Land Forces Sub Comm AG (INIA), Rome.

Authority is requested for the employment in this office of a civilian Interpreter - Translator.

Through a private arrangement with Liguria Liaison Group, AC, Genoa, we have always had the services of an Italian Clerk who has most successfully undertaken these duties. Now, however, due to the imminent closing down of the Liaison Group the situation must be regularised.

A letter from your Headquarters to 59 Sub Area stating the necessity for the employment of a clerk Interpreter-Translator would, no doubt, have the effect of producing the required authority.

The employment of a Translator - Interpreter in this office is a vital necessity as otherwise it is not possible to deal efficiently with telephone calls, reports and correspondence emanating from Territorial and Div HQ's, especially when both the C-II and DAAQMG are absent on duty or leave.

1. ZUCCHIATI is classified as an unskilled female, and therefore her rate per day is 72 lire plus 185 lire as Cost of Living Bonus. Her rate of overtime per hour is 13½ lire. It is therefore impossible to state what her total monthly emoluments will amount to, but, as a guide, for the period 13 May - 26 May she was paid 360 lire, which she has obviously doubled to represent her earnings for 1 month. This figure included 16 hours overtime.

1. Ref from the closing of the COLOMBIA Offrs Transit Hotel on 31 Jan 46 this unit's emp will consist of one unit offrs mess, one unit OAs billet and two unit offrs married quarters, one of the latter requisitioned yesterday for the purpose.

2. The WL of this unit allows for the emp of 2 civ cooks and 2 civ orderlies. These are now distributed as follow :-

	Cook	Orderly
Offrs mess	1	-
OAs billet	-	1
Offrs married quarters "A"	1	1
Offrs married quarters "B"	-	-
Total :	2	2

3. In order to safeguard the married quarters "B", which are outside the town, until the arrival of the occupants on about 30 Jan an offer of this unit will live in the billet until the arrival of the married offer who will take over from him at this HQ.

4. At the beginning of Jul the offrs mess will close as there will no longer be any unmarried offrs in the unit. The cook emp in that mess will then go to the OAs mess as upon that date they will become responsible for their own feeding arrangements owing to the closing of USMVA Garrison Camp.

5. Of the 4 civs allowed on the WL 2 will therefore be for the OAs and one each for the married offrs families. Having regard to the amount of WL required to run either of the married quarters, both of which are large, it is considered that one servant each is not sufficient whether will either of the offrs concerned be able to afford to pay out of pocket the high wages prevailing here even though certain rationals are allowed for these servants.

SUBJECT: Midshift Meal - AC Civilian Employees.

TO : DAA&QMG
2 ELU.

4 Mar 46

1. Your letter, subject as above, dated 6 Mar 46 refers.
2. No Allied facilities exist in Genoa for providing a midshift meal for AC office or other workers.
3. They are permitted, and have always been permitted, to use the civilian mess of the "Compagnia di Navigazione", for which the charge is 32 lire per meal.
4. When AC was in control in Italy substantial amounts of food were allotted to the civilian staff. As a result the "C di N" granted a special rate of 12 lire.
5. This rate was continued for a time when we were able to loan them a 15 cwt to collect their supplies. This we can no longer do, they therefore see no reason to charge our staff less than their own.
6. A charge of 9 lire per day was made to AC employees to pay for British rations, Scale 'Midshift'. These rations were added to the common pool, but as the amount is very small and the numbers of the AC employees diminished the "C di N" quite justifiably said that it did not compensate for the reduction in price. These rations were discontinued w.e.f. March 1st. The actual increase in price is from 21 to 32 lire.
7. Since our staff will be even further reduced in the very near future we regret that we can see no possibility of supplying meals at the old rate.

CLO, AC, GENOA

1. May this HQ please be infm if any Allied facilities still exist in GENOA for providing a midshift meal to AC office workers.
2. It is understood from the two civ AC employees on the strength of this unit that since the last few days the cost of a midday meal, sup through the "Compagnia di Navigazione ITALIA" has risen from 12 Lire to 32 Lire and that the matter now no longer appears to be in the hands of AC.
3. Owing to the low wages paid to AC civ personnel and the hardship caused by the rise in cost of the midshift meals it would be appreciated if infm could be given as to the possibility of supplying these at the old rate.
