1. With reference to your WEI/3017/NIS of 18 July, it was understood that you had already agreed verbally to the posting of the above soldier to a vacancy at this HQ.

2. Owing to the peculiar nature of the Welfare duties at this Mission, advising and assisting in the construction of the Italian Army Welfare Service, the value of a clerk trained in Welfare matters cannot be over emphasised. Further, the frequent absence on liaison duty of the S/Capt., Welfare throws on Pte. Monk a considerable responsibility which only his seven months service with the Mission enable him to carry. The vacancy is for a I/Cpl., but promotion cannot be effected pending posting.

3. Will you, therefore, please reconsider the matter.

Notes on AMS. HQ AAI Welfare Bank Account.

1. The accounts were last presented for audit as at 25 Sep '44 at HQ RAAC. A copy of the balance sheet then audited is attached.

2. The production of the final account has been delayed and rendered difficult by:-

- (i) Moves of HQ.
- (ii) Posting of DDANS HQ AAI.
- (iii) departure of Maj. Wiss and the consequent lack of detailed information as to trading.

3. In order that the accounts could be completed instructions were requested from and given by DDANS on the following matters.

- (i) Suspense a/c. Certain payments have been made by units and formations and it is not possible to trace the goods concerned. Instructions:- that this balance be credited to IRS (Welfare).
- (ii) Sports Gear. A consignment was purchased outright with a grant made by DMS. This was issued free to formations with the exception of certain allotments to CMTC & RAF which were against repayment. The money recovered is therefore a recovery against expenditure from public funds. Instruction:- that the recoveries should be credited to DMS account.
- (iii) Sundry Receipts. This was a credit representing payment by formations for certain goods purchased in early 1944 ex Imprest a/c (MI 175). Instructions:- to be credited to DMS account.
- (iv) Funds a/c. A credit representing the welfare funds of two disbanded units made available to DDANS AAI on instructions of the command paymaster. It is understood that these are not public funds. Instruction:- to be credited to DMS account
