1. Following cessation of hostilities in this theatre, it is not now possible to obtain the priority we previously obtained for Stores being consigned by Red Star.

2. This matter has been carefully examined and after the 31st October 45, the Red Star system will be uncontrolled entirely and all Stores demanded in the normal way.

3. Checks made of Stores dispatched have revealed that no priority whatsoever is now given, or can be given, by Movements, to any Stores marked Red Star and in consequence it is not worth while keeping up the Red Star system which in itself ties up a considerable number of R.A.O.C. Officers and G.Rs.

4. As for the end of October 1945, 500 L of Ordnance Convoy Unit will be entirely disbanded.
