Div in the HARI Area. These personnel will be processed at ST ALBANS Camp where every facility exists. As you know 25,000 personnel have already passed through this camp and the camp strength on 20 Jan was only 180.

2. As soon as it is known exactly when the Div will arrive, this HQ will communicate with 52 Area with a view to special reception arrangements, in order that the Div may receive a befitting welcome. War Ministry will also be informed.

MINISTRY OF WAR

Rome 12th January 1945

Autonomous Office for War Veterans and repatriated P.O.W.

N. 40191/

Subject: Repatriation of the "Garibaldi" division.

In view of the repatriation of the "Garibaldi" Division, actually operating in the Balkans, I represent to this Commission the necessity for finding lodgings for the above mentioned subjects on their return, lodgings that will offer them a minimum of comfort, to soldiers who have been subject to many hardships and that have been fighting with great valour against the Germans.

We therefore beg this Sub Commission to examine the possibility of finding them lodgings in the Leri Center, rather than at St. Andrea, (which would be where all War Veterans arriving from the Balkans are designated) the members of the "Garibaldi" division on their return.

It would thusly be possible to give them a better welcome which they deserve from the Italian Nation.

Naturally the said military during their transit will be fed with the Italian Army rations "type 30"

Egregio Sig. Maggiore

A seguito del nostro colloquio circa la destinazione che dovevano
ra giungere i nostri prigionieri rimpatriati da smobilitare ma che non
potevano recarsi alle loro case essendo esse situate in territorio oc-
cupato dai tedeschi, le invio copia dell'ordine impartito al campo di
S. Andrea dall'ufficiale di collegamento di Taranto, in data 14 novem-
bre u.s.-

Al riguardo soggiungo che le autorità militari italiane di Taranto rappresentarono all'ufficiale di collegamento che il personale da smobililitare poteva, d'accordo ^{con} le autorità A.A. in posto, essere subito impiegato in sito come mano d'opera civile, ma fu risposto che non era possibile derogare da ordini superiori.-

S ANDREA camp. (TARANTO)

Further to contents of letter 400330 dated 23 Nov. 44.
we would be very grateful to MMIA to take into consideration
the possibility to increase the means of transport for
transportation of Repatriated personnel at S^T ANDREA CAMP
which is nearly full to capacity owing to recent arrivals.

This above is promoted by rigorous climatic
conditions against which the equipment of the camp
affords but little protection.

OGGETTO: Campo di S. Andrea (Taranto).-

A seguito di quanto rappresentato col foglio n.400330 in data 23 novembre 1944 sarò grato se codesta Sottocommissione vorrà compiacersi prendere in considerazione la possibilità di intensificare i trasporti per lo smistamento dei rimpatriati del campo di S.Andrea la cui capacità è stata assorbita in notevole parte con i recenti arrivi.-

Il provvedimento è consigliato dalle rigide condizioni atmosferiche attuali che non trovano un corrispondente rimedio nell'attrezzatura del quel campo.-
