Please note the following points in connection with demands for engine assemblies and reserved tyres and tubes :-

1.

URGENT DEMANDS

Urgent demands made by signal or telephone which cannot be released at once must be shown on subsequent bulk demands under the heading "OUTSTANDING DEMANDS NOT YET RELEASED". A reference to the signal, etc, should be made on the bulk pro-forma.

2.

STOCKS AND BACKLOADING

The stock and backloading figures must include stocks in, and items backloaded by workshops, as well as area dumps.

3.

RESERVES

Until the supply of engine assemblies to this District improves, it is not intended to release for Area or workshop reserves. However, for the District will be held centrally. Bulk demands should, however, continue to show quantities required for reserve, for provision purposes.

4.

TYRES AND TUBES

With immediate effect, one copy only of bulk demands for tyres and tubes is required by this office.

5.

The principle to be born in mind is that the weekly bulk demand should show the whole picture at that date, and that it is cancelled by the next week's bulk demand.

**GRUPPO COMBATTIMENTO "LEGNANO"  
11° BATTAGLIONE GENIO**

LA COMMISSIONE D'INCHIESTA COMPOSTA COME SOTTO INDICATO SI E' RIUNITA OGGI 2 LUGLIO 1945 PRESSO IL COMANDO DELLA 51^ COMPAGNIA ARTIERI PER INDAGARE SU QUANTO SEGUE:

le circostanze in cui è andato perduto il giorno 14 aprile 1945 in Zona di Operazioni l'automezzo compressore MORRIS COMMERCIAL 15 Cwt 4 x 2 con numero di targa Z 5218268 in carico alla 51^ compagnia Artieri del 11° Battaglione Genio del Gruppo di Combattimento LEGNANO che era in consegna al Caporale BIZZONI Aldo

Maggiore ENZO VESCOVINI Presidente  
Tenente MARIO BUONERBA Membro  
S.Tenente LORENZO DRACONE Membro

Regolarmente riunitasi, la Commissione procede ad esaminare le cause che determinarono la perdita dell'automezzo suddetto. Tali cause venno ricercate nel fatto che il giorno 14 Aprile 1945 il Caporale BIZZONI Aldo, dimesso dalla 5^ L.A.D. dove l'automezzo a lui in consegna era stato ricoverato per riparazioni, disertava a bordo dell'automezzo medesimo anziché rientrare - Reparto.

**VERDETTO DELLA COMMISSIONE**

La commissione, esaminate le cause portate a sua conoscenza, ha accertato che la perdita dell'automezzo MORRIS COMMERCIAL 15 Cwt Z 5218268 è dovuta al furto commesso dal Caporale BIZZONI Aldo all'atto della sua diserzione. La commissione medesima insiste perché vengano presi provvedimenti penali a carico del Caporale BIZZONI Aldo e che siano messi in atto i necessari provvedimenti per procedere allo scarico dell'automezzo dai registri del Reparto.

IL PRESIDENTE  
Il Comandante del Battaglione  
(Magg. E. Vescevin)

N. 2909 (208) del Circol.  
 (R. 1911 - Anno XX)

Si dichiara che la Compagnia è costituita  
 per la flotta che sono detti: staccati dal  
 Comando e tra di loro. È necessario che  
 ciascuno di loro abbia a disposizione  
 la cucina per la confezione del rancio  
 ad una forza nettamente più modesta  
 di N.º 5 uomini. Avendo questo Coman-  
 do soltanto due cucine, per la dotazione  
 di tutto il reparto ne occorrono altre  
 due. — (Cooker Portable N.º 1 Bureau Unit)

COMMANDANT COMPAGNIE  
 Capitaine (Régiment de Saumur)

GRUPPO DI COMBATTIMENTO LEGNANO  
Comando 51<sup>a</sup> Compagnia Artieri

La richiesta delle due Cucine a Benzina di cui all'allegato Indent n° 88 è giustificata dal fatto che questo Reparto ha 3 Plotoni Artieri distaccati dal Plotone Comando (forza di ciascun Plotone Artieri 65 uomini e del Plotone Comando 52 uomini).

P. M. 155, li 5 Aprile 1945
