MINES DISPOSAL OFFICER
561 AMV A.I.G.

No. 2926

14 Sept 1945

Subject: Requirement of vehicle tires.

561 Mine Clearance Coy under control of this AMG and under administrative command of Terr. Hq of Genoa have informed this office that owing to the very bad conditions of tires and inner tubes of their vehicles they are compelled to suspend the clearance of mine fields.

Since the work effected by 561 M.Cl.Coy is very important for the reconstruction of Italy and cover a territory from La Spezia to Imperia Province, Genoa Province included, you are requested to kindly furnish to said Company the following tires and inner tubes:

FIAT	626	N° 12 (210x20)
SPA	38	N° 12 (32 x 6)

Acknowledge.
