It is foreseen that the recent decision to suspend the supply of electric current in GENOA on one day a week will cause grave inconvenience to the working of this Unit.

You will recall that during last winter Allied units were exempt from these restrictions and that electricity was in continued supply in premises occupied by Allied troops.

This Unit therefore respectfully submits, for your kind consideration, application to be allowed continuous use of electric current in its requisitioned offices and billets, which are situated as follows:

Via Dante, 6/3
Via Boccalegriata, 4/41

Sig. Ing. CASERMANA

GENOVA

Questo Comando prevede che, dovuto alle recenti disposizioni inerenti alla sospensione dell'energia elettrica a GENOVA durante un giorno della settimana, tale provvedimento abbia a causare un grave inconveniente al normale svolgimento delle sue funzioni.

Considerando che, nel passato, invece i Reparti Allenti di stanza a GENOVA, furono esentati da tale sospensione, e di conseguenza l'energia elettrica venne erogata continuamente a tutti i locali occupati dalle Forze Armate Allenti.

Pertanto questo Comando inoltre per tale domanda alla Sua considerazione, richiede l'energia elettrica venga erogata continuamente nei locali regolati da questo Comando, situati nelle località qui sotto indicate:

Via Dante, 6/3
Via Ronzagliata, 4/41
Villa Rustico, Via Cimentosa, 6

Subject : Special Equipment for BIU.

LAND FORCES SUB COM. A.C.
M.M.I.A.
R O E E

Q(05) 1/3 23 Nov 45

To : All BIU.

Since the BIUs have office and living accommodation in the towns where the Terr.H.Q. is situated, and since these buildings are normally fitted and furnished, there appears to be no need for a Special Equipment list (G.1098).

Training stores and equipment should be obtained from the Terr.H.Q.
All Other Ranks should be equipped to scale with cooking utensils etc.

For such additional items as are required, BIUs should contact the nearest Area ADOS or - where this is not possible - furnish a list of requirements to Camp Commandant MMIA.

Where it is necessary to form an Officers' Mess the normal grant will be authorized for the purchase of china etc.
