1. Attached are lists of non-expendable trg equipment and stores handed over from FRIULI Gp for your use on 24 Nov 44.
2. These trg stores should be held by 3 Pz Hq Coy and kept separate from all other stores and equipment. Issues should only be made on the authority of a responsible officer or HQ for trg purposes, and a receipt obtained so that later, at the end of the training period they can be handed back complete to the British depot which issued them, or to another Italian Combat Group. These stores are in short supply and the greatest care should be taken to safeguard them and maintain them in good condition.
3. In the case of explosives and expendable eng stores a daily record should be made of expenditure and the Comdr Eng Bn should receive a weekly return from 3 Pz Park Coy of all explosives and stores at his disposal. Please send me a copy, in English, of this weekly return of expendable stores to be in my office by 1200 hrs each Saturday, commencing 30 Dec 44.
