Answer

Question

Commanding Officer's batman and Mess
Cpl to a Mess consisting at the time
of only 2 officers.

1. Nature of duties for 14 days
prior to death or admission
to hospital, as the case may
be.

(a) The deceased was employed at
Bolzano N. Italy in the Tyrol and
about 50 miles from Brenner. Prior
to the cessation of hostilities in
Italy he was employed as my batman
whilst in command of "front line
troops".

2. (a) Was the deceased employed
in a forward area?

(b) No: his duties can be defined
as "normal".

(b) If not, was he subjected
to exposure or exceptional
stress or strain?

The deceased was initially admitted to
the Det 35 Reception Station Bolzano.
It is doubtful therefore whether ade-
quate treatment was available there
under the circumstances: after 3 nights
there he was evacuated to the 22 (Brit)
General Hospital at ME 205 where he
died 3 nights later.

3. Was there any delay in the
provision of treatment due
to the compulsion of ser-
vice?

SUBJECT:- Kit and Documentation of Troops
proceeding to UK

Distribution "B" British

1. A complaint has been received from the War Office concerning the documentation and equipment of troops returning to UK particularly on release.
2. A four day check was instituted on the documentation and equipment of troops arriving in A MEDLOC Camp. Results are attached at Appendix 'A' to this letter.
3. It will be noted that omission in documentation and equipment of men proceeding from this theatre on LIAF and duty is far more pronounced than in the case of those proceeding on release. In particular, 10% apparently arrive without AF H1157, making it impossible for the transit camp to decide whether a man has been properly equipped or not by his unit, and whether or not he is deficient of equipment through his own negligence.
4. It is particularly essential that all release personnel are in possession of full entitled retention scale in accordance with Regulations for Release from the Army 1945, Appendix 'D' Sec 1, para 13. This includes two sets of woollen underwear in addition to two pairs drawers cellular. All warm clothing is particularly essential. Attention is directed to AGI 1180 of 1944 in respect of a long sea voyage. Air trooping scale is limited but retention scale must be included.
5. In all cases AF H1157 will be completed to show articles in possession in accordance with the above mentioned regulations Section 11, paras 4,5 and 7.
6. For release under class 'A' the AF H1157 will, in addition, be endorsed to show in detail any articles which are unavoidably deficient from individuals entitled retention scale through no fault of their own. Endorsement will be signed by individual and countersigned by OC unit before departure. Completion to scale will be made only in respect of items where it is confirmed that deficiencies are not occasioned by the individual. Pressure in the disembarkation units makes prolonged enquiries into these matters most difficult in UK.

SUBJECT:- Officers and ORs returning to UK under "Python".

18 Feb 46

Distribution List "B" British

1. A letter has been written by the Director of Organisation at the War Office to all Overseas Commands on the subject of the return to UK of Officers and ORs who become due for repatriation under the "Python" scheme and who are in Age Service Group due for early release.
2. The letter points out that such personnel are lacking in enthusiasm for their duties and because of this not unnatural attitude are having an adverse effect upon the efficiency of Depot Units and Training establishment in UK.
3. It will be appreciated that with the present reduction in the number of experienced soldiers in the Army owing to the release programme officers and NCO's returning to UK on Python and due for early release must be employed within the establishment of Units in UK.
4. In many cases Officers and Senior NCO's are posted to fill vacancies in Depots and Training Units where they are responsible for young soldiers who are joining the Army and it will be appreciated that their general conduct, enthusiasm and efficiency will have a direct effect upon these recruits.
5. Commanding Officer of soldiers returning to UK on Python will speak to them on this subject and point out to them that it is in the interest of the service and of the country that they continue to carry out their work thoroughly until their release.

1. The standard of documentation in Units in this theatre has steadily deteriorated during the past months and it is considered that if Administrative Officers were to visit GHQ 2nd Echelon, it would be of invaluable assistance to them in carrying out their duties.

It is obviously impracticable for Officers in GREECE, AUSTRIA and in the north of ITALY to visit O2E especially for this purpose but Officers stationed centrally and Officers on tour in that vicinity, should take the opportunity of spending at least one day in learning what documentation is actually required of their particular Units.

