Assignment of troops returned from Balhans.

Some troops, amongst which a large no returned from the Balhans, who were recently assigned from TRANI camp to 210 Div and who when learning that they were to be posted to mule transport units refused to proceed to their unit.

They have been denounced for refusing to obey orders.

These troops have used the following for their defence: In the TRANI camp when those returning from the Balhans were interrogated they were given the following code letters G.C for Combat groups G.S for mule transport units and VA for auxiliary unit. This according to whom they were to be posted and since those had the code letter VA they considered themselves entitled to refuse posting to mule transport unit.

The 210 Div HQ however has informed us that posting of those men to mule transport unit was carried out according to orders from HQ 5th Army. 2/4/45

Since such classification at the TRANI camp REP can cause some inconveniences as this above we inform MMIA of the case so that they can adopt some arrangements to synchronise the arrangements made at

with the orders given to receiving unit as regards to the employment of the men.

.....

Alcuni militari provenienti in buona parte dalla Balcanica ed assegnati recentemente nel Campo di Trani alla 210<sup>a</sup> Divisione, allorchè si sono visti destinati alle Unità Salmerie si sono rifiutati di raggiungere i reparti.

Sono stati subito denunciati per Mfinto d'obbedienza.

I militari hanno addotto a loro giustificazione che, presso il Campo predetto, quelli provenienti dalla Balcanica ricevevano un certificato di subito Euberoagorice, sul quale viene segnata una delle tre seguenti sigle:  $\frac{GS}{IO}$ ,  $\frac{UA}{IO}$ , e seconda che i militari debbono essere avviati ai gruppi di combattimento, ai reparti salmerie o ad unità ausiliarie. Poichè essi avevano avuto la sigla  $\frac{UA}{IO}$  si ritenevano in diritto di non accettare la destinazione ai reparti salmerie.

Il Comando 210<sup>a</sup> Divisione ha invece comunicato **7804** assegnazione ai reparti salmerie di detti elementi era stata fatta in base a disposizioni del Comando 5<sup>a</sup> Armata.

Poichè la classificazione fatta dal Campo di Trani può dar luogo agli inconvenienti come quello ora accennato, si segnala la cosa per quei provvedimenti che occorra. Missione riterrà opportuno adottare per armonizzare quanto si compete al Campo di Trani con le disposizioni che vengono date alle G.V. che debbono provvedere all'effettivo impiego del personale.
