1. An "Illness" Flat Duplicator held in charge of this unit was lost on 24 Sep 46. A Court of Inquiry was subsequently convened on 9 Oct 46 and copies of AF's A 2 and AF's C 998 in triplicate were fwd to HQ 217 Area on 11 Oct 46 under cover this HQ letter CG 10.
2. As yet nothing has been heard of any progress which may have been made in this matter and consequently this HQ is still without a duplicator; any duplicating which is necessary being done at HQ 6 SAAS. Whilst this arrangement works sufficiently well it is not altogether satisfactory in view of the fact that much of the work duplicated is of a confidential nature.
3. In view of para 2 above it would be much appreciated if provisional authy for the release of a duplicator to this unit could be issued.

so on this particular day.

GHQ, CMF

1. This unit was mobilised on 15 Nov 45 on WE CM/1130/1 for British Liaison Unit (Type 'B') to an Italian Territorial Headquarters but as yet has received no office machinery.
2. Enquiries made by BLUs to HQ MMIA regarding office machinery and equipment have resulted in instrs being issued to indent on your office for release authy for office machinery to approved scales. In view of the above may the necessary authy be granted for the release. It is regretted that it is not possible to quote approved scales, as copies have not been received at this HQ.
3. This unit has until now been operating with borrowed eqpt and it would be appreciated if this matter could be treated as urgent owing to the impending move of the unit from which the machinery has been loaned. The need for typewriters in particular is stressed.
