Subject: Reinforcements.

21 Aug. 46

To : O2E. GHQ.CMF.

1.- The British O.R. strength of this unit now held against W.E. has fallen to 25 per cent. Held against W.E. are 1 Sgt (entirely employed on maintenance owing to this unit being supplied from 200 miles away), 1 Driver, and one Sub-Conductor R.A.O.C.- W.E. for this unit is 1 Sub-Conductor RAOC, 2 Sgts., 1 Cpl, and 8 ~~Privates~~ *Privates*

2.- An N.C.O. clerk is most urgently required since all clerks at the moment are civilian female employees. Since this unit is a liaison unit between the British Army and the Italian Army there are letters and documents arriving and being despatched that should on no account be seen by Italians. There are also Secret, Security and Confidential documents that require a trustworthy British N.C.O.-

3.- In view of the above it is requested that at least one Sgt. or Cpl. clerk of a late A/S group be supplied as soon as possible against a vacancy on W.E. and also one *Private* ~~Privetier~~ against the Driver held at present who will be proceeding on release shortly.

4.- It is realized that O2E has a difficult task in finding re-inforcements at the time but it is hoped that in view of this units long distance (400 miles turn around) from its supply point, this application may be considered favourably

To :- Officers Commanding
all Infantry Training Centres,

all Infantry O.C.T.U.s,
all Training Battalions,
Officers i/c Infantry Depot Parties.

Subject :- Short-Service Engagements

1. War Office letter No. 27/Gen/2955(A.G.10) dated 26th April, 1946, which was sent to all Commands with a copy to all recruiting offices, outlined the procedure for applying for re-enlistment on short-service engagements for three or four years with the Colours.
2. In this letter it was stated that "men will only be permitted to re-enlist into the Corps or Regiment in which they are at present serving, or in which they served immediately prior to discharge or release provided the Corps is open". This was followed by a statement saying that the Infantry of the Line were in fact open for this type of re-enlistment; and that certain bounties would be paid to those deciding to re-enlist.
3. An amendment has now been issued under War Office letter No. 27/Gen/2955/(A.G.10) dated the 19th July, 1946, deleting the words "or Regiment" from the above quoted sentence. The object of this amendment is to enable Infantrymen who were compulsorily transferred during the war to Infantry Regiments other than their own, to re-enlist back into their original Infantry Regiment if they so desire.
4. You will no doubt like to make this known to Infantrymen under your command, or in whom you are interested, and who may be contemplating re-enlistment.

4/B/1

July 1946.

H.Q.
M.M.I.A.
Rome.

1/. A Chief Clerk is required urgently by this Unit. The Units last British clerk left at the beginning of June, as reported in our 4/B/23 - 47 of 6 July 1946, and all the clerks now consist of Italian girls or Italian girls of German extraction.

2/. 217 Area have been appealed to but no clerk is forthcoming. There is absolutely no one to superintend the clerks as a whole or to check the despatch and receipt books and exercise overall control of the filing system.

3/. In addition there is the added danger of Secret or Confidential Documents falling into the wrong hands.

4/. It is believed that this Unit is probably in a worse condition than any other of M.M.I.A.'s outstations on this matter.

5/. The real and urgent necessity for a Chief Clerk cannot be too strongly pressed; the only really satisfactory solution is to have a Corporal Clerk plus another British O.R. clerk in order to provide a reserve against PRIVILEGE, RELEASE, illness and etc.

SUBJECT :- DOV of PYTHONHQ 217 Area, CMFA 1726LIST 'A' & 'C'Jul 46

1. GRO 825/45, para 11, is being amended as follows :-

"11 (a) Where, due to the exigencies of the Service, an Officer or Other Rank cannot be spared, a certificate to this effect, signed by an Officer not below the rank of Brigadier, will be forwarded for approval to Divisional or District HQ (or to the appropriate HQ in the case of Corps, Army or GHQ Troops) accompanied by any written appeal which may in special circumstances have been submitted. The limit of retention under this ruling will be three months, and the period of deferment will be stated on the certificate.

(b) Such deferments as are approved will be notified by Divisional (District etc) HQ direct to GHQ 2nd Echelon, with copies to the individual's Unit and intermediate Formation HQ, and to Dep Mil Sec GHQ CMF in the case of COs 2nds IC and Staff Offrs or to A-9 GHQ CMF in the case of all other offrs. The Unit will despatch the individual immediately on expiry of the period of deferment stated on the certificate, or earlier if this proves possible. Early despatch may avoid the loss of a period of leave by an individual whose PYTHON date shortly precedes his Release date.

(c) GHQ 2nd Echelon will maintain a record of all cases of deferred PYTHON.

(d) To avoid unnecessary hardship, it is essential that the maximum notice is given to individuals whose PYTHON it is necessary to defer ".

2. Action to implement this procedure will be taken forthwith, in anticipation of publication of this amendment.

Sir

I will be very grateful to You,
if you will give me a information
about a English Sargent from
52. B.L.V. (distaccamento Legnano)
of Bergamo: Alwin ~~So~~ Montgo-
mery Latham.

He had in our house his dear

and we all loved him very
very much. -

He left Bergamo 14 of sept.
and 20 of sept from Milan:
Since that time, we had
no any notice from him.

I know that his
city was Cheffield. -

So I will be very grateful to you if you will be so kind, if it is possible, to get some information about this dear person, which was for us a very good friend, and we were very fond of him, just like of our son. —

I thank you in advance and hope to hear from you soon! Excuse me, sir!

Very sincerely

273417 W/Cpl LUCCHESI A. R.A.S.C.

The above-named N.C.O. has served with a British Liaison Unit to the Italian Army since their inception nearly 2 years ago. He is a really good English - Italian Interpreter, and he has proved himself reliable, conscientious, honest and sober. He is a good driver and for sometime past has been employed as M.T. Cpl. of the unit in addition to his interpreter duties.

His services both during active operations and since the cessation of hostilities have been of considerable value to the national effort, and it is with regret that he leaves the unit under my command on posting to a more essential duty. Shy and retiring by nature the first impression of him does not do him full justice for he is a cheerful and willing worker, and a very likeable personality.