2. Any Officers wishing to avail themselves of this scheme should communicate direct with GHQ 2nd Echelon, so that the necessary arrangements can be made.

Subject: Offrs & ORs Returning to UK
 under PYTHON - Addresses to.

1. It has become increasingly noticeable that officers and ORs returning from overseas as "Pythons" who are shortly due for release are lacking in enthusiasm in their duties.
2. It is appreciated that this is rather a natural result of approaching release, but "passengers" of this nature cannot be afforded. All units at home are short of personnel, particularly of NCOs and specialists, and it is from the ex-python that the majority of the senior NCOs for training and holding units, and for very important ERG, such as in Release units, must be found.
3. These men, therefore, have an essential duty to fulfil, and it is of the utmost importance, particularly during this very difficult period, that the ex-python should continue to give of his best up till the moment of release. Very often the man's documents do not arrive in time to assist in placing him to the best advantage, and when that occurs it is up to the man himself to volunteer for the type of specialist employment for which he is most qualified.
4. Probably in the majority of cases, this falling away of enthusiasm and tendency to serve out time in as peaceful a way as possible is the result of thoughtlessness and a failure to appreciate the importance, both to themselves and the Army, of maintaining their efficiency right to the end of their service.
5. It is therefore requested that the officers commanding all units sending men home on repatriation may be instructed to address those about to leave them in the sense of this letter.

1. The following instructions apply to personnel arriving in U.K. by all routes other than "air-trooping routes", i.e. by RAF trunk routes and civil air routes.
2. Arrangements have been completed with the Air Ministry that all personnel arriving by air routes, as in Para (1) above are to be despatched from the Airfield of arrival to London District Assembly Centre, Hotel Great Central, Berylebone, LONDON W 1.
3. Apart from most urgent compassionate cases, it is impracticable to make individual exceptions. But it is realised there will be some very exceptional cases in which there will be no time for movement through LDAC. The cases in mind are short or urgent temporary duty visits or conferences in which speed is essential.
4. When in exceptional cases it is required that personnel as in Para (1) above do not report to the LDAC, travel orders should be clearly marked to that effect. However such exceptions will be kept to the minimum.
5. When personnel on temporary duty are exempted from reporting to the LDAC on arrival and temporary duty is followed by leave they must report to the LDAC before commencing leave.
6. In the most urgent compassionate cases involving matters of life or death personnel will be sent home direct on leave from Airfield of arrival. Airfield authorities will issue such personnel with 14 days ration card, a travel warrant to their home address, wherever possible 14 days advance of pay, and will instruct personnel to report to LDAC in writing.
7. All personnel will be instructed to report to the LDAC unless exempted as above.

Subject: Signora Bertoluz fu
Giuseppe of Lamon di
Feltre (Belluno Province)

HQ 4 Military Territorial Command
BOLZANO

Ref 06/253/R

31 Jan '46.

To: 4 B.L.U. BOLZANO

The above named woman sheltered, clothed and fed during the period from Sept. 18 1943 to May 2 1945 three English prisoners escaped from the camp at Predazzo, keeping them at great personal risk, from being captured by the Germans.

She, according to the Proclamation made by A.M.G. in the Province of Belluno at the end of May 1945, made a claim at the "Municipio" of Feltre for the right to claim the compensation provided. As far as this HQ knows the above person has not received any communication so far.

To maintain the three Englishmen Signora Bertoluz, who is self-supporting, has contracted debts that she is not now in a condition to pay, and not only this, but she cannot even earn the minimum necessary to support herself and her old Mother. Her only brother is a prisoner in India and steps are being made for his repatriation.

These two ladies have no other relatives that can help them neither are their neighbours in a position to help them as the adverse weather of last year has almost destroyed the crops and so these people are truly very badly in need. It is very much desired that the practice relative to the granting of compensation as laid down by AMG be speeded up and I, therefore, ask the above BLU to put the matter before the British Authorities concerned.

