To :- List (a)

1. In spite of several instructions issued by this HQ to the contrary, instances are occurring of married personnel arriving at new units upon posting without any endeavour having been made to ensure that suitable accommodation is available for their families before movement took place.

2. It must be appreciated by all addressees that it is essential that prior action must be made by despatching units en formations to ensure that receiving units and formations are fully aware of complete details of families, movement of which must NOT take place until confirmation of availability of accommodation has been notified. However it is stressed that delay of this information will not be accepted as an excuse of the non-movement of personnel when a posting instruction is issued.

3. In future all addressees will personally ensure that the above is strictly adhered to by all units under their command and it is hoped that in future no further cases of unauthorized movement of families will occur.

Dear

We have discussed in the past the possibility of accommodating some members of your BUI in this Mess but we have never reached any definite decision.

I believe now that you have moved into Rome that you are having a little difficulty in finding suitable Mess premises, and I would like you to know that, if its of any assistance to you, we would be very glad to house and feed some of your officers in this Mess. We can easily find room for four or five of them for as long as you wish but if you prefer to keep them together in your own Mess, I shall quite understand your point of view.

Yours sincerely,

Col. L.H. MACKAY O.B.E.
12 BUI.
