1. Whilst the urgency of your need for Capt SEWELL is fully appreciated his presence with this HQ is extremely important at the present time as an entire It div has to be "marched out" of all ord stores sup from Brit sources.
2. As the above involves compilation of complete lists of Brit stocks held to be handed over to It War Ministry and as Capt SEWELL is the only offr in this HQ qualified to do the work, considerable confusion would arise from his immediate posting.
3. By speeding up the outstanding work as much as possible it is estimated that it would be completed by 25 Jan by which date Capt SEWELL should arrive in NAPLES.
4. Though it is realized that, once posted, an offr may not be held indefinitely by his original unit it would greatly assist the work of this BIU if your consent to retain Capt SEWELL here until 23 Jan were granted.
5. Please reply by sig whether you allow or refuse this request.