To assist confirmation, herewith the names and addresses of the three prisoners who were assisted.

Mr. Joseph DAVIES, 94, Roundtable Road, DOWNHAM, Bromley, Kent, England

Mr. Frank Callaghan, 171, Oxford Road, THORNABY-ON-TEES, Yorks, England

Mr. John BULSAVAGE, c/o Graham, 4, Hawthorn Gardens, Golders Road,

Risposta al foglio del

Prot. N. 06/253/ R Allegati

Div. Sez. N.

Oggetto: Signora Bortoluz Angela fu Giuseppe residente a Lamon di Feltre(Prov. Belluno).-

La signora in oggetto ha ospitato, vestito, vettovagliato nel periodo che va dal 18/9/43 al 2/5/45-3 prigionieri inglesi evasi dal campo di Predazzo sottraendoli, con grave rischio personale, alla cattura dei tedeschi.-

Essa a norma del manifesto dell'A.M.G. pubblicato nella provincia di Belluno, alla fine di maggio 1945, ha presentato domanda al Municipio di Feltre perchè le venga riconosciuto il diritto a riscuotere il premio previsto. Per quanto risulta a questo Comando, a tutt'oggi non le è stato corrisposto nulla.-

Per sostenere i tre ospiti inglesi, la Bortoluz, che è nubile, ha contratto debiti che ora non è in condizioni di pagare, non solo, ma non può nemmeno procurarsi il minimo necessario per vivere lei e la sua vecchia madre. L'unico fratello è prigioniero in India e vi è una pratica in corso per il rimpatrio.-

Queste due donne non hanno altri parenti che le possano aiutare, né i loro compaesani sono in condizioni di farlo, perchè le condizioni atmosferiche avverse dell'anno passato hanno pressochè distrutto il raccolto, per cui esse sono in condizioni veramente critiche di indigenza.-

Sarebbe veramente desiderabile, affrettare la pratica relativa al premio stabilito dall'A.M.G. e prego pertanto cotesto B. L.U. affinchè voglia compiacersi di interessare alla questione gli organi competenti inglesi.-

Per gli eventuali accertamenti, trascrivo i nomi e relativi indirizzi dei tre prigionieri salvati.-

APPENDIX 'A'1. CLASSIFICATION FOR PAY

The present army system will be altered as far as it affects personnel who have passed the recruit stage.

All soldiers up to and including the rank of corporal will be classified as one star, two star or three star according to Military or trade qualifications.

In the case of Sgts and above there will be two classes; one for very highly skilled tradesmen and the other, for all others whether tradesmen or not.

Thus, with a few exceptions, tradesmen and non tradesmen will have the same scales of pay.

2. NEW RATES OF PAY

W.o.f. 1st July 1946 the basic rates of pay will be increased. Daily rates will be as follows:

<u>Pto</u> 3 Star	7/-	L/Cpl	7/6	Cpl	9/6	WO I	17/-
2 Star	6/-		6/6		8/6	WO II	15/-
1 Star			5/6		7/6		
<u>Recruit</u>	4/-						
<u>Highly skilled Tradesman</u>		<u>Sgts</u>	12/-	<u>S/Sgt</u>	14/6		
<u>All others</u>	10/6				12/-		15/-

The appointment of L/Sgt will be abolished.

3. INCREMENTS OF PAY

An increment of 6d per day will be granted to all soldiers on the completion of five years reckonable service. A further increment of 6d per day will be granted on the completion of ten years reckonable service.

These increments will take the place of the existing increments for long service and good conduct which will no longer be given.

There will also be an increment of 6d per day after five years service in the rank of corporal; 6d per day after each period of 1 year as Sgt 5/6.

Thus, with a few exceptions, tradesmen and non tradesmen will have the same scales of pay.

