- (b) Generator - Diesel engine coupling missing.
- (c) Diesel cylinder head and gasket not fitted but lying loose on the floor.
- (d) One piston missing.
- (e) Injectors and cylinder head feed pipes missing.
- (f) Exhaust pipe not fixed and flexible portion broken.
- (g) No charging busbars fitted.
- (h) The very small amount of equipment supplied was scattered over the floor and it appeared that the lockers had all been left open. There were no charging leads.

2. On 29 Dec an advance party with a Br NCO i/c left for 6 Vehicle Park BARI to make the necessary arrangements for the collection of the above tpt. It was presumed that as in the past this tpt would be collected from 412 Vehicle Park IUCIRA and therefore arrangements were made with Combat Group FOLGORE to send approximately 50 drivers per day to 412 Vehicle Park commencing 1 Jan 45 to arrive at the Park at 0700 hrs.

3. On the evening of 1 Jan the Italian drivers returned without the tpt. On the evening of 2 Jan the NCO i/c advance party returned and reported that owing to pressure of work, weather conditions, and small staff, 412 Vehicle Park was unable to issue any vehicles to this Gp in the immediate future and the only issuing programme they could work to was as follows:

18 Jan	Issue Gp with 50 vehicles
20 Jan	Issue Gp with 50 vehicles
21 Jan	Issue Gp with 50 vehicles
23 Jan	Issue Gp with remainder of vehicles

This programme was agreed to by the Br NCO from this HQ.

2. On 29 Dec in advance party with a Br 100 i/c left for 6 Vehicle Park BAMI to make the necessary arrangements for the collection of the above tpt. It was presumed that as in the past this tpt would be collected from 412 Vehicle Park LUCIRA and therefore arrangements were made with Combat Group FOLGORE to send approximately 50 drivers per day to 412 Vehicle Park commencing 1 Jan 45 to arrive at the Park at 0700 hrs.

5. On 3 Jan DAACMG visited both 3 District and AFHQ in connection with this matter and it was pointed out to him that no appreciable speed up of these issues could be made. It was therefore agreed to keep to the programme of tpt collection as by para 3 above.

6. - In order to complete the ^{'scaling' and} "binning" of store lorries with MT spares it was agreed that Ord AFHQ would inform this HQ of the makes of the tpt released by the above release notes.

7.. As tpt released to 230 and 232 Fd Hospitals, both of which are scheduled to move very shortly, is included in the above releases, it is proposed to equip those two units with tpt already released to the Gp.

8. The difficulties re the issuing of this tpt is fully appreciated by this HQ, and it is only desired to point out that

- (i) the suggested programme re tpt as by AFHQ/6442/Q(AE) of 5 Dec will not be carried out,
- (ii) by the non-issue of this tpt the date when this Gp will be ready to move must be further delayed.

Report on Theft of Bedford Tractor No. H 483749 belonging to 11 Bty
Artillery Regiment FULBORN

On 27 Dec Capt Vincenzo ZANTINI lead a regtl convoy to FORTICI to collect 7 40mm guns and various gun waggons for 60mm guns. The convoy consisted of 17 tractors and 1 30cwt lorry for the convoy comd, also 2 motor-cyclists; with Capt Zantini were 2/Lts Eugenio CASI, detailed to collect the 40mm material, and Alvera Duc, collecting the 60mm material.

When the material had been collected, at about 1500 hrs on 27 Dec, the convoy, still under the comd of Capt Zantini, left FORTICI to return to the Bty.

During the return journey the Bedford Tractor No. H483749 must have stopped at BARIA (between FORTICI and MARSA) because of a breakdown or because of traffic congestion, and the convoy comd could not have discovered this fact till past BASTIVICCO. Capt Zantini immediately began searching for the tractor, returning right along the road as far as MARSA; this search which lasted all through the 28th and up to the evening of the 29th, was without result. But at 1700 hrs on the same day (29 Dec), the tractor had remained broken down at BARIA. At 0500 hrs of 30 Dec the 71 Bty sent a tractor from BASTIVICCO to give assistance, which nevertheless returned to the Bty in the afternoon of the 30th towing the two gun waggons only and bringing back the two soldiers who were on the tractor when it broke down: the driver-art. GIARASCHI Sino CL. 1914, MARSA District, and Gun Alfredo MARSA CL. 1918, MARSA District. The said soldiers said that after having tried both during the daytime of the 28th and 29th to get the tractor going again, the tractor continued to remain by No. 58 Corso Vittorio Emanuele, being in BARIA all the time; during the night of the 30th between 0200 hrs and went into the entrance hall of No. 90. The two soldiers then went off to sleep and when they awoke at about 0400 hrs the tractor had disappeared.

The soldiers themselves reported the disappearance of the tractor to the English police at BASTIVICCO e BASTIVICCO and then to the Central Police Station 8819, also to the English police of that city.

The search is continuing and Capt Zantini has returned to MARSA to ask the Allied and Italian police to make separate investigations.

We will send later a report on disciplinary action taken or punishment awarded after the result of the search is known.

belonging to 2nd Div.

13 Jan 45

To :- RE: Combat Group FALCONE

Ref No. 20/Pers of 9 Jan.

From information received from the Italian and Allied Police authorities, it appears that the search for the tractor has had a negative result.

Today I have remanded the driver Gunnar Rino CHARENCHI, 1914 Class, BASSA District, and Gunnar Alfredo BRANCA, 1918 Class, MONZA District, to appear before the "Tribunale Militare Territoriale di Guerra", NAPLES, for flagrantly disobeying orders whilst delivering materials. (Art. 125 C.P.M.C.)

To Capt Zurtini Innocenzo, convoy commander, I have awarded 10 days close arrest for the following reason:

"As commander of a convoy, failing to ensure that the rear of the convoy was functioning in such a manner as to prevent one of the vehicles remaining behind owing to breakdown unless he was informed immediately."

(Signed) Giovanni Facinotti
 Colonel, Regt Genl.
