1. On about 20 Nov 45 the S&T files (covering POL and Sups) of the late MMIA Liaison Office at Genova were taken to MMIA IO N ITALY, MILAN by SQSM Laing, RASC.
2. Difficulties have frequently arisen lately in settling outstanding problems owing to the absence of these files.
3. It is thought probable that the files were passed to you on the part of your HQ and it would greatly be appreciated if they could be sent down here as soon as possible.