2. NEW RATES OF PAY

W.o.f. 1st July 1946 the basic rates of pay will be increased. Daily rates will be as follows:

Pto 3 Star	7/-	L/Cpl	7/6	Cpl	9/6	WO I	17/-
2 Star	6/6		9/6		8/5	WO II	15/-
1 Star	5/6		5/6		7/6		
Recruit	4/-						
Highly skilled Tradesman	Sgts 12/-	S/Sgt	14/6				
All others	10/6		12/-				15/-

The appointment of L/Sgt will be abolished.

3. INCREMENTS OF PAY

An increment of 6d per day will be granted to all soldiers on the completion of five years reckonable service. A further increment of 6d per day will be granted on the completion of ten years reckonable service.

These increments will take the place of the existing increments for long service and good conduct which will no longer be given.

There will also be an increment of 6d per day after five years service in the rank of corporal; 6d per day after each period of 4 years as Sgt, S/Sgt or WO II, and 1/6 per day after each 4 years period as WO I.

4. ADDITIONAL PAY

This will continue to be granted for certain duties in the air, including parachute duties, but generally speaking, with minor exceptions, extra pay for special duties and qualifications will be absorbed in the basic rates.

5. WAR GRATUITY

Service for war gratuity will cease to reckon from the anniversary of "V.J." Day IE Aug 15 1946.

6. POST WAR CREDITS

These will cease to accrue from the date of the introduction of the new pay code IE 1st July 1946.

7. WAR SERVICE INCREMENTS

Service for the above will cease to count w.o.f. 1st July 1946. W.S.I. will not be issuable under the new code. (S/o 9 below)

8. JAPANESE CAMPAIGN PAY

This will not form a permanent part of the new code and will be reviewed in the light of circumstances. In any event it will be continued up till 15 Aug 46.

9. APPLICATION OF THE NEW PAY CODE

Subject to para 2 of this HQ letter 80A of 31 Dec 45 the new rates of pay will apply to all men serving on the first of July 1946 except for personnel on release or other terminal leave, and except for personnel who enlisted on a regular engagement from civil life on or after 1 Jan 46.

A man whose rate of pay plus war service increment is higher on 30th of June 46 than the rate proceeded for him under the new code will retain the excess temporarily. It will however be reduced every six months, commencing 1st January 47, until the new rates become the more favourable. The first reduction will be 6d per day and each subsequent reduction will be 1/- per day.

10. MARRIAGE ALLOWANCES, ALLOTMENTS, etc.

In place of the existing rates of Family Allowances, 35/- per week (which includes the soldiers qualifying allotment) for the wife of a private soldier with children plus 12/6 per week per each child, or in the case of the wife of a private soldier without children, 2/-/6 per week (excl: qualifying allotment) the new code provides for a flat rate of marriage allowance which does not vary with number of children. The rates are as under (Excl: qualifying allotment)

Cpls & Below	35/-

9. APPLICATION OF THE NEW PAY CODE

Subject to para 2 of this HQ letter 80A of 31 Dec 45 the new rates of pay will apply to all men serving on the first of July 1946 except for personnel on release or other terminal leave, and except for personnel who enlisted on a regular engagement from civil life on or after 1 Jan 46.

A man whose rate of pay plus war service increment is higher on 30th of June 46 than the rate proceeded for him under the new code will retain the excess temporarily. It will however be reduced every six months, commencing 1st January 47, until the new rates become the more favourable. The first reduction will be 6d per day and each subsequent reduction will be 1/- per day.

10. MARRIAGE ALLOWANCES, ALLOTMENTS, etc.

In place of the existing rates of Family Allowances, 28/ 55/ per week (which include the soldiers qualifying allotment) for the wife of a Private soldier with children plus 12/6 per week per each child, or in the case of the wife of a private soldier without children, 52/6 per week (excl: qualifying allotment) the new code provides for a flat rate of marriage allowance which does not vary with number of children.

In the case of all other soldiers on regular engagements, and soldiers still serving on war time engagements, where total marriage allowance and qualifying allotment in issue to family on 30th June 1946 exceeds total payable under new code, total amount in issue under old code (subject to substitution new rate qualifying allotment for old rate) will be continued for so long as it remains more favourable to family and for so long as any children covered by allowance at the time remain eligible under the present rules.
