TO: ALLIED MILITARY AUTHORITIES

I have been approached by Mrs LUISELLI of GENOA who is exceedingly anxious to facilitate the return of her son whom she has not seen for a number of years.

His name and present address is given herewith:

Mrs LUISELLI is known to me as a person of good character and the return to ITALY of the son, who has been discharged from the German Army, is of vital importance to the cultivation of the family farm, and the maintenance of the mother.

If some arrangements could be made to assist his return to ITALY it would be very greatly appreciated by all concerned.
